The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet Mary Victoria Cowden CLARKE,1845 **At Sword's Point, Part 1** William P. MacKinnon,2016-10-27 The Utah War of 1857-58 the unprecedented armed confrontation between Mormon Utah Territory and the U.S. government was the most extensive American military action between the Mexican and Civil wars At Sword's Point presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P. MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war's causes and preliminary events including President Buchanan's decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young's defensive aggressive reactions the onset of armed hostilities and Thomas L. Kane's departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women's voices from both sides enrich this colorful story At Sword's Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and Mormon history **The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Cowden-Clarke,1845 **The Flaming Sword** ,1914 *The Century Dictionary and Cyclopaedia: The Century dictionary, prepared under the superintendence of William Dwight Whitney; rev. & enl. under the superintendence of Benjamin E.
