*Hits, Heathens, and Hippos* Marty Essen, 2021-08-18 A thoroughly absorbing and inherently fascinating account of a most unusual life lived out in a series of equally unusual circumstances Midwest Book Review Everyone has dreams of what they want to accomplish in life Marty Essen s childhood dream of becoming a herpetologist gave way to his dream of becoming a popular DJ which led to his dream of becoming a big time talent manager which morphed into the dream of becoming an in demand author and college speaker While he achieved most of his dreams at various levels he also realized that he didn t necessarily have to reach the top to find success or happiness Sometimes almost is close enough *Hits Heathens and Hippos* Stories from an Agent Activist and Adventurer is a humorous and inspirational memoir that explores relationships and careers and how seemingly minor events can lead to life changing results Compelling stories have filled Marty s life and he tells those stories in a conversational style that combines his talents as an award winning author with his talents as the creator of a one man stage show that he has performed at hundreds of colleges across the United States This is a must read for anyone faced with an unexpected career change worried about finding and keeping the partner of their dreams forced to take on bullies whether individual political or corporate eager for ideas to make life more satisfying or just in search of a fun filled adventure Marty s stories include Growing up with an over the top born again Christian father who prayed aloud in restaurants thought Satan possessed his Masonic lodge watch and attempted to faith heal his old Toyota Becoming the youngest disc jockey in Minnesota history where he survived an on air attack from a jealous DJ and learned that rock n roll and country radio stations have vastly different groupies Running multiple music talent agencies and becoming one of the top young talent managers in America Telling the best lie ever to reel in and marry an amazing woman that the media would later dub as his intrepid wife Moving to Montana where he founded one of the state s fastest growing independent telephone companies and an unusual baseball league with pro prospects and out of control players Surviving as an outspoken liberal in the most conservative region of Montana and dealing with the death threats and dirty tricks that came with it Heartwarming and humorous stories from his relationships with musicians governors senators and a very special Democratic nominee for President of the United States Traveling to all seven continents in search of rare and interesting wildlife backpacking with a tribe known for headhunting and surviving a vicious hippo attack Be inspired intrigued and entertained Reviews *Hits Heathens and Hippos* proves life is mostly luck and a little timing with many laughs along the way Marty Essen has demonstrated that life is what you do while you decide what you are going to be when you

grow up This is a great book about a life of ventures friends and a few lessons about winning and losing Governor Brian Schweitzer Democrat Montana 2005 2013 What I like about this book is the personal style Essen writes with You really get a sense of his personality sense of humor and the way he thinks It s a fun clever way of discussing the world of work and relationships more memoir than self help yet the advice is there dramatized His talent for storytelling gives you the feeling you re in an audience listening to him You ll find yourself amused shocked and touched One of the best stories is about the hippo attack but you ll have to read the book to get the details For an entertaining read that would make a great movie or documentary pick up your copy of Hits Heathens and Hippos Stories from an Agent Activist and Adventurer by Marty Essen Tammy Ruggles for Readers Favorite Book Reviews A thoroughly absorbing and inherently fascinating account of a most unusual life lived out in a series of equally unusual circumstances Midwest Book Review Marty Essen s latest book Hits Heathens and Hippos which includes a funny story from my days working with his talent agency really drew me in His descriptions of our old Minneapolis stomping grounds and our mutual hometown of Duluth brought back a lot of forgotten memories and it was a pleasure to delve into his recollections through his colorful storytelling Even if you re not in the music business Marty s stories will fascinate you Phil Solem The Rembrandts These days it s imperative to be reminded that one s dreams can still be made manifest through a combination of fortitude aptitude and a good humored willingness to fail miserably Marty Essen s aptly titled new book Hits Heathens and Hippos is a glorious romp through the pathos triumph and sheer absurdity of a small scale rock and roll universe one that nonetheless has all the trimmings of the big one Peter Himmelman musician Marty Essen s book Hits Heathens and Hippos takes you on a comedy journey that never ends It s a wicked funny ride And I know funny Karen Pickering comedian Renaissance man Marty Essen takes us on a journey through his life s many adventures in Hits Heathens and Hippos From his days working in radio as Minnesota s youngest DJ to his time as agent manager in the music world his ownership of an amateur baseball league yes baseball league and telecommunications company world traveler award winning nature author progressive political activist in rural Montana and public speaker Hits Heathens and Hippos is entertaining funny and evocative Oh and tell Deb her Fairchild backdrop is in my garage waiting for the reunion tour to be booked by Marty Brian Kinney Fairchild With thought provoking explorations into making peace with family members who adhere to differing religious values tales of his time as a talent agent and escapades with gigantic rainforest monitor lizards there is much to enjoy in Marty Essen s memoir Hits Heathens and Hippos Stories from an Agent Activist and Adventurer a 4 5 starred IndieReader Approved title reviewed by C S Holmes     **The Giant Squid in Transatlantic Culture** Otto Latva,2023-09-30 This book builds upon the extensive study of the historical relationship between sea animals and humans in transatlantic culture during the eighteenth and nineteenth centuries It exposes the present understanding of the human relationship with the giant squid not only as too simplistic but also as historically inaccurate For instance it redefines the earlier understanding that humans and especially seafarers have

understood giant squid as horror evoking and ugly creatures since the dawn of history and explains the origins of mythical sea monsters such as the Kraken The book is however more than a critical response to previous work It will point out that animals such as cephalopods which have largely been defined in biological contexts in recent times have a fascinating and multivariate past entangled with the history of humans in many remarkable ways Hence this book is not just about perceptions of giant sized squid or cephalopods but a historical inquiry into the transatlantic culture from the late eighteenth century to the turn of the twentieth century It will provide new knowledge about the history of mollusc studies seafaring culture and more broadly of the relationship between humans and animals during the period

### **When Animals Dream**

David M. Peña-Guzmán, 2023-09-26 A spellbinding look at the philosophical and moral implications of animal dreaming Are humans the only dreamers on Earth What goes on in the minds of animals when they sleep When Animals Dream brings together behavioral and neuroscientific research on animal sleep with philosophical theories of dreaming It shows that dreams provide an invaluable window into the cognitive and emotional lives of nonhuman animals giving us access to a seemingly inaccessible realm of animal experience David Peña-Guzmán uncovers evidence of animal dreaming throughout the scientific literature suggesting that many animals run reality simulations while asleep with a dream ego moving through a dynamic and coherent dreamscape He builds a convincing case for animals as conscious beings and examines the thorny scientific philosophical and ethical questions it raises Once we accept that animals dream we incur a host of moral obligations and have no choice but to rethink our views about who animals are and the interior lives they lead A mesmerizing journey into the otherworldly domain of nonhuman consciousness When Animals Dream carries profound implications for contemporary debates about animal cognition animal ethics and animal rights challenging us to regard animals as beings who matter and for whom things matter

### **The Unconscious Roots of Creativity**

Kathryn Madden, 2016-10-27 From whence spring the sparks of creativity It is to this very question that the field of depth psychology especially that of C G Jung and his intellectual descendants has much to contribute Just as the Muses were the offspring of Mnemosyne the goddess of memory our memories are the ancestors of our creativity that finds its multifaceted expression in the written word image theater dance and music The Unconscious Roots of Creativity seeks to push the investigation into that domain of memory that is beyond our conscious reach With articles from 16 contributors the red thread running through each of the offerings in this volume is that whatever its ultimate expression the creative impulse has its roots deep in the psyche Edited By Kathryn Madden with articles by Linda Carter Anna Maria Costantino Carol Thayer Cox Leonard Cruz Lisa Raye Garlock James Hollis Naomi Ruth Lowinsky Ian Livingston Kathryn Madden Jordan S Potash Susan Rowland Murray Stein Ann Ulanov Tjeu van den Berk Robin van Loben Sels and Heidi S Volf

### **What Is a Human?**

James Paul Gee, 2020-09-17 In a sweeping synthesis of new research in a number of different disciplines this book argues that we humans are not who we think we are As he explores the interconnections between cutting edge work in bioanthropology evolutionary biology neuroscience human

language and learning and beyond James Paul Gee advances also a personal philosophy of language learning and culture informed by his decades of work across linguistics and the social sciences Gee argues that our schools institutions legal systems and societies are designed for creatures that do not exist thus resulting in multiple interacting crises such as climate change failing institutions and the rise of nationalist nationalism As Gee constructs an understanding of the human that takes into account our social collective and historical nature as established by recent research he inspires readers to reflect for themselves on the very question of who we are a key consideration for anyone interested in society government schools health activism culture and diversity or even just survival

### **A Personalist Philosophy of History** Bennett

Gilbert,2019-01-15 Historical study has traditionally been built around the placement of the human at the center of inquiry The de stabilized concepts of the human in contemporary thought challenge this configuration However the ways in which these challenges provoke new historical perspectives both expand and enrich historical study but are also weak and vulnerable in their concept of the human lacking or omitting something valuable in our self understanding A Personalist Philosophy of History argues for a robust concept of personhood in our experience of the past as a way to resolve this conflict Focused on those who know history rather than on the abstract properties of knowledge it extends the moral agency of persons into non human trans human and deep history domains It describes an approach to moral life through historical experience and study rather than through abstractions And it describes a kind of historiography that matches factual accuracy to both the constructed nature of understanding and to unavoidable moral purpose
