s Wimbledon victory in 2013 This book tells the story of this unique undertaking from its original conception and creation by teams of dedicated stitchers to its grand unveiling at the Scottish Parliament in 2013 its subsequent touring and the creation of its permanent home in the Scottish Borders The Reivers Alistair Moffat,2011-07-01 An exciting and dramatic history of the raiders who ruled the lawless Anglo Scottish borderlands for over a century Cumberland News Nowhere else in Britain in the modern era or indeed in Europe did civil order break down over such a wide area or for such a long time as on the border country between Scotland and England For more than a century the hoofbeats of countless raiding parties drummed over the border From Dumfriesshire to the high wastes of East Cumbria from Roxburghshire to Redesdale from the lonely valley of Liddesdale to the fortress city of Carlisle swords and spears spoke while the law remained silent Fierce family loyalty counted for everything while the rules of nationality counted for nothing The whole range of the Cheviot Hills its watershed ridges and the river valleys that flowed out of them became the landscape of larceny while Maxwells Grahams Fenwicks Carletons Armstrongs and Elliots rode hard and often for plunder These were the Riding Times and in modern European history they have no parallel This book tells the remarkable story of the Reivers and how they made the Borders Hawick Alistair Moffat,2014-03-06 This local history tells the centuries long story of a Scottish Borders town through its battles traditions and transformations from prehistory to today Hawick Scotland is famous for its annual Common Riding festival an equestrian tradition that traces its roots to the 16th century Battle of Hornshole But in this lively history Alistair Moffat takes the narrative much further back into the mists of prehistory to the time of the Romans the coming of the Angles and the Normans Moffat recounts how Hawick got its name where the old village stood and who the early barons of Hawick were He then charts the amazing rise of the textile trade bringing the story up to the present day Hawick has changed radically over the many centuries since people began to live between the Slitrig and the Teviot All that experience in one place has created a rich cultural heritage one which the people of Hawick proudly carry into the future **National Medievalism in the Twenty-first Century** Matthias D. Berger,2023 How ideas and ideals of an imagined protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why After a period of abeyance the link forged in the nineteenth century between the Middle Ages and national identity is increasingly being reclaimed with numerous groups and individuals mining an imagined medieval past to present ideas and ideals of modern nationhood Today s national medievalism asserts itself at the interface of culture and politics in literature and television programming in journalism and heritage tourism and in the way political actors of various stripes use a deep past that supposedly proves the nation s steady exceptionalism in a hectic globalised world This book traces these ongoing developments in Switzerland and Britain two countries where the medieval past has recently been much invoked in negotiations of national identity independence and Euroscepticism Through comparative analysis it explores examples of reemerging stories of national exceptionalism stories that ironically echo those of other nations The author analyses

depictions of Robert the Bruce and Wilhelm Tell medievalism in the discourse surrounding Brexit as well as at the Welsh Senedd novels like Paul Kingsnorth's *The Wake* community based art such as the Great Tapestry of Scotland and elaborate public commemorations of Swiss victories and defeats in battle Basing his critical readings in current theories of cultural memory heritage and nationalism the author explores how the protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why

The Wall Alistair Moffat, 2012-07-30 A compelling thought provoking and entertaining history of Hadrian's Wall one of Britain's most intriguing landmarks Herald Hadrian's Wall is the largest and one of the most enigmatic historical monuments in Britain Nothing else approaches its vast scale a land wall running seventy three miles from east to west and a sea wall stretching at least twenty six miles down the Cumbrian coast Many of its forts are as large as Britain's most formidable medieval castles and the wide ditch dug to the south of the Wall the vallum is larger than any surviving prehistoric earthwork Built in a ten year period by more than thirty thousand soldiers and laborers at the behest of an extraordinary emperor the Wall consisted of more than twenty four million stones giving it a mass greater than all the Egyptian pyramids put together At least a million people visit Hadrian's Wall each year and it has been designated a World Heritage Site In this book based on literary and historical sources as well as the latest archaeological research Alistair Moffat considers who built the Wall how it was built why it was built and how it affected the native peoples who lived in its mighty shadow The result is a unique and fascinating insight into one of the wonders of the ancient world Wonderfully entertaining The Independent

Culture, Democracy and the Right to Make Art Alison Jeffers, Gerri Moriarty, 2017-06-15 Based on the words and experiences of the people involved this book tells the story of the community arts movement in the UK and through a series of essays assesses its influence on present day participatory arts practices Part I offers the first comprehensive account of the movement its history rationale and modes of working in England Northern Ireland Scotland and Wales Part II brings the work up to the present through a scholarly assessment of its influence on contemporary practice that considers the role of technologies and networks training funding commissioning and curating socially engaged art today The community arts movement was a well known but little understood and largely undocumented creative revolution that began as part of the counter cultural scene in

the late 1960s A wide range of art forms were developed including large processions with floats and giant puppets shadow puppet shows murals and public art events on adventure playgrounds and play schemes outdoor events and fireshows By the middle of the 1980s community arts had changed and diversified to the point where its fragmentation meant that it could no longer be seen as a coherent movement Interviews with the early pioneers provide a unique insight into the arts practices of the time Culture Democracy and the Right to Make Art is not simply a history because the legacy and influence of the community arts movement can be seen in a huge range of diverse locations today Anyone who has ever encountered a community festival or educational project in a gallery or museum or visited a local arts centre could be said to be part of the on going story of the community arts

Writing History 7-11 Hilary Cooper, 2014-06-05 Writing History 7 11 supports students and primary teachers helping them to explore ways in which activities involving the talk that underpins historical enquiry can be developed into reading and exciting extended reflective writing The step that teachers and pupils take from talk for learning to talk for writing is a vital one In this book the authors argue that all aspects of historical enquiry leading to writing involve discussion and dialogue which permeate every aspect of doing history From this perspective they set out a theoretical framework for understanding the role of talk and reading in developing pupils critical thinking and confident reflective writing then demonstrate through a series of case studies in which teachers university lecturers and pupils work together how the theory is put into practice in the classroom Themes include How to support children in writing in a variety of interesting genres How to make links between the National Curriculum 2013 for History and for English How to plan for breadth and depth studies in the new National Curriculum How activities in History 5 11 can be developed into exciting extended writing The second half of the book draws upon case studies from a number of real primary classrooms with children of different ages Each case study shows how teaching was planned to develop children s confidence and enjoyment in discussion and to scaffold reasoned written explanation and argument Topics presented are all relevant to the new curriculum framework and include talking and reading about Time change and significance over 6000 years writing a television script Celtic Britain and the Roman Army writing a travel brochure about Celtic Britain The destruction of Roman towns writing a Saxon poem An archaeological investigation of a body in a Danish peat bog writing a newspaper report Did any countries benefit from WW11 writing an argued viewpoint The expansion westwards of European settlers writing a flap book exploring different perspectives This indispensable book provides not only sources for pupils to use in their writing but also models and exemplars of different styles and voices to draw upon

Britain's Last Frontier Alistair Moffat, 2012-11-15 A Scottish historian travels along the cultural and geographical border of the Highlands in this seductive travelogue Scottish Field Running from the northeast to the southwest of Scotland the Highland Line is the most profound internal boundary in Britain First recognized by the Roman general Agricola in the first century AD it divides the country in many senses signaling the border between Highland and Lowland Celtic and English speaking crofting and farming In Britain

s Last Frontier Alistair Moffat makes a journey of the imagination tracing the route of the Line from the River Clyde through Perthshire and the North east In addition to exploring the huge importance of the Line over almost two thousand years he also shows how it continues to influence life and attitudes in 21st century Scotland The result is a fascinating book full of history and anecdote Arthur and the Lost Kingdoms Alistair Moffat,2012-11-01 The Holy Grail the kingdom of Camelot The Knights of the Round Table and the magical sword Excalibur are all key ingredients of the legends surrounding King Arthur But who was he really where did he come from and how much of what we read about him in stories that date back to the Dark Ages is true So far historians have failed to show that King Arthur really existed at all for a good reason they have been looking in the wrong place In this fascinating and thought provoking book Alistair Moffat shatters all existing assumptions about Britain s most enigmatic hero With reference to literary sources and historical documents to archaeology and the ancient names of rivers hills and forts he strips away a thousand years of myth to unveil the real King Arthur And in doing so he solves one of the greatest riddles of them all the site of Camelot itself *Britain's History and Memory of Transatlantic Slavery* Katie Donington,Ryan Hanley,Jessica Moody,2016 This collection brings together local case studies of Britain s history and memory of transatlantic slavery and abolition including the role of individuals and families regional identity narratives sites of memory and forgetting and the financial architectural and social legacies of slave ownership

The Faded Map Alistair Moffat,2011-05-23 In this modern age the regional and national boundaries which define Scotland seem fixed and permanent But of course this has not always been so In this book Alistair Moffat looks at the shifting political shape of the land long before its modern borders were created In doing so he brings to vivid life the half forgotten kingdoms that came and went during Roman times the Dark Ages and the early medieval period This is a fascinating journey into a tantalisingly little known period of our history yet one which is crucial to our understanding of who we are and where we came from Moffat s tireless reasearch and commanding knowledge bring these forgotten peoples to life Scottish Field

The Everyday Artefacts of World Politics Caitlin Hamilton,2021-09-23 This book examines everyday artefacts of world politics the things that everyday people make that tell stories about how the world works The author argues that people engage in a unique form of multimodal storytelling about the world their place in the world and the world they want to live in through the artefacts that they make Introducing a novel approach to artefactual analysis the book explores textiles jewellery and pottery and urges scholars of global politics to take these artefacts seriously Based on original research this book is inherently interdisciplinary drawing on concepts and approaches from across the humanities and social sciences including archaeology history sociology world politics anthropology and material studies It will therefore be of interest to a wide range of readers **Threads of Life** Clare Hunter,2019-10-15 This globe spanning history of sewing and embroidery culture and protest is an astonishing feat richly textured and moving The Sunday Times UK In 1970s Argentina mothers marched in headscarves embroidered with the names of their disappeared children In Tudor England when Mary Queen of Scots was

under house arrest her needlework carried her messages to the outside world From the political propaganda of the Bayeux Tapestry World War I soldiers coping with PTSD and the maps sewn by schoolgirls in the New World to the AIDS quilt Among story clothes and pink pussyhats women and men have used the language of sewing to make their voices heard even in the most desperate of circumstances Threads of Life is a chronicle of identity memory power and politics told through the stories of needlework Clare Hunter master of the craft threads her own narrative as she takes us over centuries and across continents from medieval France to contemporary Mexico and the United States and from a POW camp in Singapore to a family attic in Scotland to celebrate the universal beauty and power of sewing The Great Tapestry of Scotland Great Tapestry of Scotland (Project),2012 **The Sea Kingdoms** Alistair Moffat,2011-08-12 The most powerful representation yet of the race which has repeatedly changed history as we know it The Scotsman Alistair Moffat s journey from the Scottish islands and Scotland to the English coast Wales Cornwall and Ireland ignores national boundaries to reveal the rich fabric of culture and history of Celtic Britain which still survives today This is a vividly told dramatic and enlightening account of the oral history legends and battles of a people whose past stretches back many hundred of years The Sea Kingdoms is a story of great tragedies ancient myths and spectacular beauty **Cultural Marketing and Metaverse for Consumer Engagement** Singh, Amandeep,Sharma, Sandhir,Singh, Amrinder,Unanoglu, Murat,Taneja, Sanjay,2023-04-07 People have cultural boundaries Their thinking and decisions are affected by their cultural values and norms Marketers implant cultural values and standards in advertisements where consumers can relate to the characters in the advertisements To design a cultural marketing advertisement it is critical to pay attention to what is going on in the culture and anticipate what issues will hold in the future Cultural Marketing and Metaverse for Consumer Engagement highlights the importance of cultural marketing discusses how consumer beliefs are built and affected by cultural marketing and considers how culture acts as a base for the marketing ecosystem Covering key topics such as the digital era religion marketing and consumer behavior this premier reference source is ideal for marketers business owners managers researchers scholars academicians practitioners instructors and students
