Henry R. Stiles

The Tavern At The Ferry:

The Tavern at the Ferry Edwin Tunis, 2002 Through Henry Baker and his family Tunis tells the story of US growth in the colonial period and the growing dissatisfaction with British rule He chronicles events leading up to Washington's crossing of the Delaware and the ensuing Battle of Trenton a turning point in the War of Independence **The Old Pike** Thomas Brownfield Searight, 1894 **A Century of Restaurants** Rick Browne, 2013-10-15 From the public television host a tour of the US's oldest and greatest dining spots with delightful tales delicious recipes and hundreds of photographs Ted Allen host of Food Network's Chopped Come along on a pilgrimage to some of the oldest most historic restaurants in America Each is special not only for its longevity but also for its historic significance interesting stories and of course wonderful food The oldest Japanese restaurant in the country is profiled along with stagecoach stops elegant eateries barbecue joints hamburger shops cafes bars and grills and two dueling restaurants that both claim to have invented the French dip sandwich The bestselling author and host producer of Barbecue America shares the charm history and appeal that made these establishments some as many as three hundred years old successful Each profile contains a famous recipe the history of the restaurant a look at the restaurant today descriptions of some of its signature dishes fun facts that make each place unique and beautiful photos It's all you need for an armchair tour of one hundred restaurants that have made America great Browne spent three years traveling more than 46 000 miles to profile the 100 restaurants inns taverns and public houses he selected as being the most historic most interesting and most successful Orlando Sentinel It is Browne's exploration of the history behind each place that I found most interesting The White Horse Tavern gave him the Beef Wellington recipe Peter Luger the legendary Brooklyn Steakhouse shared one for German Fried Potatoes and Katz's Delicatessen in New York City offered Katz's Noodle Kugel And Ferrara in Little Italy in New York City parted with its cannoli recipe Sioux City Journal Ask any chef It's not easy keeping a restaurant alive for a week let alone a year or a decade So what does it take to last a century After five years of crisscrossing the country and gobbling up regional specialties from chowder to chili Rick Browne reveals the answer to that question Ted Allen host of Food Network's Chopped **The Old Pike** Thomas B. Searight, 2022-05-29 In The Old Pike Thomas B Searight offers a rich historical narrative that traverses the socioeconomic landscape of early 19th century America specifically focusing on the intricate web of roads communities and the burgeoning spirit of nationhood With a meticulous blend of narrative prose and historical analysis Searight captures the essence of an era marked by rapid change and innovation His literary style is steeped in local color and anecdotal detail providing a vivid portrayal that reflects the cultural and political dynamics shaping the American frontier during its formative years Thomas B Searight a noted historian and passionate advocate for local history draws upon his deep rooted connection to the region under discussion His extensive research and firsthand experiences allow him to illuminate the often overlooked stories of ordinary individuals who contributed to the construction of the Old Pike This scholarly endeavor is part of his larger mission to preserve and share the

historical narratives that define American heritage prompting readers to reassess their understanding of the past The Old Pike is an invaluable resource for historians students and general readers alike providing compelling insights into the intersection of infrastructure and identity in early America Searight's engaging narrative not only informs but also invites readers to reflect on the profound impact of these historic paths on the development of the nation an essential read for anyone interested in the threads that weave the fabric of American history

Colonial Inns and Taverns of Bucks County Marie Murphy Dues, 2007-11-19 Inns and taverns occupied a position of central importance in colonial American society Rest stop hotel provisioning center drinking saloon dining establishment center of news and gossip quartering for soldiers these retreats served an astonishing variety of roles In *Colonial Inns and Taverns of Bucks County* author Marie Dues filters the colonial and early modern history of Bucks County through the area's wide array of stagecoach stops grog shops and taprooms These inns created a whole world unto themselves with a distinct vernacular did you know the concepts of backlog and minding your Ps and Qs both originated from inn life set of customs and rituals and purpose within the greater societal framework Follow author Marie Dues into the past and discover a fascinating facet of life in early Pennsylvania

A Stolen Childhood Ruthann D. Moyer, 2008-07-07 A beautifully touching portrait of that most difficult person to write about one blessed with gifts beyond what we can imagine for ourselves which might be an alternate definition of prodigy or of genius Ruthann Moyer not only brings her great uncle to life on the page but helps us the ordinary reader to both luxuriate in his gift and to identify with him to understand him so well he really doesn't seem quite so beyond us Which is a notable and quite reader friendly achievement As a bonus Moyer deftly portrays the early and mid 20th century worlds of America and Europe both seemingly far removed from the current state of affairs in which an artistic savant makes his way

Along the Raritan River: South Amboy to New Brunswick Jason J. Slesinski, 2014 The Raritan River is the largest river in New Jersey flowing from the state's western mountains for approximately 16 miles toward the tidewaters of New Brunswick from which point it widens over 14 miles before reaching the Raritan Bay By the end of the 20th century this estuary known as the Lower Raritan River was one of the most polluted in the nation The very industrialization that brought economic prosperity to the communities along the Lower Raritan River was also the origin of the river's contamination Today however the waterway is making a comeback Along the Raritan River South Amboy to New Brunswick includes historical maps and photographs to tell the story of this changing cultural landscape and its natural beauty and resources historic floods economic enterprise devastating pollution and continued renewal and recovery

Gabriele,2023-04 New Jersey was the Crossroads of the American Revolution and as battles raged colonial taverns formed the social network that held the state together Due to the demand for carriage travel between New York and Philadelphia New Jersey had myriad taverns along well traveled routes A haven for Patriots and Loyalists alike the colonial tavern was the main stage for key debates on the question of independence Once the war began they became recruitment stations for colonial militias and meeting places for local committees of safety George Washington used them as headquarters and safe houses for his spies and troops A Haddonfield tavern was the site where New Jersey s General Assembly declared itself a state not a colony independent from Britain Author Michael C Gabriele unearths intoxicating stories of New Jersey s colonial taverns *A History of Long Island, Vol. 2* Peter Ross,2017 With these books an effort has been made to present the history of the whole of Long Island in such a way as to combine all the salient facts of the long and interesting story in a manner that might be acceptable to the general reader and at the same time include much of that purely antiquarian lore which is to many the most delightful feature of local history Long Island has played a most important part in the history of the State of New York and through New York in the annals of the Nation It was one of the first places in the Colonies to give formal utterance to the doctrine that taxation without representation is unjust and should not be borne by men claiming to be free the doctrine that gradually went deep into the hearts and consciences of men and led to discussion opposition and war to the declaration of independence the achievement of liberty and the founding of a new nation It took an active part in all that glorious movement the most significant movement in modern history and though handicapped by the merciless occupation of the British troops after the disaster of August 1776 it continued to do what it could to help along the cause to which so many of its citizens had devoted their fortunes their lives This is volume two out of three covering the history of Kings County Brooklyn and Queens **The Wideners in America** Howard Hamlin Widener,1904 *Lancaster County, Pennsylvania, a History* Harry Martin John Klein,1924 *Every Home a Distillery* Sarah H. Meacham,2009-10-12 In this original examination of alcohol

production in early America Sarah Hand Meacham uncovers the crucial role women played in cidering and distilling in the colonial Chesapeake Her fascinating story is one defined by gender class technology and changing patterns of production Alcohol was essential to colonial life the region s water was foul milk was generally unavailable and tea and coffee were far too expensive for all but the very wealthy Colonists used alcohol to drink in cooking as a cleaning agent in beauty products and as medicine Meacham finds that the distillation and brewing of alcohol for these purposes traditionally fell to women Advice and recipes in such guidebooks as *The Accomplisht Ladys Delight* demonstrate that women were the main producers of alcohol until the middle of the 18th century Men mostly small planters then supplanted women using new and cheaper technologies to make the region s cider ale and whiskey Meacham compares alcohol production in the Chesapeake with that in New England the middle colonies and Europe finding the Chesapeake to be far more isolated than even the other American colonies She explains how home brewers used new technologies such as small alembic stills and inexpensive cider pressing machines in their alcoholic enterprises She links the importation of coffee and tea in America to the temperance movement showing how the wealthy became concerned with alcohol consumption only after they found something less inebriating to drink Taking a few pages from contemporary guidebooks *Every Home a Distillery* includes samples of historic recipes and instructions on how to make alcoholic beverages American historians will find this study both enlightening and surprising
