angry As a painter of manners Gogol excels in familiar scenes He is akin to Teniers and Callot We feel as though we had seen and lived with his characters for he shows us their eccentricities their nervous habits their slightest gestures One lisps another mispronounces his words and a third hisses because he has lost a front tooth Unfortunately Gogol is so absorbed in this minute study of details that he too often forgets to subordinate them to the main action of the story To tell the truth there is no ordered plan in his works and a strange trait in an author who sets up as a realist he takes no care to preserve an atmosphere of probability His most carefully painted scenes are clumsily connected they begin and end abruptly often the author's great carelessness in construction destroys as though wantonly the illusion produced by the truth of his descriptions and the naturalness of his conversations [The American Catalogue of Books: 1861-1866 ... with Supplement, containing pamphlets, sermons, and addresses on the Civil War in the United States, 1861-1866; and Appendix containing names of learned societies and ... their publications, 1861-1866](#) ,1866 **Keep and Other Stories** Peter Biles,2022-09-27 Emerging writer Peter Biles offers his first anthology of short stories Composed with experimental boldness the stories extend from the hilarious to the grim from urban disillusionment to rural desperation from fantasy to gritty realism and from frustrated longing to quiet hope With creative debts owed to the likes of Raymond Carver Flannery O Connor and Anton Chekhov Keep and Other Stories explores human life and relations in a world where utility and power are all that matters Keep the penultimate story about two teenage lovers in a dying Colorado lumber town seeks to unify the anthology into a thematic whole with its tender treatment of characters who are at a crossroads with each other the dispassionate way of the world and their own conflicted hearts *Catalogue of the J.
