Yahweh To Hell Why We Need Jesus Out Of Politics:

Yahweh to Hell Rich Woods, 2015-03-18 Yahweh to Hell comes at a time in our nations political discourse when the eight hundred pound gorilla in the room is Christian Dominionism Renowned author and satirist Rich Woods returns and this time hes got the twenty first century version of the Republican Party in his sights With an uncommon perspective and singular wit Woods systematically dissects the runaway bigotry social regression misogyny economic illiteracy and overall lack of rationale in the fundamentalist Christian dominated Tea Party GOP At times brutally funny and or gut wrenchingly astute Woods is unique amongst his peers in his ability to combine acumen with unapologetic mockery Yet while Y2H oscillates back and forth between sobriety and satire it manages to shine a light in the darkest parts of American politics Indeed Rich Woods demonstrates once again that he is equally adept with both a scalpel and a chainsaw This book will anger many and drive others to uncontrolled laughter As long as it makes them rethink what theyve been told the author doesnt care Bob Ingle award winning journalist Radio and TV commentator and co author of The New York Times Best Seller The Soprano State New Jerseys Culture of Corruption and Chris Christie The Inside Story Of His Rise To Power Rich Woods is down to earth outspoken acerbic and has absolutely no patience for ignorance or stupidity He has mastered the art of the book length rant and gives voice to the frustration so many of us feel with religion in the United States William Hamby Columnist Examiner com This book should be required reading of all Republican voters in America Rich pulls the curtain back from a party that many of us used to respect to show that there is nothing decent left Brian Sapient Secular activist and Founder of the Rational Responders [The Complete Kakoulides New Testament](#) Harris Kakoulides ,2025-09-22 Preface This is a complete translation with notes The translation is given by Harris Kakoulides who is host of the Mr Kakoulides and the Bible Podcast Other translations was used to compare when translating the greek Like WEB KJV Young William ASV Darby and many more WEB was use in the cases where the translator did not translate from the greek And many longer readings of the Textus Receptus was prefer although other Greek translations was used This translation and notes are free to copy and is in Public Domain so anyone can share it and quote it with no problems from the translator The Book of Revelation was reorganised with notes no words or sentences was taken away or added so the reader could see Parallel Numbered Judgments view of Revelation I was really hoping to finish this edition by this year then do some other editions with more notes if God allows I always wanted to translate the New Testament and add notes making it to a Study Bible and now I was able to do it praise be to God Added information The Kakoulides New Testament is a Bible translation by Harris Kakoulides a Bible teacher and podcast host with explanatory notes It is an independent project not a product of a large publishing company or denominational committee Key characteristics of the Kakoulides New Testament Translated by a single author The translation and notes were created by Harris Kakoulides It was a long term project that experienced setbacks including a fire the previous work was destroyed and the passing of his wife from cancer Public domain and free to use The work is released

into the public domain meaning anyone is free to copy and share it Compares against other translations Kakoulides compared his translation from the Greek to other English versions such as the King James Version KJV American Standard Version ASV and Darby among others Preference for longer readings The translation shows a preference for the longer readings found in the Textus Receptus which is the basis for many Reformation era translations like the KJV rather than the shorter readings typically favored by modern critical texts Unique formatting in Revelation Kakoulides reorganized the Book of Revelation to present a Parallel Numbered Judgments view with the aim of helping the reader understand the text He notes that no words or sentences were added or removed in the process Study notes included The text includes study notes and introductions to various books

Pool,2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human s infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice **Nervous Breakthrough** Christy Boulware,2023-04-11
