Twentieth-century Fiction Peter Verdonk (ured.),Jean Jacques Weber,1995 By applying recent trends in literary and linguistic theory to a range of 20th Century fiction the contributors make new theoretical insights accessible to student readers An essential introduction to the subject

Mobile Home Megan Harlan,2020-09-15 Uprooting ourselves and putting down roots elsewhere has become second nature Americans are among the most mobile people on the planet moving house an average of nine times in adulthood *Mobile Home* explores one family s extreme and often international version of this common experience Inspired by Megan Harlan s globe wandering childhood during which she lived in seventeen homes across four continents ranging in location from the Alaskan tundra to a Colombian jungle a posh flat in London to a doublewide trailer near the Arabian Gulf *Mobile Home* maps the emotional structures and metaphysical geographies of home In ten interconnected essays Harlan examines cultural histories that include Bedouin nomadic traditions and modern life in wheeled mobile homes the psychology of motels and suburban tract housing and the lived meanings within the built landscapes of Manhattan Stonehenge and the Winchester Mystery House More personally she traces the family histories that drove her parents to seek so many new horizons and how those places shaped her upbringing Her mother viewed houses as a kind of large scale plastic art ever in need of renovating while her father was a natural adventurer and loved nothing more than to travel choosing a life of flight that also helped to mask his addiction to alcohol These familial experiences color Harlan s current journey as a mother attempting to shape a flourishing rooted world for her son Her memoir in essays skillfully explores the flexible continually inventive natures of place family and home

The Spell of the Sensuous David Abram,2012-10-17 Winner of the International Lannan Literary Award for Nonfiction Animal tracks word magic the speech of stones the power of letters and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us This major work of ecological philosophy startles the senses out of habitual ways of perception For a thousand generations human beings viewed themselves as part of the wider community of nature and they carried on active relationships not only with other people with other animals plants and natural objects including mountains rivers winds and weather patters that we have only lately come to think of as inanimate How then did humans come to sever their ancient reciprocity with the natural world What will it take for us to recover a sustaining relation with the breathing earth In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau Ponty Balinese shamanism Apache storytelling and his own experience as an accomplished sleight of hand of magician to reveal the subtle dependence of human cognition on the natural environment He explores the character of perception and excavates the sensual foundations of language which even at its most abstract echoes the calls and cries of the earth On every page of this lyrical work Abram weaves his arguments with a passion a precision and an intellectual daring that recall

such writers as Loren Eiseley Annie Dillard and Barry Lopez **Subtle Activism** David Nicol,2015-08-24 Explores whether consciousness based practices like meditation and prayer can contribute to social change Can awakened consciousness contribute to social change and if so how David Nicol introduces the concept of subtle activism to describe the use of consciousness based practices like meditation and prayer to support collective transformation such as global meditation directed toward peaceful resolution of a conflict Subtle activism represents a bridge between the consciousness movement and the movements for peace environmental sustainability and social justice It is not a substitute for physical action but rather a potentially crucial component of a more integrated approach to social change Although ancient lore is rife with tales of shamans and adepts intervening on spiritual levels for the benefit of humanity this book is the first comprehensive treatment of this topic Nicol grounds his consideration in the available scientific research and in dialogue with a broad range of thinkers in the fields of consciousness studies transpersonal theory and New Paradigm thought Many good books are published each year but important books are harder to come by One of the marks of a truly important book is that it challenges our deeply held convictions about what is real and what is possible in the world It opens new intellectual horizons by showing us previously hidden connections David Nicol s *Subtle Activism* is an important book a very important book from the Foreword by Christopher M Bache Once and Future Myths Phil Cousineau,2003-07-01 Drawing from classic myths a fascinating guide shows how people can obtain a deeper comprehension of work love creativity and spirituality by becoming aware of myths in everyday life and presents new accounts of such contemporary mythmakers as Jim Morrison and Vincent van Gogh explaining how these icons had a profound impact on history and culture 35 000 first printing Step Into Nature Patrice Vecchione,2015-03-31 The natural world has inspired artists seekers and thinkers for millennia but in recent times as the pace of life has sped up its demands have moved us in doors Yet nature s capacity to lead us to important truths to invigorate and restore our imagination and equilibrium is infinite Step Into Nature is a guide to make nature personal again to stimulate awareness and increase our understanding of the environment while inspiring readers to develop and strengthen their imaginations But being in nature doesn t mean flying off to remote faraway places Nature is as close as opening your front door the sky above the miniature gardens that insist their way up between the sidewalk cracks the river just down the road Patrice Vecchione shows readers how nature can support and enhance their own creative output invigorate their curiosity and restore their sense of connection to the earth Plus included in each chapter is The Cabinet of Curiosities exercises and suggestions for practical and unexpected ways that readers can stimulate their imaginations deepen their relationships with nature and experience the harmony between creativity and the natural world *Towards the Dignity of Difference?* Mojtaba Mahdavi,2016-02-24 The rise of popular social movements throughout the Middle East North Africa Europe and North America in 2011 challenged two hegemonic discourses of the post Cold War era Francis Fukuyama s *The End of History* and Samuel Huntington s *The Clash of Civilizations* The quest for genuine democracy and social justice and

the backlash against the neoliberal order is a common theme in the global mass protests in the West and the East This is no less than a discursive paradigm shift a new beginning to the history a move towards new alternatives to the status quo This book is about difference and dialogue it embraces The Dignity of Difference and promotes dialogue However it also demonstrates the limits of dialogue as a useful and universal approach for resolving conflicts particularly in cases involving asymmetric and unequal power relations The distinguished group of authors suggests in this volume that there is a third way of addressing global tensions one that rejects the extremes of both universalism and particularism This third way is a radical call for an epistemic shift in our understanding of us other and good evil a radical approach toward accommodating difference as well as embracing the plural concept of the good The authors strengthen their alternative approach with a practical policy guide by challenging existing policies that either exclude or assimilate other cultures that wage the constructed global war on terror and that impose a western neo liberal discourse on non western societies This important book will be essential reading for all those studying civilizations globalization foreign policy peace and security studies multiculturalism and ethnicity regionalism global governance and international political economy

Psychotherapy Under the Influence of Georges Bataille William Buse, 2021-04-05 This fascinating book applies social theorist Georges Bataille's revolutionary thinking to psychotherapy offering clinicians a new and valuable context for practicing therapy In adding Bataille's ideas to several different psychotherapeutic modalities this book makes the notoriously obscure thinker more accessible while testing the validity of his far reaching work in the treatment room Through an in depth examination of several clinical case studies the book demonstrates how to balance an understanding of the social and historical contexts of participants with a therapeutic approach that offers empathy for individual distress It also explains how Bataille's innovative approach can be applied to work with couples groups institutions and even one of Freud's classic case studies Both the content and form of each chapter demonstrate the therapeutic value of a reflexive critical approach to one's practice and exemplify how to write about it Offering an unprecedented opportunity to imagine how Bataille's own interest in psychoanalysis and clinical psychology might have developed this book will be of interest to both practitioners in the field and scholars of continental philosophy and social theory

Mind, Body, and Medicine Raphael N. Melmed, 2001-06-21 Writing from the unusual perspective of an internist who heads a behavioral medicine unit in a major academic medical center Raphael Melmed analyzes the mind body interplay from a physiological viewpoint while drawing on diverse disciplines to demonstrate in a well rounded way the scientific basis and clinical picture of psychosomatic disorders He provides a comprehensive analysis of how stress mediates psychosomatic conditions and for the first time a description of the physiological basis of the placebo response He also includes a unifying account of the effects of stress on the immune system consistent with the principles of modern immunology Among the medical disorders that he discusses in detail are ischemic heart disease diabetes mellitus migraine lower back pain other chronic pain syndromes irritable bowel syndrome chronic

fatigue syndrome and fibromyalgia He also covers important psychiatric conditions present in the medical clinic such as panic other anxiety disorders depression and post traumatic stress syndrome An analysis of the physiological principles underlying cognitive behavioral therapy helps define the essential elements of this widely used technique and many other chapters contain practical advice on treatment The book will be a rich original resource for physicians and mental health practitioners

The Way Is Made by Walking Arthur Paul Boers,2025-09-23 The Word Guild Canadian Christian Writing Awards Finalist Pilgrimage is a spiritual discipline not many consider Aren't the destinations far Don't they involve a lot of time and walking Just a few years ago Arthur Paul Boers wasn't thinking about pilgrimage either But he began to sense a deep call from God to walk the five hundred mile pilgrimage route known as Camino de Santiago ending in Santiago de Compostela Spain at a cathedral that is said to hold the relics of the apostle James In these pages he opens to us his incredible story of renewed spirituality springing from an old old path walked by millions before him It's a story of learning to pray in new ways embracing simplicity forming community living each day centered and focused depending on God to provide Joined by hundreds of others from all over the world Boers points the way to deeper intimacy with God a way made by walking in faith

Lake Garda Nick Ceramella,2013-11-13 Comes over one an absolute necessity to move This opening sentence of Sea and Sardinia 1921 is strikingly telling about D H Lawrence's life which can be considered both literally and metaphorically as a journey to the sun In this respect as the title of our symposium Lake Garda Gateway to D H Lawrence's Voyage to the Sun suggests he began his life long quest in Gargnano in 1912 This eponymous book draws together the papers presented at the Gargnano Symposium in 2012 to commemorate the centenary of the writer's stay in that paradise 3 September 1912 11 April 1913 The focus of our event was on Lawrence's sun search and travelling two thought provoking multifaceted topics for a sparkling critical debate expanding outside canonic criticism into music and painting This collection in fact comes with a CD featuring 12 songs poems by Lawrence put to music for soprano and piano by the American composer William Neil It also includes the reproduction of seven paintings from Via D H Lawrence out of a sequence of 25 in which the German painter Sabine Frank follows the writer's footsteps in the Garda area The result is a unique and stimulating book combining literature music and painting Thus it provides an invaluable enrichment for all of us meant to inspire intellectual confrontation and circulation of ideas in the domain of Laurentian studies This is the sort of book that any Laurentian reading either for academic purposes or pleasure cannot possibly miss

Music and Translation Lucile Desblache,2019-06-04 This book explores how transformations and translations shape musical meanings developments and the perception of music across cultures Starting with the concept of music as multimodal text the author understands translation as the process of transferring a text from one language verbal or not into another interlingually intralingually or intersemiotically as well as the products that are derived from this process She situates music and translation within their contemporary global context examining the tensions between local and global cosmopolitan and national and universal and

specific settings to arrive at a celebration of the translational power of music and an in depth study of how musical texts are translated This book will be of interest to translation studies scholars who want to broaden their horizons as well as to musicians and music scholars seeking to understand how cultural exchange and dissemination can be driven by translation

Travel Writing in Mongolia and Northern China, 1860-2020 Phillip Marzluf, 2025-10-01 Travel Writing in Mongolia and Northern China 1860 2020 invites readers to explore Mongolia as an important cultural space for Western travelers and their audiences over three historical eras Travelers have framed their experiences and observations through imaginative geographies and Orientalizing discourses fixing Mongolia as a peripheral timeless primitive and parochial place Readers can examine the travelers literary and rhetorical strategies as they make themselves more credible and authoritative and as they identify themselves with Mongolians and Mongolian culture or conversely distance themselves In this book readers can also approach travel writing from the perspective of women travelers Mongolian socialist intellectuals twenty first century travelers and a Han Chinese writer Jiang Rong who promotes cultural harmony yet anticipates the disappearance of Mongolian culture in China

Against the Seas Mary Soderstrom, 2023-02-28 An incredible read While unflinching in her analysis Soderstrom nevertheless gifts us with a message of hope and resilience MAUDE BARLOW activist and author of *Still Hopeful Lessons from a Lifetime of Activism* What can we learn about coping with rising sea levels from ancient times The scenario we are facing is scary within a few decades sea levels around the world may well rise by a metre or more as glaciers and ice caps melt due to climate change Large parts of our coastal cities will be flooded the basic outline of our world will be changed and torrential rains will present their own challenges But this is not the first time that people have had to cope with threatening waters because sea levels have been rising for thousands of years ever since the end of the last Ice Age Stories told by the Indigenous people in Australia and on the Pacific coast of North America and those found in the Bible and the Epic of Gilgamesh as well as Roman and Chinese histories all bear witness to just how traumatic these experiences were The responses to these challenges varied people adapted by building dikes canals and seawalls by resorting to prayer or magic and very often by moving out of the way of the rushing waters *Against the Seas* explores these stories as well as the various measures being taken today to combat rising waters focusing on five regions Indonesia Shanghai the Sundarbans of Bangladesh the Salish Sea and the estuary of the St Lawrence River What happened in the past and what is being tried today may help us in the future and if nothing else give us hope that we will survive

Harnessing the Wind Jan Erkert, 2003 Illustrated with abstract and imaginative photographs this is a philosophical guide for the dance field about the art of teaching modern dance Integrating somatic theories scientific research and contemporary aesthetic practices it asks the reader to reconsider how and why they teach
