Tree Dedication Speeches:

Meehans' Monthly, 1891 **Destination Dixie** Karen L. Cox, 2018-03-15 Once upon a time it was impossible to drive through the South without coming across signs to See Rock City or similar tourist attractions From battlegrounds to birthplaces and sites in between heritage tourism has always been part of how the South attracts visitors and defines itself yet such sites are often understudied in the scholarly literature As the contributors to this volume make clear the narrative of southern history told at these sites is often complicated by race influenced by local politics and shaped by competing memories Included are essays on the meanings of New Orleans cemeteries Stone Mountain Georgia historic Charleston South Carolina Yorktown National Battlefield Selma Alabama as locus of the civil rights movement and the homes of Mark Twain Margaret Mitchell and other notables Destination Dixie reveals that heritage tourism in the South is about more than just marketing destinations and filling hotel rooms it cuts to the heart of how southerners seek to shape their identity and image for a broader touring public now often made up of northerners and southerners alike **Plant a Tree for Me** Ann Marie Smith, 2020-04-01 Discover the answer to a thriving planet Get inspired and motivated to make a difference for the environment You are important You possess the power to change things Champion a big adventure Be a mighty tower of rocket power You have ten good years to get the planet going in the right direction Start now Plant a Tree for Me is motivational and inspiring for the answers to climate change challenges Find out what you can do now to make the world a better place Be an environmental activist Help save the planet Trees are a big part of the science that will heal the Earth and support all life including animals and birds Discover your destiny **Building a Shared Vision for Environmental Education**, 1992 **The Yesterday Tree** Kenneth Joel Teicher, 2015-08-15 Do you believe time travel is possible What about extraterrestrials Or both Computer specialist Joe Rebman joins a team to investigate what might be man's first contact with extraterrestrials The alien nature of the craft discovered at a remote location in the Arizona desert raises concern for national security This prompts the Pentagon to add Colonel Warren Anderson to the team A group of college students on a field trip is discovered near the landing site But they are not really students They are time travelers from five hundred years in the future with a mission to instigate the development of a worldwide genealogical database 26th century doctors will use the data to track down and cure people with genetic mutations saving millions from certain death Is this an advance party of an alien invasion or time travelers on a lifesaving mission Joe and the Colonel battle about which scenario is true Joe believes he must help the students save future humankind from genealogical doom Colonel Anderson doesn't buy the story and wants to focus on the present Who is right THE YESTERDAY TREE asks fundamental questions about how we might respond to extra terrestrial contact and confronts the possibility of time travel Revolutionary Dissent Stephen D. Solomon, 2025-10-16 When members of the founding generation protested against British authority debated separation and then ratified the Constitution they formed the American political character we know today raucous intemperate and often

mean spirited Revolutionary Dissent brings alive a world of colorful and stormy protests that included effigies pamphlets songs sermons cartoons letters and liberty trees Solomon explores through a series of chronological narratives how Americans of the Revolutionary period employed robust speech against the British and against each other Uninhibited dissent provided a distinctly American meaning to the First Amendment's guarantees of freedom of speech and press at a time when the legal doctrine inherited from England allowed prosecutions of those who criticized government Solomon discovers the wellspring in our revolutionary past for today's satirists like Jon Stewart and Stephen Colbert pundits like Rush Limbaugh and Keith Olbermann and protests like flag burning and street demonstrations From the inflammatory engravings of Paul Revere the political theater of Alexander McDougall the liberty tree protests of Ebenezer McIntosh and the oratory of Patrick Henry Solomon shares the stories of the dissenters who created the American idea of the liberty of thought This is truly a revelatory work on the history of free expression in America

Black Spartacus Sudhir Hazareesingh, 2020-09-01

Winner of the 2021 Wolfson History Prize *Black Spartacus* is a tour de force by far the most complete authoritative and persuasive biography of Toussaint that we are likely to have for a long time An extraordinarily gripping read David A Bell *The Guardian* A new interpretation of the life of the Haitian revolutionary Toussaint Louverture Among the defining figures of the Age of Revolution Toussaint Louverture is the most enigmatic Though the Haitian revolutionary's image has multiplied across the globe appearing on banknotes and in bronze on T-shirts and in film the only definitive portrait executed in his lifetime has been lost Well versed in the work of everyone from Machiavelli to Rousseau he was nonetheless dismissed by Thomas Jefferson as a cannibal A Caribbean acolyte of the European Enlightenment Toussaint nurtured a class of black Catholic clergymen who became one of the pillars of his rule while his supporters also believed he communicated with vodou spirits And for a leader who once summed up his *modus operandi* with the phrase Say little but do as much as possible he was a prolific and indefatigable correspondent famous for exhausting the five secretaries he maintained simultaneously at the height of his power in the 1790s Employing groundbreaking archival research and a keen interpretive lens Sudhir Hazareesingh restores Toussaint to his full complexity in *Black Spartacus* At a time when his subject has variously been reduced to little more than a one dimensional icon of liberation or criticized for his personal failings his white mistresses his early ownership of slaves his authoritarianism Hazareesingh proposes a new conception of Toussaint's understanding of himself and his role in the Atlantic world of the late eighteenth century *Black Spartacus* is a work of both biography and intellectual history rich with insights into Toussaint's fundamental hybridity his ability to unite European African and Caribbean traditions in the service of his revolutionary aims Hazareesingh offers a new and resonant interpretation of Toussaint's racial politics showing how he used Enlightenment ideas to argue for the equal dignity of all human beings while simultaneously insisting on his own world historical importance and the universal pertinence of blackness a message which chimed particularly powerfully among African Americans Ultimately *Black Spartacus* offers a vigorous argument in favor of

getting back to Toussaint a call to take Haiti's founding father seriously on his own terms and to honor his role in shaping the postcolonial world to come Shortlisted for the Baillie Gifford Prize Finalist for the PEN Jacqueline Bograd Weld Award for Biography Named a best book of the year by the The Economist Times Literary Supplement New Statesman **Breakdown of Speech** Nancy R.
