The Story Of The Greek People:

The Story of the Greek People Eva March Tappan,2015-04-24 This early work by Eva March Tappan was originally published in 1908 and we are now republishing it with a brand new introductory biography The Story of the Greek People is an educational children s book that details the important events in Greek history all the way from the beginning of the first Olympiad in 776 B C through to the death of Alexander in 323 B C Eva March Tappan was born on 26th December 1854 in Blackstone Massachusetts United States Tappan began her literary career writing about famous characters from history in works such as In the Days of William the Conqueror 1901 and In the Days of Queen Elizabeth 1902 She then developed an interest in children s books writing her own and publishing collections of classic tales **The Story of the Greek People** Eva March Tappan,2020-09-28 Apollo was pleased with the boy s courage He threw his arms around Pha thon s neck and said You are my own dear son and to prove it I will give you whatever you ask Now what did the foolish boy ask but permission to drive the fiery chariot for one day Apollo looked very grave Even the other gods cannot do that he said Zeus himself would not attempt it I beg of you to choose some other gift But Pha thon was bent upon this one thing and as Apollo had given his word he had to yield The headstrong boy sprang into the chariot and seized the reins The Dawn threw open the eastern gates all purple and crimson and gold and the horses galloped up the pathway of the sky Any one can guess what happened A tempest would have been just as easy for the boy to manage as those fiery steeds He could not even keep them in the road and they rushed wildly about in one direction and then in another The light weight of the driver was nothing to them and the chariot was tossed about like a ship in a storm Pha thon did not dare to look at the earth it was so far below him He did not dare to look at the sky it was so full of monsters the Great Bear the Little Bear the Serpent and the Scorpion He dropped the reins and the horses dashed onward more furiously than ever The fiery chariot swung near and nearer to the earth The mountains began to smoke the rivers tried to hide themselves in the sands the ocean shrank to a lake and cities burned to ashes Oh help me Father Zeus cried the Earth Then Zeus hurled his thunder bolt at Pha thon and he fell from the chariot down into the stream Eridanus His sisters stood on the bank and wept for him and by and by they were turned into poplar trees and even to day if you listen to the poplars you can hear them whispering softly and sadly together of the fate of their lost brother Pha thon So it was that one story grew out of another until one almost wonders that the story tellers ever knew where to stop If children asked who made the thick walls of monstrous stones that were old even in those times the answer was The Cyclops and then there were stories upon stories of those amazing one eyed giants But where did we ourselves come from a child would sometimes ask and there was a story about that too Once upon a time the people in the world were very wicked it said and Zeus sent a great flood to destroy them Now Deucalion and his wife Pyrrha were good and so Zeus promised that they should be saved **Story of the Greek People** Eva March Tappan,1918 *The Story of the Greek People* Eva March Tappan,1936 *Story Of Greek People* Eva March Tappan,2022-10-27 This work has been
