Thomas Sankara Speaks Thomas Sankara, 1988 The leader of the Burkina Faso revolution recounts how peasants and workers in this West African country began confronting hunger illiteracy and economic backwardness prior to the 1987 coup in which Sankara was murdered

Thomas Sankara Ernest Harsch, 2014-11-01 Thomas Sankara often called the African Che Guevara was president of Burkina Faso one of the poorest countries in Africa until his assassination during the military coup that brought down his government Although his tenure in office was relatively short Sankara left an indelible mark on his country's history and development An avowed Marxist he outspokenly asserted his country's independence from France and other Western powers while at the same time seeking to build a genuine pan African unity Ernest Harsch traces Sankara's life from his student days to his recruitment into the military early political awakening and increasing dismay with his country's extreme poverty and political corruption As he rose to higher leadership positions he used those offices to mobilize people for change and to counter the influence of the old corrupt elites Sankara and his colleagues initiated economic and social policies that shifted away from dependence on foreign aid and toward a greater use of the country's own resources to build schools health clinics and public works Although Sankara's sweeping vision and practical reforms won him admirers both in Burkina Faso and across Africa a combination of domestic opposition groups and factions within his own government and the army finally led to his assassination in 1987 This is the first English language book to tell the story of Sankara's life and struggles drawing on the author's extensive firsthand research and reporting on Burkina Faso including interviews with the late leader Decades after his death Sankara remains an inspiration to young people throughout Africa for his integrity idealism and dedication to independence and self

determination **Historical Dictionary of Burkina Faso** Lawrence Rupley, Lamissa Bangali, Boureima Diamitani, 2013-02-07 Burkina Faso known as Upper Volta until its independence from France in 1960 and locally called the land of the upright people is a medium sized land locked country with no less than six neighbors some of which periodically get into trouble which makes it reasonably strategic in some ways While it has not done as poorly as some other African states its economic has certainly not prospered and many Burkinabe go abroad to earn a living As for politics it is another case of stability without democracy even if there are periodic elections Still this is better than not even having stability This third edition of Historical Dictionary of Burkina Faso covers its history through a chronology an introductory essay maps appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Burkina Faso **TRIUMPH OF RACISM: The History of White Supremacy in Africa and How Shithole Entered the U.S Presidential Lexicon** Emmanuel Neba-Fuh, 2021-04-05 Emmanuel Neba Fuh in this comprehensive chronological compilation and thorough narrative of the history of white supremacy in Africa provide an unflinching fresh case that African poverty a central tenet of the shithole demonization is not a natural feature of geography or a consequence of culture but a direct product of imperial extraction from the continent a practice that continues into the present A brutal and nefarious tale of slave trade genocides massacres dictators supported progressive leaders murdered weapon smuggling cloak and dagger secret services corruption international conspiracy and spectacular military operations he raised the most basic and fundamental question how was Africa the world's richest continent raped and reduced to what Donald J Trump called shithole V Mbanwie **A Certain Amount of Madness** Amber Murrey, 2018-03-20 Thomas Sankara was one of Africa's most important anti imperialist leaders of the late 20th Century His declaration that fundamental socio political change would require a certain amount of madness drove the Burkinabe Revolution and resurfaced in the country's popular uprising in 2014 This book looks at Sankara's political philosophies and legacies and their relevance today Analyses of his synthesis of Pan Africanism and humanist Marxist politics as well as his approach to gender development ecology and decolonisation offer new insights to Sankarist political philosophies Critical evaluations of the limitations of the revolution examine his relationship with labour unions and other aspects of his leadership style His legacy is revealed by looking at contemporary activists artists and politicians who draw inspiration from Sankarist thought in social movement struggles today from South Africa to Burkina Faso In the 30th anniversary of his assassination this book illustrates how Sankara's political praxis continues to provide lessons and hope for decolonisation struggles today **Who Paid the Pipers of Western Marxism?** Gabriel Rockhill, 2025-12-01 Who Paid the Pipers of Western Marxism offers a crash course in the history of imperialist propaganda as well as in the Marxist method for analyzing culture and ideology Author Gabriel Rockhill demonstrates the explanatory and transformative superiority of a

dialectical and historical materialist approach while elucidating how the world of ideas is a crucial site of class struggle He then engages in a meticulous counter history of the Frankfurt School which made a foundational contribution to Western Marxism by situating it within the global relations of class struggle and the imperialist war on actually existing socialism With the explicit and direct backing of powerful elements in the capitalist ruling class and the world's leading imperialist state the Frankfurt School developed a widely promoted form of compatible critical theory as an ersatz for dialectical and historical materialism The volume concludes by bringing to the fore the positive project that serves as the guiding methodological framework for the work as a whole a thoroughly anticolonial and anti imperialist Marxism dedicated to building socialism in the real world Drawing on extensive archival research to pull back the curtain on ruling class machinations Rockhill's book elucidates how the intellectual world war on the socialist alternative has sought to shore up and promote a compatible left intelligentsia while misrepresenting maligning and trying to destroy the revolutionary left
