The Taint Of Midas A Novel:

The Taint of Midas Anne Zouroudi, 2011-07-20 Gabrilis Kaloyeros is a bee keeper on the beautiful Greek island of Arcadia. The ruined Temple of Apollo has been in his care for decades and he has worked to protect it. But when crooked developers take over the island and the value of the land soars, he is persuaded through unscrupulous means to sign away his interest. Hours later he meets a violent lonely death. When detective Hermes Diaktoros finds his friend's battered body by a dusty roadside, the police quickly name him the prime suspect. But with rapacious developers threatening Arcadia's most ancient sites, many stand to gain from Gabrilis's death. Hermes resolves to avenge his old friend and find the true culprit, but his methods are as ever unorthodox. As in *The Messenger of Athens*, Anne Zouroudi tells a spellbinding mystery set in an enchanted place where the myths of the ancient past intersect with the realities of contemporary life with deadly results.

The Taint of Midas Anne Zouroudi, 2011-06-20 For over half a century the beautiful Temple of Apollo has been in the care of the old beekeeper Gabrilis. But when the value of the land soars, he is forced to sign away his interests, and hours later he meets a violent lonely death. When Hermes Diaktoros finds his friend's battered body by a dusty roadside, the police quickly make him the prime suspect. But with rapacious developers threatening Arcadia's most ancient sites, there are many who stand to gain from Gabrilis's death. Our investigator resolves to avenge his old friend and find the true culprit, but his methods are as ever unorthodox.

The Taint of Midas Anne Zouroudi, 2014-06-12 Named as a suspect in his best friend's murder on the beautiful Greek island of Arcadia, detective Hermes Diaktoros searches for the real killer by investigating the crooked developers snapping up land and threatening the island's most ancient sites.

The Messenger of Athens Anne Zouroudi, 2011-06-20 When the battered body of a young woman is discovered on a remote Greek island, the local police are quick to dismiss her death as an accident. Then a stranger arrives uninvited from Athens, announcing his intention to investigate further. His methods are unorthodox, and he brings his own mystery into the web of dark secrets and lies. Who has sent him, on whose authority is he acting, and how does he know of dramas played out decades ago?

The Doctor of Thessaly Anne Zouroudi, 2012-12-04 A jilted bride weeps on an empty beach. A local doctor is attacked in an isolated churchyard. Trouble arrives at a bad time to the backwater village of Morfi, just as the community is making headlines with a visit from a high-ranking government minister. Fortunately, where there's trouble, there's Hermes Diaktoros, the mysterious fat man whose tennis shoes are always pristine and whose investigative methods are always unorthodox. Hermes must investigate a brutal crime, thwart the petty machinations of the town's ex-mayor and his cronies, and try to settle the troubled waters of two sisters' relationship. But how can he unravel a mystery that not even the victim wants solved? Set against a radiant Mediterranean backdrop, *THE DOCTOR OF THESSALY* is a spellbinding mystery about the dark consequences of envy.

The Gospel of Wealth in the American Novel (Routledge Revivals) Arun Mukherjee, 2015-08-11 Business and the businessman have had a fundamental place in American society since the inception of the nation This tenet the gospel of wealth is a central concern in the novels of Theodore Dreiser and his contemporaries First published in 1987 this study sets this group of writers in their historical context and shows how they elaborated the idea of wealth as an object of quasi religious quest What had previously been associated with disease and darkness avarice and dishonour now came to emblematised the virtues of thrift prudence and diligence The underlying argument is that the dominant group of a society legitimises its power through the appropriation of the vocabulary of religion and the American business leaders were successful in doing this both in their own practice and through the more insidious medium of art A detailed analysis this reissue will be of particular value to students of American literature with an interest in the relationship between linguistic symbols and social order and historical attitudes towards wealth in literature
