Stupidity Ross Petras, Kathryn Petras, 2005-01-01 Look up Religion and discover this from Paris Hilton The Kaballah helps you confront your fears Like if a girl borrowed my clothes and never gave them back and I saw her wearing them months later I would confront her Or Anatomy and find sportscaster Jerry Coleman Winfield goes back to the wall He hits his head on the wall and it rolls off It s rolling all the way back to second base Or Truth in Government here s Senator Alan Simpson There are a lot of things that we do that are irrelevant but that s what the Senate is for Arranged alphabetically from Accident Traffic to Zoology Game Show Contestants Knowledge of and you wouldn t believe how distorted that knowledge sometimes is The Lexicon of Stupidity is an overstuffed dictionary of quotes banalities actual book titles holdup notes menu items TV listings and more each meeting one exacting criterion they re so jaw droppingly dumb you can t help but laugh It s the wit of the witless The comedy of the clueless The giggly fun of celebrities athletes politicians newscasters and other pompous types planting a foot or two firmly in mouth And no authors could be more qualified to pull it together than Ross and Kathryn Petras whose calendar celebrating stupidity The 365 Stupidest Things Ever Said is a perennial knock out with millions of copies sold since its debut in 1995 It even includes real courtroom testimony Q Are you sexually active A No I just lie there **Common Nonsense** Kabembo Chinku, 2012-09-28 Its almost a universal phenomenon Nobody knows when how and why it started but society somehow allows their political leaders to get away with nearly anything up to and including murder at least in many countries in Asia Eastern Europe Africa and Central and South America Here in these United States of America no one is suggesting at least not me that our political leaders are guilty of committing murders To the extent that anybody can accuse them of such its their enacting of lax gun laws at the behest of the NRA Thanks to these laws anyone applying for a permit to buy an automatic assault weapon is no more subjected to rigorous background check than they are buying candy By this and this alone U S politicians are partly to blame in the deaths of innocent people Anyway this book is not about murders or guns In a way though its about death the death of reason and sense in politics Its about some insidious behavior that politicians get away with Society itself is to blame for tacitly permitting politicians to engage in such a behavior

So here in the United States as is the case everywhere politicians get away with too much Corruption lying or showing a disdain for facts being lazy stealing and cheating on their spouses We also allow them to make promises that they cant possibly keep or never keeping promises that they can easily keep We have put the bar for tolerable behaviors or conduct expected of our leaders very low We have reached a stage where the moral code of our politicians is on par with if not worse than that of criminals Well this author decided to draw a line a red line if you want to be dramatic on dumbassness or rather on the dumb things that the people we look up to in society especially our political leaders say They can get away with lying being corrupt etc but they will not be let off so easily for saying things that are decidedly dumb Just as Iran will hear from Israel and the U S if its nuclear or as George W Bush would say nuclear ambitions crosses Israeli Prime Minister Benjamin Netanyahus somewhat arbitrary red line politicians here will hear from me if and when they cross my own arbitrarily laid dumbassness red line Like most citizens Ill tolerate barely such maladapted behaviors of our politicians as corruption cheating infidelity lying not keeping campaign promises etc but not dumbassness This is what this book is about This authors blood boils when he hears these stupid politicians like Indianas U S Senate candidate Richard Mourdock say such things as A woman being raped and conceiving as a result is in Gods grand scheme of things That is God wanted it that way and therefore that the victim shouldnt be allowed to terminate such a pregnancy Unlike most books this is not one long continuous story One need not necessarily start reading from page one or chapter one successively to the last One can jump around or even begin with the last chapter Every chapter is a stand alone chapter There is no continuity to worry about if you decide to read the book in a sort of haphazard manner Youre going to encounter unbelievable dumbassness of our politicians on every page Politicians and other leaders of society may get away with having the morals and ethics of alley cats but Ill be damned if Ill let them get away with the immaturity of pre adolescents and the dumbassness of a jackass This is my raison detre or if you want to be religious about it its my calling Let me add that had my sense of self preservation not been so heightened Id have moved to Russia to take on Emperor Vladimir Putin But I dont like having Polonium 210 as part of my diet Thank you and enjoy Kabembo Chinku
