the Contemporary Debates series examines the veracity of controversial claims or beliefs surrounding a major political cultural issue in the United States. They do so to give readers a clear and unbiased understanding of current issues by informing them about falsehoods, half truths and misconceptions and confirming the factual validity of other assertions that have gained traction in America's political and cultural discourse. This latest addition to the series is the first reference work on vaccines written through the lens of the COVID 19 pandemic. It asks and answers questions raised by the pandemic such as how vaccines work, what causes side effects and how COVID 19 vaccines were developed so quickly. It also addresses broader questions such as how to protect vaccine supply chains and how to prevent public health issues from being politicized. In addition to correcting or clarifying well known misinformation and misunderstandings about vaccines such as false claims that they have been linked to autism, this book also provides up to date research on ways to counter disinformation and decrease vaccine hesitancy.

Legal and Ethical Essentials of Health Care Administration George D. Pozgar, 2020-03-11. *Legal and Ethical Essentials of Health Care Administration* Second Edition is the ideal text for courses that combine a study of both the legal and ethical aspects of healthcare administration. Derived from George Pozgar's best selling textbook *Legal Aspects of Health Care Administration* Thirteenth Edition, this more concise text provides the reader with the necessary knowledge to become conversant with both legal and ethical issues pertinent to the healthcare profession. Using reader friendly language, the book presents actual court cases, state and federal statutes and common law principles to help the student understand the practical application of the concepts learned. The author includes a broad discussion of the legal system including the sources of law and government organization as well as basic reviews of tort law, criminal issues, contracts, civil procedure and trial practice and a wide range of real life legal and ethical dilemmas. **Effective**
