The End of Our Exploring Matthew Lee Anderson,2013-06-21 Do we know what it means to question well We need not fear questions but by the grace of God we have the safety and security to rush headlong

into them and find ourselves better for it on the other side Faith isn't the sort of thing that will endure as long as our eyes are closed The opposite is the case Faith helps us see and that means not shrinking from the ambiguities and the difficulties that provoke our most profound questions In our embrace of questioning we must learn to question well In our uncertainty we must not give up the task of walking worthy of the calling that Christ has placed upon us For we have not yet reached the end of our exploring This book is written to aid you in faithfully questioning your foundations **What the Bible Says**

about the Dangers of Self-Deception Joseph K. Pak, 2024-10-17 How do people know if they are deceiving themselves Self deception is something everyone practices to one degree or another and it is closely related to other deception deceiving other people and Satan's deception as the father of lies John 8:44 How dangerous is self deception It can cost people their eternal destiny if they are deceiving themselves about their salvation Self deception has been a topic of keen interest among philosophers theologians and psychologists and is also a significant theme in the Bible This book first introduces what the fields of philosophy theology and psychology say about self deception and then examines many Bible passages that address the topic of self deception to gain a biblical understanding of what it is and how to prevent it **Orphan Justice** Johnny Carr, Laura Captari, 2013-03-01 Christians are clearly called to care for orphans a group so close to the heart of Jesus In reality most of the 153 million orphaned and vulnerable children in the world do not need to be adopted and not everyone needs to become an adoptive parent However there are other very important ways to help beyond adoption Indeed caring for orphaned and vulnerable children requires us to care about related issues from child trafficking and HIV AIDS to racism and poverty Too often we only discuss or theologize the issues relegating the responsibility to governments No one can do everything but everyone can do something Based on his own personal journey toward pure religion Johnny Carr moves readers from talking about global orphan care to actually doing something about it in Orphan Justice Combining biblical truth with the latest research this inspiring book investigates the orphan care and adoption movement in the U S today examines new data on the needs of orphaned and vulnerable children connects liberal issues together as critical aspects of orphan care discovers the role of the church worldwide in meeting these needs develops a tangible sustainable action plan using worldwide partnerships fleshes out the why what and how of global orphan care offers practical steps to getting involved and making a difference *For the Least of These* Zondervan, 2015-04-21 Today many thoughtful and compassionate Christians are addressing the challenge of alleviating poverty But while much progress has been made many well intentioned efforts have led Christians to actions that are not only ineffective but leave the most vulnerable in a worse situation than before Is there a better answer Combining biblical exegesis with proven economic principles *For the Least of These* A Biblical Answer to Poverty equips Christians with both a solid biblical and economic understanding of how best to care for the poor and foster sustainable economic development With contributions from fifteen leading Christian economists theologians historians and practitioners it presents the case for why a multi faceted approach is needed and why a renewed

focus on markets and trade are the world's best hope for alleviating poverty and serving those in financial need

Practicing the Ordinary Supernatural Presence of God John Jefferson Davis, 2021-09-30 Growing in our ability to have a conscious awareness of God's presence with us in the midst of our busy and over-stimulated world is a key to our spiritual health and emotional well-being. Practicing the Ordinary Supernatural Presence of God helps us to do exactly that by enriching our devotional lives with a richer and deeper biblical theology based on key biblical texts such as Acts 2, John 17 and Matthew 28 and crucial biblical doctrines such as the Trinity, Union with Christ and the Holy Spirit. *KEEP ON DOING GOOD* GODSWORD GODSWILL ONU, 2015-03-27 It is one thing to do good and it is another thing to keep on doing good. God does good and He keeps on doing good even to sinners and unbelievers. For instance, He sends His rain and sun to all, both to the righteous and the unrighteous. The Bible tells us to be imitators of God. Eph 5:1 We are to imitate God in love and in doing good. Sometimes, due to people's reactions and attitudes to the good which we have done to them, we are tempted to stop doing good to them. But if God stops doing good to us because of ingratitude, unbelief, sin and unfaithfulness, where would we be? We are to do good and keep on doing good not because of people's gratitude but because we love them and are commanded by God to keep on doing good. Let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the Household of Faith. Gal 6:9-10

Spiritual Intelligence Adriano Leonel, 2025-10-13 Spiritual Intelligence. There are books that inform. There are books that inspire. But there are works that ignite the fire of the soul and awaken the dormant spirit. This is one of those books. Spiritual Intelligence is a sweeping journey that leads the reader from the darkness of doubt to the light of God's presence. Page after page, you will be confronted, shaped, and renewed. This book isn't just about faith; it teaches how to live by faith, how to hear the voice of the Holy Spirit amid the chaos of the modern world, and how to develop a mind and heart aligned with divine purpose. With profound reflections, powerful biblical examples, and engaging language, the author guides us through themes that touch the depths of the soul: The mind of Christ and the power of humility. The inner war between flesh and Spirit. The silence of God and the value of perseverance. The power of obedience and the strength of holiness. The fruit of the Spirit as a sign of spiritual maturity. Eternity promised to those who persevere to the end. Each chapter is an invitation to transformation, not only to understand the Kingdom but to live as its citizens. This book is a spiritual compass for times of confusion, a torch that illuminates the dark valleys of the soul, and a bridge between the human heart and heaven. If you are tired of superficial faith and desire a life truly guided by the Spirit, this work is your calling. Prepare to weep, reflect, be broken, and above all, be spiritually reborn. More than a book, a divine experience. Read, live, and discover the power of true Spiritual Intelligence.

A Commentary on the Epistle to the Galatians James A. Fowler, 2011-02-24 Sometime after Paul had departed from the cities of Galatia, some other teachers arrived with a modified belief system that inculcated adherence to the Judaic Law of the old covenant. It is difficult to reconstruct the precise identity of these interlopers, but it is obvious that

they were advocating the necessity of religious observances 4 10 as well as male circumcision 5 2 6 12 and attempting to seduce these new Christians into legalistic old covenant concepts 3 2 4 21 The author believes that Galatianism is pervasive and prevalent in the churches today as religious legalists have duped Christians with the didactic declarations of how to Christian religion in prescribed procedures formulas techniques and duties which allegedly determine the distinguishing marks of a true disciple The Church today is in dire need of the message of grace and liberty
