Thirty Days With My Father Finding Peace From Wartime Ptsd:

Thirty Days with My Father Christal Presley, 2012-11-01 When Christal Presley's father was eighteen he was drafted to Vietnam. Like many men of that era who returned home with post-traumatic stress disorder (PTSD), he was never the same. Christal's father spent much of her childhood locked in his room, gravitating between the deepest depression and unspeakable rage, unable to participate in holidays or birthdays. At a very young age, Christal learned to walk on eggshells, doing anything and everything not to provoke him, but this dance caused her to become a profoundly disturbed little girl. She acted out at school, engaged in self-mutilation, and couldn't make friends. At the age of eighteen, Christal left home and didn't look back. She barely spoke to her father for the next thirteen years. To any outsider, Christal appeared to be doing well; she earned a BA and a master's, got married, and traveled to India. But despite all these accomplishments, Christal still hadn't faced her biggest challenge: her relationship with her father. In 2009, something changed. Christal decided it was time to begin the healing process, and she extended an olive branch. She came up with what she called The Thirty Day Project, a month's worth of conversations during which she would finally ask her father difficult questions about Vietnam. *Thirty Days with My Father* is a gritty yet heartwarming story of those thirty days of a daughter and father reconnecting in a way that will inspire us all to seek the truth, even from life's most difficult relationships. This beautifully realized memoir shares how one woman and her father discovered profound lessons about their own strength and will to survive, shedding an inspiring light on generational PTSD.

Practicing Oral History with Military and War Veterans Sharon Raynor, 2022-12-30 *Practicing Oral History with Military and War Veterans* focuses predominantly on conducting oral history with men and women of recent wars and military conflicts. The book provides a structured methodology for building interest and trust among veterans to conduct interviews, design oral history projects, and archive and use these oral history interviews. It includes background on the evolution of veterans' oral history, the nuts and bolts of interviewing, ethical guidelines, procedures, and the overall value of veterans' oral history. The methodology emphasizes how memory evolves over the years when a veteran becomes more distant from the events of war; the experiences become individualized and personalized for each veteran based on location, time, place, and purpose of their service. The book also aims to improve understanding of the personal, ethical, and psychological issues involved in listening compassionately to veterans' stories that may contain issues of trauma, gender, socioeconomics, race, disability, and ethnicity. *Practicing Oral History with Military and War Veterans* is an invitation to community scholars, students, oral historians, and families of veterans to actively participate in the oral history process and to embrace methodology that may help with designing and conducting oral history projects and interviewing war veterans. **Military Review**, 2016

Professional Journal of the United States Army, 2016-11 *Not a Blueprint; It's the Shoeprints That Matter* Nina Norstrom, 2016-04-07 Every journey leaves an imprint; make yours count. Allowing us to learn lessons, let go of toxicity, and gain insight, relationship can play a powerful role in our lives. They are formed with people, alcohol, animals, battlefields.

diseases drugs environments and even our emotions Whether toxic or nontoxic relationships are an integral component of daily living Author Nina Norstrom lost her child to a disease but that wasn't the only toxic relationship she endured In this book she explores the effects that her relationships with grief pain trauma and forgiveness have had on her life This tale exposes a mother's struggle to escape her world of toxicity her journey out of the clutches of diseased relationships and the shoe prints the experiences have left on her family's history This story in its raw form projects a remarkable voice to the heroic fight courage and bravery gained when striking back to wipe out toxic relationships Its message reveals that life brings many challenges and that each challenge provides lessons to be learned This book is not intended to be a blueprint for dealing with diseased relationships It's about the shoe prints those symbols of life's journey that are left by our experiences Not a Blueprint It's the Shoe Prints that Matter is an insightful and inspiring personal story of one family's journey through toxic relationships

Heard Amid the Guns Jacqueline Larson Carmichael, 2020-11-03 Carmichael captures the anguish and the wonder of war in flashes of colour humour and gems of human detail mined from letters diaries interviews and her own family history Halifax Chronicle Herald A rich and varied tapestry of the First World War highlighting the personal stories of over 150 men and women from across North America who served overseas After receiving a bundle of worn letters written by her late grandfather George Black Jack Vowel during the First World War journalist Jacqueline Carmichael became fascinated with the daily realities and personal stories of those who had lived through that pivotal and harrowing period in history Reaching beyond the battlefield descriptions found in most history books Carmichael presents unforgettable accounts filled with drama hope and heartbreak culled from journals and letters of Allied soldiers and nurses From tales of men shot at dawn under charges of desertion or cowardice to women cross dressing to get into battle to a Canadian Member of Parliament whose PTSD induced death was barely acknowledged by Ottawa for nearly a century Heard Amid the Guns reflects the human face of war Featuring profiles of people from every Canadian province and many American states including soldiers of Indigenous Asian Indo Canadian and African Canadian and American backgrounds this book is a touching tribute illustrated throughout by WWI era photos postcards documents and the author's contemporary photos from battlefield sites and monuments

Vietnam & Beyond Jenny La Sala; Jim Markson, 2014-09-22 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the similarities of war and the soldier from one generation to another

The Vietnam War in American Childhood Joel P. Rhodes, 2019 A sort of nebulous sad thing happening forever and ever childhood socialization to the Vietnam War Why

couldn't I fight in a nice simpler war comic books and Mad magazine Who bombed Santa's workshop militarizing play with commercial war toys One of the most agonizing years of my life knowing someone in Vietnam Mom tried to make it for us like he wasn't even gone father separation and reunion God bless dad wherever you are POW MIA How come the flags around town aren't flying at half mast Gold Star children Yes I am My Lai but My Lai is better than Viet Cong Vietnamese adoptees and Amerasians

Dads, Kids, and Fitness William Marsiglio, 2016-10-31 Now more than ever American dads act as hands-on caregivers who are devoted to keeping themselves and their families healthy Yet men are also disproportionately likely to neglect their own health care diets and exercise routines bad habits that they risk passing on to their children In *Dads Kids and Fitness* William Marsiglio challenges dads to become more health conscious in how they live and raise their children His conclusions are drawn not only from his revealing interviews with a diverse sample of dads and pediatric healthcare professionals but also from his own unique personal experiences as a teenage father who thirty-one years later became a later-life dad to a second son Marsiglio's research highlights the value of treating dads as central players in what he calls the social health matrix which can serve both healthy children and those with special needs He also outlines how schools healthcare facilities religious groups and other organizations can help dads make a positive imprint on their families health fitness and well-being Anchored in compelling life stories of joy tragedy and resilience *Dads Kids and Fitness* extends and deepens public conversation about health at a pivotal historical moment Its progressive message breathes new life into discussions about fathering manhood and health

Red, White, and True TRACY CROW, 2014-08-15 Even as we celebrate the return of our military from wars in the Middle East we are becoming increasingly aware of the struggles that await veterans on the home front *Red White and True* offers readers a collection of voices that reflect the experiences of those touched by war from the children of veterans who encounter them in their fathers' recollections of past wars to the young men and women who fought in the deserts of Iraq and Afghanistan The diversity of perspectives collected in this volume validates the experiences of our veterans and their families describing their shared struggles and triumphs while honoring the fact that each person's military experience is different Leila Levinson's powerful essay recounts her father's experience freeing a POW camp during World War II Pulitzer Prize-winning author Tracy Kidder provides a chilling account of being a new second lieutenant in Vietnam Army combat veteran Brooke King recounts the anguish of raising her young children by day while trying to distinguish between her horrific memories of IED explosions in Baghdad and terrifying dreams by night These individual stories of pain and struggle along with twenty-nine others illustrate the inescapable damage that war rends in the fabric of society and celebrate our dauntless attempts to repair these holes with compassion and courage
