The Story Of Thomas Alva Edison Landmark Books:

The Story of Thomas Alva Edison Margaret Cousins,1981-08-12 Beginning with Thomas Edison s childhood when he set up his first laboratory in his basement as a 10 year old and following through his many jobs before he was able to support himself as an inventor this is the true story of the man who brought the world the phonograph motion pictures and even the electric light bulb revolutionary inventions that forever changed the way people live One of the most critically acclaimed best selling children s book series ever published The New York Times Margaret Cousins is also the author of the Landmark Book Ben Franklin of Old Philadelphia *The Homeschooler's Book of Lists* Sonya Haskins,2007-10 With more than 250 lists home educators private school teachers and others will find important facts and essential information in one easy to use resource Meet Thomas Jefferson Marvin Barrett,2011-03-30 When Thomas Jefferson was young Virginia was still a colony of England Jefferson thought that many English laws and taxes were unfair so he studied hard to become a lawyer and help make better laws Soon he and others came to believe that the colonies should become a new country and Jefferson was chosen to write the Declaration of Independence As the third president of the United States he focused on exploring the country and making it grow His fairness and love of learning made him one of the most beloved presidents of all time

Meet Abraham Lincoln Barbara Cary,2001-01-02 This warmly told biography of our sixteenth president is enriched by many authentic but seldom told anecdotes and complemented by bold color illustrations that capture the spirit of Lincoln and his era **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Meet George Washington** Joan Heilbroner,2011-04-13 This valiant story of how young George Washington was drawn into his country s struggle for independence gives readers a vivid perspective on a crucial era in American history and on the life of a revolutionary hero *Library of Congress Catalog* Library of Congress,1963 A cumulative list of works represented by Library of Congress printed cards *Monographic Series* Library of Congress, **Frank Julian Sprague** William D. Middleton,2009-09-25 This biography of the Father of Electric Traction details the life and times of an exceptional engineer maverick innovator and entrepreneur NMRA Magazine Frank Julian Sprague invented a system for distributing electricity to streetcars from overhead wires Within a year electric streetcars had begun to replace horsecars sparking a revolution in urban transportation Sprague 1857 1934 was an

American naval officer turned inventor who worked briefly for Thomas Edison before striking out on his own Sprague contributed to the development of the electric motor electric railways and electric elevators His innovations would help transform the urban space of the 20th century enabling cities to grow larger and skyscrapers taller The Middletons generously illustrated biography is an engrossing study of the life and times of a maverick innovator The authors weave this biography through time with technological and political details that make Sprague human a creative soul pressing his ideas with a sports like outcome some wins some losses and some ties I recommend this well written book detailing the life of the Father of Electric Traction to explain the development of what we so casually take for granted Trains No one has previously used Sprague s personal papers in a published biography Recommended Choice Frank Sprague is a major historical figure who for decades lacked a significant biography This void has been ably and engagingly filled in this book by the dean of electric traction authors William D Middleton and his son William III Classic Trains [The Elementary School Library Collection, Phases 1-2-3](#) ,2000 [Library of Congress Catalogs](#) Library of Congress,1983 [The Book Tree](#) Elizabeth McCallum,Jane Scott,2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don t know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it s easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself **The Booklist and Subscription Books Bulletin** ,1966 *The National Union Catalog* ,1963 [Books for Children](#) ,1966 **The Elementary School Library Collection** ,1976 **Resources for Learning** Roderick McDaniel,1971 *Corpsman* ,1965-10 [National Union Catalog](#) ,1982 **Best Books for Children** ,1968
