Masterworks of Asian Literature in Comparative Perspective: A Guide for Teaching Barbara Stoler Miller,2016-09-16 This is a collection of 46 essays by specialists in Asian literature who offer a wide range of possibilities for introducing Asian literature to English speaking students It is intended to help in promoting multicultural education

American Nightmares Dale Bailey,2011-06 When Edgar Allan Poe set down the tale of the accursed House of Usher in 1839 he also laid the foundation for a literary tradition that has assumed a lasting role in American culture The House of Usher and its literary progeny have not lacked for tenants in the century and a half since writers from Nathaniel Hawthorne to Stephen King have taken rooms in the haunted houses of American fiction Dale Bailey traces the haunted house tale from its origins in English gothic fiction to the paperback potboilers of the present highlighting the unique significance of the house in the domestic economic and social ideologies of our nation The author concludes that the haunted house has become a powerful and profoundly subversive symbol of everything that has gone nightmarishly awry in the American Dream
