The Story Of The Chestnut Canoe:

The Story of the Chestnut Canoe Kenneth Solway,1997-01-01 The Chestnut Canoe Company began in Fredericton New Brunswick in 1897 and its impact was unequaled on the development of recreational canoeing and the canoe itself Photos and images from the famed catalogues illustrate this intriguing Maritime story **When the Chestnut was in Flower** Roger MacGregor,1999 **The Willits Brothers and Their Canoes** Patrick F. Chapman,2006-05-25 For half a century Earl and Floyd Willits built some of the world s finest canoes first near Artondale Washington then on Day Island right off of Puget Sound in Tacoma Turning out approximately twenty canoes a year carefully logging and numbering each one the brothers emphasized quality and design rather than volume Willits Brothers Canoe Company earned a reputation that enabled the tiny company to compete successfully with businesses much larger leaving a name and legacy which is still admired by canoe aficionados today Carefully researched and documented this combination biography and company history tells the story of Earl and Floyd Willits and their unique canoe company Beginning with their family s westward migration from Illinois it follows the brothers as they set about starting the business that would become their lifelong work Close attention is given to the Willitses business management and construction techniques as well as their personal lives Interviews with surviving contemporaries and family members add a personal dimension to the Willitses story Appendices include a detailed company logbook instructions from the Willits brothers on various areas of canoe use and maintenance a price list of canoes from 1928 to 1964 and a list of serial numbers and dates of manufacture In addition a price comparison with the Old Town Canoe Company a listing of museums exhibiting a Willits Brothers canoe two Willits Brothers Canoe company catalogs and various plans of Willits canoes are provided Contemporary photographs from the Willits family collection are also included *The Canoeist's Catalog* William F. and even heal Dozens of stories of colourful passionate people who have contributed to the province s canoe culture Canoe Crossings will appeal to anyone who has ever sought adventure found solace or seen beauty in a canoe or wondered about the origins of its design Provided by publisher The Chestnut Canoes Chestnut Canoe Co,1908 **Canoe Country** Roy MacGregor,2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it Algonquin Voices - Selected Stories of Canoe Lake Women Gaye I. Clemson,2007-02-26 Since 1917 much has been written about the life and death of artist Tom Thomson on Canoe Lake in Ontario s Algonquin Park Thomson was a major influence on the Group of Seven but until now little has been known about the women whose lives he touched Annie Fraser proprietress of Mowat Lodge who likely knew a lot more than she ever let on Louisa Blecher mother of Martin Blecher the man who was silently accused of playing a hand in Thomson s death Molly Colson owner of the Algonquin Hotel where Tom was last seen and the elusive Winnifred Trainor Thomson s alleged love interest After years of painstaking research Gaye I Clemson s ALGONQUIN VOICES brings to life the lives of these and many other courageous women who have lived and loved on the shores of Algonquin Park s famous Canoe Lake since 1905 In 1997 I got inspired to trace and record the settlement history of all of my Canoe Lake neighbours Clemson a 48 year resident of Canoe Lake explains In the process I discovered a treasure trove of family stories about the lives of women pioneers business owners children s camp leaders and independent spirits from all walks of life who were captivated by the lake s haunted history and beauty and chose to settle on Canoe Lake some with husbands and children and others without Beginning in the early 1900 s ALGONQUIN VOICES tells in words and pictures the stories of over 20 pioneers business women children s camp leaders and independent spirits who chose to make Canoe Lake their summer and in some cases year round home It shares their life and settlement history artistic and professional endeavours family traditions and summer amusements including first hand insight as to how they coped and in some cases earned a living with the challenges of day to day living without city conveniences miles from civilization deep in the heart of one of North America s most well known parks It makes an important contribution in helping 21st C young women understand better what life was like for their grandmothers and great grandmothers 100 years ago and get in touch with their collective feminist roots that are so easily forgotten in the hustle and bustle of our modern lives

Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource **Canadian**

Motor Boat, 1922 **Blanket Toss Under Midnight Sun** Paul Seesequasis, 2019-10-22 A revelatory portrait of eight Indigenous communities from across North America shown through never before published archival photographs a gorgeous extension of Paul Seesequasis's popular social media project In 2015 writer and journalist Paul Seesequasis found himself grappling with the devastating findings of Canada's Truth and Reconciliation Commission report on the residential school system He sought understanding and inspiration in the stories of his mother herself a residential school survivor Gradually Paul realized that another mostly untold history existed alongside the official one that of how Indigenous peoples and communities had held together during even the most difficult times He embarked on a social media project to collect archival photos capturing everyday life in First Nations Metis and Inuit communities from the 1920s through the 1970s As he scoured archives and libraries Paul uncovered a trove of candid images and began to post these on social media where they sparked an extraordinary reaction Friends and relatives of the individuals in the photographs commented online and through this dialogue rich histories came to light for the first time Blanket Toss Under Midnight Sun collects some of the most arresting images and stories from Paul's project While many of the photographs live in public archives most have never been shown to the people in the communities they represent As such Blanket Toss is not only an invaluable historical record it is a meaningful act of reclamation showing the ongoing resilience of Indigenous communities past present and future

Technology, Disease and Colonial Conquests, Sixteenth to Eighteenth Centuries George Raudzens, 2022-10-04 The eight essays in this study reassess evidence about the plausibility of the widely accepted guns and germs theories which put forward firepower advantages and inadvertent disease importation as the two main causes of European imperial expansion overseas during the sixteenth seventeenth and eighteenth centuries All argue that these theories are important but oversimplified The effectiveness of firepower and disease impacts on specific groups of New World indigenes were always conditioned by time place and cultural characteristics Long range communication control was sometimes more important Above all motives driving invasions and conquests were often more influential than means and methodologies This
