2 Timothy 4:11

**Title and
Scripture**

I. Intro

A. *Has someone ever let you down?*

1. Maybe you trusted someone with something private.
2. Maybe you depended on someone to do something you really needed done.
3. And maybe that person failed.
4. How did you react?
5. Did you give them a second chance?

B. *Maybe you're the one who failed.*

1. Something happened and you didn't come through for someone.
2. Maybe you let something slip that shouldn't have come out of your mouth.
3. What was the response you got?
4. Did they give you a second chance?

C. *The Bible tells us about a man named Mark.*

1. Yes, this is the Mark who wrote the second Gospel of the New Testament.

A. *He was possibly In the Garden of Gethsemane.*

1. In Mark 14:51, Mark added a strange side note to Jesus' arrest in Gethsemane.
2. Many scholars believe that Mark was referring to himself.
3. If that's true, Mark began early in life in the presence of Jesus Christ.

B. *We see him With the Early Church.*

1. In Acts 12, when Peter was about to be executed, the church was praying for him.

The Story Sermon Outlines

The Story Sermon Outlines:

Sermon Outlines on Revival Themes, 1957 These sermon outlines on various topics were chosen for their strong scriptural support and solid expository structure They will enhance pulpit ministry and encourage those in the pew *The Story of Preaching* T. A. Prickett, 2011-06-09 The Story of Preaching is a fresh look at the preacher and preaching from the early days of the Church until today It is not a history of preaching because there are some obvious gaps in the timeline What I have attempted to do is to describe the preacher and the characteristics of the period in which he or she lived One of the things which I have tried to do is to show how the preachers handled the issues of their day One of my objectives in doing this is to help the preachers of my day to address the issues of this era as the preachers of old addressed the issues in their time The book will show that some who dared to challenge the attitudes of their day faced many challenges and some even faced death because of their commitment to apply the principles of the gospel to the status quo of their day However the book will show that there were those who challenged the mode of their time without facing death or threats of death They found a way to present their concerns to their constituents in a way that lead to success 100 Old Testament Sermon Outlines John Phillips, Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions

Webb, 2010-09-01 In this important book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news **100 New Testament Sermon**
