The Soul Of Iran A Nations Struggle For Freedom:

The Soul of Iran: A Nation's Struggle for Freedom Afshin Molavi, 2005-09-17 Death to America the bearded student chants as television cameras roll when the cameras leave the student accosts Afshin Molavi I hear you have come from America How can I get a green card This is Iran the culmination of 2 600 years of Persian history and a nation of many realities Molavi born in Iran and fluent in Farsi traveled his homeland for over a year meeting with students of the right and left bazaar merchants Islamic clerics pro democracy writers and kids hooked on anything Western All opened their hearts to Molavi speaking candidly about issues that matter to them from unemployment to the Internet from the ruling clerics to green cards **The Soul of Iran** Afshin Molavi, 2010-07-12 The truths about Iran quite different truths from versions put forward by Washington Tehran and the media Iran thundered onto the world stage in 1979 with an Islamic revolution that shook the world Today that revolution has gone astray a popular democracy movement boldly challenges authority and young Iranians are more interested in moving to America than in chanting Death to America Afshin Molavi born in Iran and fluent in Persian traveled widely across his homeland exploring the legacy of the Iranian revolution and probing the soul of Iran a land with nearly three millennia of often glorious history Like a master Persian carpet maker Molavi weaves together threads of rich historical insight political analysis cultural observation and the daily realities of life in the Islamic republic to produce a colorful intricate and mesmerizing narrative Originally published in hardcover under the title Persian Pilgrimages this paperback edition is revised with a new introduction and epilogue **The Soul of Iran** Afshin Molavi, 2005 Iran thundered onto the world stage in 1979 with an Islamic revolution that shook the world Today that revolution has gone astray a popular democracy movement boldly challenges authority and young Iranians are more interested in moving to America than in chanting Death to America Afshin Molavi born in Iran and fluent in Persian traveled widely across his homeland exploring the legacy of the Iranian revolution and probing the soul of Iran a land with nearly three millennia of often glorious history Like a master Persian carpet maker Molavi weaves together threads of rich historical insight political analysis cultural observation and the daily realities of life in the Islamic republic to produce a colorful intricate and mesmerizing narrative *The Complete Infidel's Guide to Iran* Robert Spencer, 2016-07-11 Our Most Dangerous Enemy Think it s ISIS Think again Iran is the terrorist powerhouse of the world made all the more dangerous by the disastrous nuclear deal that restricts Iran s nuclear ambitions hardly at all The Iranian government is an open enemy of the United States and of anyone who dissents from Shia Islam Iran confronts U S Navy ships in the Persian Gulf on a near daily basis It executes more of its citizens than any other nation It is a country torn by hypocrisy lectured by mullahs and with brutally enforced Islamic religious laws but rife with alcoholism Once America s ally Iran now claims leadership of the global jihad and the ayatollahs aim is nothing less than world conquest for Islam In his extraordinary new book *The Complete Infidel s Guide to Iran* New York Times bestselling author Robert Spencer reveals How the Iranian nuclear deal is sheer capitulation to the mullahs allowing Iran to

inspect its own facilities and pursue nuclear weapons Iran's long standing support for terrorists including shocking evidence that Iran helped plan the 9/11 attacks Why Iran wants nuclear weapons clue it's not about deterrence American diplomatic folly why the Obama administration has grossly underestimated the Iranian threat A new grand strategy how Iran's Shiite terrorism might be contained and its threat to the United States reduced The Islamic Republic is already at war with America If we refuse to recognize that fact we are only falling prey to the mullahs campaign of duplicity The Complete Infidel's Guide to Iran exposes the true nature of the threat lays out what America must do to defeat it and gives you all the information you need about America's least understood yet potentially most lethal foe *The I.B. Tauris Handbook of Iranian Cinema*

Michelle Langford, Maryam Ghorbankarimi, Zahra Khosroshahi, 2024-10-31 This volume brings together scholarship from both established scholars and early career academics to provide fresh insights and new research on the cinema of Iran The book is organised around eight broad themes including cinema before and after the revolution stylistic innovation documentary gender and genre Encompassing a diverse range of methodological approaches and disciplinary frameworks including film studies cultural studies and political economy each chapter is a self contained study on a specific topic engaging with the national and transnational history of Iranian cinema which combined provide readers with original new insights into Iranian film and filmmakers from fiction films to art house and popular cinema The Handbook includes analysis of the works of established filmmakers such as Bahram Beyzaie Rakhshan Banetmad Abbas Kiarostami and Mohsen Makhmalbaf as well as the output of emerging voices such as Ida Panahandeh and Shahram Mokri Covering well known topics as well as cutting edge ones such the sonic and visual manifestations of the urban environment in Iranian films this book is a vital resource for understanding Iran and its unique cinematic culture [Tweeting to Freedom](#) Jim Willis, Anthony R. Fellow, 2017-06-15 This book provides an insightful and comprehensive look at the issues regarding the use of the Internet and social media by activists in more than 30 countries and how many governments in these countries are trying to blunt these efforts to promote freedom The innovators who created social media might never have imagined the possibility that activists living in countries where oppressive conditions are the norm would use social media to call for changes to bring greater freedom opportunity and justice to the masses The attributes of social media that make it so powerful for casual socializing the ability to connect with nearly limitless numbers of like minded individuals instantaneously enables political activists to recruit communicate and organize like never before This book examines three aspects of the use of social media for political activism the degrees of media freedom practiced in countries around the world the methods by which governments attempt to block access to information and the various ways in which activists use the media especially social media to advance their cause of greater freedoms Readers will learn how these political uprisings came from the grassroots efforts of oppressed and unhappy citizens desperate to make better lives for themselves and others like them and how the digital age is allowing them to protest and call attention to their plights in unprecedented ways **Identities in Crisis in Iran** Ronen A. Cohen, 2015-03-18 Identities

in Crisis in Iran aims at finding answers to the questions about the puzzling character of the Iranian identity The contributors acknowledge that identity especially when it is faced with fundamental tensions as in the case of Iran is a phenomenon that is constantly developing via factors involving the private self and common social components This book addresses the tension many Iranian people face that lie between the Persian culture and the Shi a religion women versus men and culture versus traditions

Life on Drugs in Iran Nahid Rahimpour Anaraki,2022-08-22 When they initiated a war on drugs in 1979 Iran developed a reputation as having some of the world s harshest drug penalties and as an opponent of efforts to reform global drug policy As mass incarceration failed to stem the growth of drug use Iran shifted its policies in 1990 to introduce treatment regimens that focus on rehabilitation While most Muslim countries and some Western states still do not espouse welfare oriented measures Iran has established several harm reduction centers nationwide through the welfare system for those who use substances In doing so Iran moved from labeling drug users as criminals to patients In Life on Drugs in Iran Anaraki moves beyond these labels to explore the lived experience of those who use and have used illicit substances and the challenges they face as a result of the state s shifting policies Gaining remarkable access to a community that has largely been ignored by researchers Anaraki chronicles the lives of current and former substance users in prisons treatment centers and NGOs In each setting individuals are criminalized medicalized and marginalized as the system attempts to normalize them without addressing the root cause of the problem Drawing upon first hand accounts Anaraki s groundbreaking study takes an essential step in humanizing people with substance abuse issues in Iran

Antisemitism and Anti-Zionism Rusi Jaspal,2016-04-15 Antisemitism and anti Zionism are complex delineable yet inter related social psychological phenomena While antisemitism has been described as an irrational age old prejudice anti Zionism is often represented as a legitimate response to a rogue state Drawing upon media and visual sources and rich interview data from Iran Britain and Israel Antisemitism and Anti Zionism Representation Cognition and Everyday Talk examines the concepts of antisemitism and anti Zionism tracing their evolution and inter relations and considering the distinct ways in which they are manifested and responded to by Muslim and Jewish communities in Iran Britain and Israel Providing insights from social psychology sociology and history this interdisciplinary analysis sheds light on the pivotal role of the media social representations and identity processes in shaping antisemitism and anti Zionism As such this provocative book will be of interest to social scientists working on antisemitism race and ethnicity political sociology and political science media studies and Middle Eastern politics

Tourism and Political Change Richard Butler,Wantanee Suntikul,2010-04-12 Tourism is a vital tool for political and economic change Calls for boycotts by tourists of countries reflect the huge impact that tourist activity and the tourism industry has on political change

Political Leadership Matthew Laing,2020-11-27 Drawing upon a diverse range of traditions and contexts this authoritative new textbook presents a systematic introduction to political leadership Making extensive use of examples of real leaders from a variety of cultural backgrounds the book links theoretical ideas and concepts

to real world political leadership and in doing so helps students to make sense of why different leaders lead as they do and why people choose to follow them This is ideal reading for students taking courses on political leadership and related topics

The Fight for Iran Ilan Berman,2020-10-20 Today more than four decades after its founding the Islamic Republic of Iran is arguably at the weakest point in its history At home deteriorating domestic conditions a profoundly disaffected population and an increasingly unpopular official ideology have helped to galvanize opposition to the country s ruling clerical regime Meanwhile mounting economic and political pressure from the United States have taken aim at the country s economy and its malign regional behavior The end result of this confluence of forces could very well be a new political upheaval within the country The Fight for Iran is an in depth look at that potential for change as well as at the beliefs ideas and values of the different factions that now exist within the Iranian opposition It represents a chronicle of what forty one years after the Ayatollah Ruhollah Khomeini s Islamic Revolution has become a profound political struggle for the soul of one of the Middle East s most important nations *The Nation* ,2006 [Asia, Inc](#) ,2006 *American Journal of Islamic Social Sciences* 26:1 Muhammad Aziz,Shamas-Ur-Rehman Toor,M. Ashraf Adeel,Naama Ben-Ami,Andrew Rippin,Frederick S. Colby,K. Luisa Gandolfo,Amr G. E. Sabet,Hilman Latief,Rosnani Hashim,Tammy Gaber,Isa Blumi,Houman Sarshar,Omid Safi,Asma Bala.,L. J. Fredericks,Jay Willoughby,Nada Zohdy,2009-11-02 The American Journal of Islamic Social Sciences AJISS is a double blind peer reviewed and interdisciplinary journal that publishes a wide variety of scholarly research on all facets of Islam and the Muslim world anthropology economics history philosophy and meta physics politics psychology religious law and traditional Islam Submissions are subject to a blind peer review process **Human Rights** Margaret Haerens,2011-05-04 As technology makes the world more accessible it is increasingly important to develop a wide perspective on crucial issues of global significance This essential volume takes a look at human rights throughout the world Readers will evaluate whether certain countries or cultures are falling short on human rights including the European Unions Bangladesh Tibet Israel America and China They will read about whether certain policies are effective or failing in places like Britain Myanmar Turkmenistan Uzbekistan and Korea Treatment of women and children is also explored in places such as Haiti and Saudi Arabia **Globalizing Political Theory** Smita A. Rahman,Katherine A. Gordy,Shirin S. Deylami,2022-12-02 Globalizing Political Theory is guided by the need to understand political theory as deeply embedded in local networks of power identity and structure and to examine how these networks converge and diverge with the global With the help of this book students of political theory no longer need to learn about ideas in a vacuum with little or no attention paid to how such ideas are responses to varying local political problems in different places times and contexts Key features include Central Conceptual Framework Introducing readers to what it means to globalize political theory and to move beyond the traditional western canon and actively engage with a multiplicity of perspectives Organization Focused on key topics essential for an introductory class aimed at both globalizing political theory and showing how political theory itself is a globalizing activity

Themes Colonialism and Empire Gender and Sexuality Religion and Secularism Marxism Socialism and Globalization Democracy and Protest and Race Ethnicity and Indigeneity Pedagogy Each chapter features theoretical concepts and definitions political and historical context key authors and biographical context textual evidence and exegesis from the foundational texts in that thematic area a list of discussion questions and a list of resources for further reading Committed to a multiplicity of perspectives and an active engagement between the global and the local Globalizing Political Theory connects directly with undergraduate and graduate level courses in political theory global political theory and non western political thought

Divine Act Mt Naimi, 2011-11 With the loss of his father twelve year old Ahmed quits school to support his mother Growing up in Russian occupied Gilan he faces hunger poverty fear and loss accepting them as God's will Years later Ahmed is happily married successful and content until he moves to Tehran to be near his son at the university It is a decision that will cost him dearly Revolution is brewing in Tehran and the university has become a crucible of unrest Brutal police crackdowns are in force but when Savak is unleashed no one is safe When Ahmed's son becomes involved with revolutionaries Savak takes notice But when he falls in love with the daughter of a Savak agent Ahmed and his family are plunged into a frightening world of murder deception torture and betrayal that threatens to destroy them Whom can he trust What can he do when the world around him has gone mad

Encounters with the Middle East Nesreen Khashan, Jim Bowman, 2007 30 rich engaging travel stories that capture uplifting scenes from everyday life and deliver sensitive bittersweet renderings of people and landscapes often shaken by conflict This book features original takes on commonplace things to do for the traveler in the Middle East from marveling at the brilliance of the bazaars to drifting down the Nile in a felucca It also provides intimate portrayals of people and traditions too often absent from books on the region From publisher description

Man and God Ahmad Nosrati, 2008-04-16 My objective in writing that has been recorded thus far has been to discover the root cause of the current conflict between western and Middle Eastern factions a confrontation which has been labeled a struggle for freedom against terrorism Such a discovery may enable us to identify a solution hopefully permanent for the seemingly futile battle we are facing In making this attempt questions have been raised Among them foremost have deceptive foreign policies of the West led to a humiliation of people of the Middle East Or has the conviction of certain radical Islamists like Al Qaeda that they must kill their adversaries driven this struggle Indeed is all that has transpired the result of one basic cause or are several factors at work in extending the bitterness of the situation Basically the exploration into answers for these questions has been to study the history and philosophy of contending forces from the standpoint of their religious principles as they are understood by the masses as well as the intellectuals A second question that we have attempted to consider is the character of God the Creator of this universe with its countless planets like that of a king or of a president or of a corporation CEO who attempts to maintain dominance of His Creation through the endless activities of fanatical devotees such as Hezbollah and Fedahye to sacrifice which may be considered to be backstair

operatives A third consideration If not for the gigantic oil resources of the Middle East would we be participating in this grievous present war A fourth quandary Had not Palestine been a colony of the British government following the first World War would the current nation of Israel actually exist in the present location A fifth question Is it possible for the West to enjoy the benefits of Middle Eastern oil without utilizing the oppressive techniques of colonization deceitful manipulation or war And finally a sixth query Are the foreign political strategies of the Western Powers really acceptable to its people the citizens of the USA or Europe and of the rest of the world And may I repeat In this writing there is no attempt to cast disrespect or to judge anyone or any group or country Rather this book is written with the intention of providing unbiased information to those who choose to peruse it All those of us who can find no justification in the pursuit of actions that result in the killing of innocent human beings be they military or civilian in the name of God or for the achievement of freedom and human rights will find it interesting to deal carefully with the considerations of this text as we seek to explain the net effect of our current dilemma It is in keeping with the solemnity of this quest that you are invited to share this wresting of the soul with us
