Jerome, 2017-02-17 How is this book unique Font adjustments biography included Unabridged 100% Original content Formatted for e reader Illustrated About Three Men In A Boat by Jerome K Jerome Three Men in a Boat is a humorous account by English writer Jerome K Jerome of a boating holiday on the Thames between Kingston and Oxford The book was initially intended to be a serious travel guide with accounts of local history along the route but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel One of the most praised things about Three Men in a Boat is how undated it appears to modern readers the jokes seem fresh and witty even today The three men are based on Jerome himself and two real life friends George Wingrave who would become a senior manager at Barclays Bank and Carl Hentschel the founder of a London printing business called Harris in the book with whom J often took boating trips The dog Montmorency is entirely fictional but as Jerome admits developed out of that area of inner consciousness which in all Englishmen contains an element of the dog The trip is a typical boating holiday of the time in a Thames camping skiff This was just after commercial boat traffic on the Upper Thames had died out replaced by the 1880s craze for boating as a leisure activity **Three Men in a Boat** Jerome K. Jerome, 2014-09-23 The classic comic travelogue about an ill fated boating holiday on the River Thames Three Men in a Boat is the irreverent tale of a group of friends who along with a fox terrier named Montmorency embark on a two week boating journey up the Thames Passing by famous landmarks on their way from Kingston to Oxford the three gloriously underprepared travelers George William and J confront the humor in everything from assembling a tent to fending off hostile swans Originally conceived as a travel guide the narrative instead evolved into a sharply witty tale replete with historical anecdotes raucous digressions and unforgettable misadventures As funny and relatable today as it was more than a century ago Three Men in a Boat was recently ranked by the Guardian as one of the twenty five best novels of all time and by Esquire UK as one of the top twenty funniest books ever written This ebook has been professionally proofread to ensure accuracy and readability on all devices *Three men in a boat* Jerome K.
