The Story Of American History For Elementary Schools:

The Story of American History Albert F. Blaisdell, 2020-07-20 Reproduction of the original *The Story of American History* by Albert F. Blaisdell *The Story of American History for Elementary Schools (Classic Reprint)* Albert F. Blaisdell, 2017-11-29 Excerpt from *The Story of American History for Elementary Schools* Some sort of a first book on American history is now quite generally used in schools as a preparation for the more intelligent study of a larger and more formal text book in the higher grammar grades For beginners a mere compilation of facts is dry and unsatisfactory Such books have now given place for the most part to those prepared on a more attractive and judicious plan The real aim in a first book should be to interest boys and girls in the history of their country and to encourage them to cultivate a taste for further study and reading This book is intended for use in the earlier grammar grades and to be preliminary to the study of a more advanced work in the higher grades The author has also kept in mind the fact that the school life of many children is brief and that all their instruction in American history must come from a text book of this kind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Story of American History for Elementary Schools Albert Franklin Blaisdell, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1900 edition Excerpt CHAPTER XV WASHINGTON AND THE REVOLUTION 197 Boyhood and Youth of George Washington DEGREES During the infancy of our nation there were many staunch and noble patriots but far above all stood and stands to day the majestic figure of George Washington He came upon the stage at just the right time to give the vigor of his manhood to the military service of his country and the maturity of his judgment to the formation of the new government and later to the presidency He was born in Virginia on February 22 1732 In those days the country was thinly settled good schools were rare and even the rich planters did not find it easy to have their children well disciplined in learning The future president had only a plain education in reading writing and arithmetic In his childhood he showed a martial spirit While at school he was often the captain of a little military company with paper hats and wooden swords and even in their marches and sham battles the boy exhibited somewhat of the soldierly bearing and honorable character that distinguished him later in life He took an interest in study and enjoyed reading good books He wrote an excellent hand and some productions in his superior penmanship have been kept to this day showing remarkable neatness and accuracy They comprise lessons in geometry forms of business papers and even some neatly written extracts in

verse He studied by himself book keeping and mathematics especially land surveying which was much needed in that new country These studies proved of great value to him in after years 198 Boyhood s Sports Washington when a lad was robust fond of athletic games running jumping and wrestling In these healthful sports he outdid his comrades He could sur **The Story of American History** Albert Franklin Blaisdell,1903 *The Story of American History* Albert Franklin Blaisdell,1902

The Story of American History for Elementary Schools Albert F. Blaisdell,2021-04-25 In The Story of American History for Elementary Schools Albert F Blaisdell masterfully distills the vast narratives of American history into an accessible and engaging format tailored for young readers This richly illustrated text employs a straightforward narrative style that emphasizes clarity and continuity facilitating comprehension of complex historical themes such as democracy conflict and social change Blaisdell skillfully weaves together critical events and prominent figures making each chapter not just informative but also compelling thus fostering a sense of historical curiosity among elementary students Albert F Blaisdell was an educator and historian whose commitment to teaching reflects his background in pedagogical methods effective for younger audiences His experience in classroom settings and his belief in the importance of fostering a strong foundation in American history likely inspired him to write this book Blaisdell s deep understanding of children s literature and educational psychology informed his approach to simplifying historical material without sacrificing its richness This enduring work is highly recommended for parents and educators seeking to introduce children to the foundations of American history The Story of American History for Elementary Schools not only serves as a reliable educational resource but also cultivates a love for history that can inspire future scholars Its engaging narration makes it a must read for young learners *The Story of American History for Elementary Schools* Albert F Blaisdell,2024-10-29 The Story of American History for Elementary Schools a classical book has been considered important throughout the human history and so that this work is never forgotten we at Alpha Editions have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable [The Story of American History](#) Albert Franklin Blaisdell,2013-12 **Hero Stories from American History** Albert F. Blaisdell,Francis K. Ball,2012-12-02 This book is intended to be used as a supplementary historical reader for our public schools or for any other pupils from twelve to fifteen years of age It is also designed for collateral reading in connection with the study of a formal text book on American history The period here included is the first fifty years of our national life No attempt has been made however to present a connected account or to furnish a bird s eye view of this half century It is the universal testimony of experienced teachers that such materials as are pervaded with reality serve a useful purpose with young pupils The reason is plain Historical matter that is instinct with human life attracts and holds the attention of boys and girls and whets their desire to know more of the real meaning of their country s history For this reason the authors have selected rapid historical narratives

treating of notable and dramatic events and have embellished them with more details than is feasible within the limits of most school books Free use has been made of personal incidents and anecdotes which thrill us because of their human element and smack of the picturesque life of our forefathers In the preparation of this book old journals original records and documents and sundry other trustworthy sources have been diligently consulted and freely utilized ALBERT F BLAISDELL FRANCIS K BALL 1903 Visit our website and see our many books at UncleSamBooks com **Hero Stories From American History for Elementary Schools** Ginn and Company,2019-03-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Story of American History* Albert Blaisdell,2012-07-20 Revisionism and political correctness are the bane of the historian This reprint of a public domain 1900 elementary school American history textbook represents an unfiltered turn of the century view of our nation s history from Pre Columbus to the Spanish American War It s likely closer to a primary source than anything we have today that s been filtered through multiple committees each attempting to advance their own agendas If at all Blaisdell is only unintentionally biased and at the very least his account is an accurate view of a single perspective as opposed to today s texts which purport to be patently objective tellings Handier than the free PDFs on the web this you can hold bookmark highlight and shelve An inexpensive imperative for any history buff **HERO STORIES FROM AMER HIST FO** Francis Kingsley 1863-1942 Ball,2016-08-26 **Hero Stories From American History** Albert F (Albert Franklin) Blaisdell,Francis Kingsley Ball,2025-03-29 Rediscover the spirit of American heroism in Hero Stories from American History a collection designed to inspire young readers with tales of patriotism and courage Authored by Albert F Blaisdell and Francis K Ball this volume presents key moments and figures in United States history making it an invaluable resource for elementary schools and anyone interested in the lives of the founding fathers Explore the defining moments that shaped a nation rendered in a clear and engaging style From pivotal battles to acts of extraordinary bravery Hero Stories from American History captures the essence of American ideals Delve into the lives of significant figures and understand their contributions to the country s heritage This book offers a compelling introduction to US history fostering an appreciation for the sacrifices and triumphs that have defined the nation A timeless classic Hero
