The Sublime And Spirited Voyage Of Original Sin:

The Sublime and Spirited Voyage of Original Sin Colette Moody, 2009-03-01 The Gulf of Mexico 1702 When pirates of the square rigger Original Sin steal ashore to abduct a doctor to tend to their wounded they end up settling for the doctor's attractive fiancée Celia Pierce the town seamstress Together with Gayle Malvern daughter of wounded pirate captain Madman Malvern Celia becomes a reluctant participant in an unexpectedly thrilling journey through the Caribbean For Gayle Celia's presence is at first a welcome and shapely distraction but as her attraction to the seamstress deepens she realizes that Celia comes to mean more to her than is almost certainly prudent As Celia and Gayle navigate the perilous territories of gypsies prostitutes mercenaries and slave traders they forge a partnership born of necessity that Gayle soon hopes will veer away from insurmountable danger and instead detour directly to her bed *Novel Approaches to Lesbian History* Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible *Parties in Congress* Colette Moody, 2011-02-01 They say politics makes strange bedfellows Elated to secure her first paid political staff position Bijal Rao is eager to focus her efforts on the election of her candidate to U S Congress However Bijal's first unforeseen obstacle is her profound and unexpected attraction to their opponent incumbent Congresswoman Colleen O Bannon who is outspoken charismatic and openly lesbian An even greater hurdle is the subterfuge and pretense that prevades the climate in Washington D C where small missteps are readily painted as major gaffes and lies are explained away as in the public's best interest During the heated campaign both Bijal and Colleen struggle not to cross the lines of propriety and perhaps more importantly their party lines **Women's Historical Fiction Across the Globe** Catherine Barbour, Karunika Kardak, 2025-03-03 This book explores contemporary women's historical fiction from global perspectives and expands substantially on existing studies by drawing on intersectional transnational and decolonial approaches to examine texts originating in different languages and engaging with diverse time periods contexts and cultural settings The chapters explore how the genre of women's historical fiction unearths women's historical experiences and adds to historical narratives in order to counter and challenge colonial heteropatriarchal official histories The collection addresses how women writers utilise the genre to reclaim personal and collective memory as well as write back into history marginalised oppressed and overlooked subjectivities especially those of racialised migrant disabled

LGBTQIA and other minoritised communities Chapter 1 of this book is available open access under a CC BY 4.0 license at link.springer.com thanks to the generous support of Trinity College Dublin Trust
