Islamic Feminism Mulki Al-Sharmani, 2024-10-17 Mulki Al Sharmani undertakes a close textual analysis of the hermeneutics of selected Islamic feminism scholars as they engage with the Qur'an and Hadith and different textual genres in Islamic interpretive tradition. She focuses on the relevant works of nine prominent scholars located in North America, Egypt, Morocco, and South Africa. Bringing their works into conversation with one another, Islamic Feminism critically examines the epistemological and methodological contributions and challenges of these scholars. Al Sharmani shows how these scholars' engagements with the question of gender also yields new insights into the interplay between Islamic theology, ethics, and law. Drawing on extensive multi-sited ethnographic research, Al Sharmani examines the societal significance and limits of the studied scholarship and how it informs and is informed by multidimensional Muslim gender activism in both global and local contexts. Towards the latter aim, Al Sharmani focuses on two case studies: the global movement Musawah and Egyptian Islamic feminism in the aftermath of the 2011 Revolution.

Sacramental Theology for a Modern and Future World
 Michael Debus, 2022-01-28 What Christ Jesus taught is not what is most important but rather what he has given humanity. His resurrection is the birth of a new faculty within human nature, Rudolf Steiner. There are many books on sacramental theology, some of which focus on a specific denomination while others aspire to rigorous academic objectivity. Some also serve as an introduction to a particular branch of Christianity, and Michael Debus's book serves that purpose well. Nevertheless, the author's integration of theological developments through the centuries with a discussion of the evolution of consciousness makes this book unique. He addresses the fact that anyone looking for a new or renewed relationship to Christian religiosity must come to understand the center of religious cognitive consciousness and practical life: the sacraments. Is baptism merely a symbolic act, or is it a reality that affects one's life? Does a final unction affect a person's future stages of destiny? How should we understand the transformation of bread and wine? What spiritual processes are expressed in rituals? The Christian Community, working since 1922 as a conscious movement for religious renewal, offers answers to these and other crucial questions. Michael Debus speaks to readers who wish to understand more deeply the spiritual foundations of The Christian Community and its place in theological history and its role in Christianity today.

Sacramental Theology for a Modern and Future World
 Michael Debus makes complex topics and concepts accessible to all who wish to understand the background and sacraments of The Christian Community and the Movement for Christian Renewal. This book is a translation of *Auferstehungskräfte im Schicksal: Die Sakramente der Christengemeinschaft* (Urachhaus, 2011). A Place Where Everybody Matters
 Jean Risley, 2010-02-17 Small churches need the work of all of their people to survive, and this means that there's a productive place in the church family for every person, no matter how gifted or challenged. Small churches are uniquely personal, and they provide an unparalleled

opportunity for Christians to learn grow and live out their faith consciously every day Small churches become a family children of God and brothers and sisters of Jesus together There s no place to hide in a small church The normal human dramas of good and evil sin and repentance forgiveness and reconciliation all happen in our relationships in the family A small church is a place where people can serve an apprenticeship in faith learning from those before them and passing on their experience to those around them In a small church the pastor provides context by preaching and teaching serves as a role model in encouraging the ministry of others and by loving the people helps them see themselves through God s eyes The rest is up to the people themselves and to God
