The Stainless Steel Coffin:

The Stainless Steel Coffin Scott Skipper, 2011-10-24 Those unfamiliar with the metal fabrication industry may find this bizarre little period piece too fanciful to be believed but those who are familiar will know that it's business as usual. The craziness you are about to read actually happened to a business acquaintance of the author even to the fish oil. Now including a newspaper clipping with a follow up to the continuing story. *The Coffin of James Genius* Jeff Petrill, 2008-03 James Genius is a traveler hiding a secret. While trying to fit into a community that thrives off death, James begins building a new life that quickly turns into a personal hell in futuristic America. A new Civil War brews in America while James simultaneously fights his own internal demons and hallucinations as he attempts to locate the survivors of his hidden family. While the government promises to protect and separate citizens from one another, obsessive political control and suspicious behavior begins to confuse and upset the public. As a result, survival groups start preparing for the collapse of the government while a news organization, The Zoo Trials, tries to explain and solve the country's seemingly inevitable demise. James holds the key to a major change but in a futile attempt to protect himself, he pretends he doesn't recall his past. Meanwhile, others encourage James to reveal his true self but he waits for the right moment to fuel his transformation. Only time will tell if James finds the real life he's been desperately seeking and if the citizens of this revolutionary community will pull together and plant the seeds of positive change. **1987 Census of Manufactures**, 1989 **PRWRA-GNEC**, 1962 *PPI Detailed Report*, 2007

Numerous sidebars that offer engaging and occasionally bizarre facts on the death industry are also included. Ideal for the time-constrained, this comprehensive resource presents fast facts in an easy-to-read format while helpful links for each topic are compiled in an accompanying website. Readers will benefit from the peace of mind that follows the creation of a structured plan to reduce the financial burdens and emotional distress on loved ones left behind. **Highway 50** Jim Lilliefors, 1993 Documents the author's trip along Highway 50 from Ocean City, Maryland to Sacramento, California.
