CAN FAITH IN GOD BECOME INSULT TO GOD? K.D. THOMAS,2014-01-01 You intend to honour and glorify God but very often end up in denigrating and insulting God Your faith says that God is totally just and upright but you try to bribe God by offering all sorts of gifts Your faith says that God knows everything including the past the present and the future and even your innermost secret thoughts and desires and what is best for a person yet you request God what He should do when where and how Your faith says that God is absolute love yet you think that whatever that happen in your life and the world like wars accidents natural calamities terrorism communal violence sickness murder and rape happen according to some mysterious plan of God Your faith says that God is a totally free and impartial judge and umpire but you try to influence and manipulate Him by your prayers vows pilgrimages and penances Your faith says that God is absolutely compassionate and merciful and yet you think that God may punish you and take revenge on you if you do not pray for His help Your faith says that God is an all perfect personality who lacks nothing but some of your faith practices depict God as an egoistic and insecure person who constantly seeks praise gratitude adoration and glorification from believers

The Radheshyam Ramayan in Text and Performance Pamela Lothspeich,2025-07-29 A new Ramayan for a new age In the early twentieth century the poet and singer storyteller Pandit Radheshyam Kathavachak reimagined and published the classic story of the Ramayan with stunning success Guided by Tulsidas s sixteenth century R mcaritm nasin Avadhi Kathavachak composed his religious epic the Radheshyam Ramayan in Hindi Urdu to make it comprehensible to modern audiences and to be able to sing and explicate it in devotional concerts kath Even so the work was quickly incorporated into the scripts of annual Ramlila theatrical productions in the Rohilkhand region and beyond Based on extensive literary archival and ethnographic research The Radheshyam Ramayan in Text and Performancetakes readers on a journey through Kathavachak s hometown of Bareilly and his cosmopolitan world of Hindi letters and performance The book demonstrates how Kathavachak s Ramayan a purported translation departs significantly from Tulsidas s famous Ramayan and includes personal vignettes of actors who have declaimed Kathavachak s verses on a Ramlila stage in Bareilly While Kathavachak is primarily known for his mythological plays and contributions to the commercial theatre The Radheshyam Ramayan in Text and Performance reveals other aspects of Kathavachak s world illustrating how he left an indelible mark on India s distinctive epic modernity

Genre Fiction of New India E. Dawson Varughese,2016-09-01 This book investigates fiction in English written within and published from India since 2000 in the genre of mythology inspired fiction in doing so it introduces the term Bharati Fantasy This volume is anchored in notions of the weird and thus some time is spent understanding this term linguistically historically wyrd as well as philosophically and most significantly socio culturally because reception is a key

theme to this book's thesis. The book studies the interface of science, Hinduism, and itihasa, a term often translated as history within mythology-inspired fiction in English from India, and these are specifically examined through the lens of two overarching interests: reader reception and the genre of weird fiction. The book considers Indian and non-Indian receptions to the body of mythology-inspired fiction, highlighting how English fiction from India has moved away from being identified as the traditional Indian postcolonial text. Furthermore, the book reveals broader findings in relation to identity and Indianness and India's post-millennial society's interest in portraying and projecting ideas of India through its ancient cultures, epic narratives, and cultural Hindu figures.

Ramayan R.K. Mutatkar, 2023-01-01. The book offers an anthropological perspective about the eternal values of Truth and Dharma as the Soul of Indian Civilization personified by Sri Ramchandra. Satyamev Jayate is the destination of this Soul inscribed on the National Emblem of India, the Lion Capital of Ashoka from Sarnath. The book is inspired by the unwavering faith of the people of India about an ideal human personality. Sri Ram Tagore identified him as the human rising to the level of Divinity, and Gandhi visualized India as Ram Rajya. Ramayan is about the empowered Sita whose high moral stature and fearless demeanour wrecked the ego of Ravan. The architectural marvels of monuments and temples in India and South East Asia, art, dance, drama, music, and literature across the country indicate Indian Soul visible in various forms. This Indian anthropological book attempts to analyse Indian civilization through the perspectives of common people about Ramayan as the fountain head of Indian spiritual values permeating through the history and geography of India. The book hopes to provide an agenda to Indian Anthropology to study Indian Civilization as the trunk of a Banyan tree with multiple cultures as the branches taking firm roots in the soil.
