The Driver Amy Lane, 2022-02-15. Hell-raiser getaway driver and occasional knight in tarnished armor, Chuck Calder has never had any illusions about being a serious boyfriend. He may not be a good guy, but at least as part of Josh Salinger's crew of upscale thieves and cons, he can feel good about his job. Right now, his job is Lucius Broadstone. Lucius is a blueblood with a brutal past. He uses his fortune and contacts to help people trying to escape abuse, but someone is doing everything they can to stop him. He needs the kind of help only the Salingers can provide. Besides, he hasn't forgotten the last time he and Chuck Calder collided. The team's good ol' boy and good luck charm is a blue-collar handful, but he is genuinely kind. He takes Lucius's mission seriously, and Lucius has never had that before. In spite of Chuck's reluctance to admit he's a nice guy, Lucius wants to know him better. Chuck's a guaranteed good time, and Lucius is a forever guy. Can Chuck come to terms with his past and embrace the future Lucius is offering? Or is Good Luck Chuck destined to be driving off into the sunset alone forever?

The Muscle Amy Lane, 2021-07-27. A Long Con Adventure. A true protector will guard your heart before his own. Hunter Rutledge saw one too many people die in his life as mercenary muscle to go back to the job, so he was conveniently at loose ends when Josh Salinger offered him a place in his altruistic den of thieves. Hunter is almost content having found a home with a group of people who want justice badly enough to steal it. If only one of them didn't keep stealing his attention from the task at hand. Superlative dancer and transcendent thief, Dylan Grace Li lives in the moment. But when mobsters blackmail the people who gave him dance and the means to save his own soul, Grace turns to Josh for help. Unfortunately, working with Josh's crew means working with Hunter Rutledge, and for Grace, that's more dangerous than any heist. Grace's childhood left him thinking he was too difficult to love, so he's better off not risking his love on anyone else. Avoiding commitment keeps him safe. But somehow, Hunter's solid grounding presence makes him feel safer. Can Grace trust that letting down his guard to a former mercenary doesn't mean he'll get shot in the heart?

Fish in a Barrel Amy Lane, 2022-07-26. Jackson and Ellery face their toughest case yet against the criminal justice system itself. Jackson Rivers and Ellery Cramer have worked difficult jobs before, but usually it's getting the facts that's the problem. For their newest client, the trouble isn't finding the truth; it's corruption at the highest levels of the justice system. It isn't enough to find the actual perpetrator and unveil a heartless plot; not when the DA is the bad guy and he's using cops as his goons. Keeping their vulnerable client alive and out of jail takes blood, sweat, and tears. When one of their major antagonists is killed and the DA tries to pin the death on Jackson, he'll need every ounce of luck and all his resources to clear his name and to find the perpetrator before the DA can use the murder to further his own agenda. They soon find that it's easier to spot an honest man in a field of thieves than it is to shoot fish in a barrel, and both the man and the fish will be lucky to survive. Fish in a Barrel is
