Research Handbook on Sports and Society Elizabeth C.K. Pike,2021-05-28 This state of the art Research Handbook provides a challenging and critical examination of the complex issues surrounding sports in contemporary societies Featuring contributions from world leading scholars it focuses upon the impact of their research together with significant social issues and controversies in sport

Sport, Media and Society Eileen Kennedy,Laura Hills,2015-03-04 Sport is an integral component of today s media from prime time television to interactive websites This book is a theoretical and methodological guide to analysing sport in its diverse mediated forms Students of media sport are taken through techniques of analysis for film TV newspapers magazines advertisements spaces such as stadia and museums and the internet The ambiguous and shifting cultural politics of sport are explored through original researched case studies drawn from across the UK USA and beyond The book encourages students to engage critically with their own experience of media sport and to develop an independent approach to analysis As such it will be an essential purchase for all students of media and sports studies students Sport and Society Barrie

Houlihan,2007-12-20 Praise for the First Edition Barrie Houlihan s astonishingly ambitious and skilfully assembled collection examines the relations between sport social policy and the social context that underlies the two Organized around such themes as exclusion commercialism and international comparisons the book allows the reader to understand not only the centrality of sport to contemporary society but the often perplexing policies that contrive to encourage or deny participation promote or deter public sector involvement and support or undermine physical education Importantly Houlihan never prioritises the general over the particular always striving to find detail amid the bigger picture Ellis Cashmore Professor of Culture Media and Sport Staffordshire University The most comprehensive study of contemporary issues in sport by leading international scholars Houlihan s book is the answer to sports students prayers full of information statistics tables and figures extensive guides to further reading and most important of all challenging ideas A weighty vademecum for the early

21st century Jim Riordan Honorary Professor of Sports Studies University of Stirling Professor Emeritus at University of Surrey and President of the European Sports History Association Fully updated and revised the Second Edition of Barrie Houlihan's ground breaking book provides students and lecturers with a one stop text that is comprehensive multi disciplinary accessible international and engaging Sport and Society allows students to Approach the study of sport from a multi disciplinary perspective Understand the importance of social structure power and inequality in analyzing the nature and significance of sport in society Address the rapid commercialization and regulation of sport Engage in comparative analysis to understand problems clearly and produce sound solutions Expand their knowledge through chapter summaries guides to further reading and extensive bibliographies This Second Edition contains five brand new chapters which reflect recent concerns with young athletes and human rights sport and the city sport and violence sport and health and sport and Islam A superb teaching text it will be relished by lecturers seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs

Sociological Perspectives on Sport

David Karen, Robert Washington, 2015-03-02 Sociological Perspectives on Sport The Games Outside the Games seeks not only to inform students about the sports world but also to offer them analytical skills and the application of theoretical perspectives that deepen their awareness and understanding of social processes linking sports to the larger social world With six original framing essays linking sport to a variety of topics including race class gender media politics deviance and globalization and 37 reprinted articles this text reader sets a new standard for excellence in teaching sports and society

The Oxford Handbook of Sport and Society Lawrence A. Wenner, 2022 The Oxford Handbook of Sport and Society is the premier comprehensive and interdisciplinary work for readers looking to understand key areas of inquiry about the role and impacts of sport in contemporary culture Through fifty seven chapter treatments from leading international scholars on sport's impact on key aspects of our lives the Handbook is essential reading for any reader trying to understand the outsized ways in which sport has become more than a game

Social Issues in Sport, Leisure, and Health Sine Aggergaard, David Karen, 2023-10-03 This book examines how social issues shape and influence our engagement with sport leisure time physical activity and health promoting exercise Connecting the personal with the public it helps the reader understand how individual exercise leisure and sport participation are both facilitated and constrained by their social contexts Presenting a series of in depth descriptions of grassroots sport urban lifestyle sport physical activity across the life course sport for children with special needs and the development of creative climates in sport this book seeks to encourage what C Wright Mills described as the sociological imagination Every chapter begins with an individual level account centred on everyday challenges with accessing sport partaking in leisure activities and meeting guidelines for daily exercise before exploring the larger socially determined patterns in which those experiences are located establishing a vital template for the social scientific study of sport leisure and health Touching on key contemporary themes including diversity inclusion health inequalities and physical

inactivity as well as selection and intensification in sports this book offers new case material and theoretical tools for understanding the relationships between sport leisure health and the wider society This is an indispensable companion for any course on the sociology of sport exercise leisure or physical activity and health EBOOK: Sports in Society Jay Coakley, Elizabeth Pike, 2014-04-16 Using a topics based approach organized around provocative questions about the interaction of sports culture and society Sports in Society presents an accessible introduction to research and theory in the sociology of sport This new edition continues the legacy of the previous editions while introducing new material and examples that bring theory to life Current debates in sports such as how youth participation can be increased or sport funding allocated have been integrated throughout the text to provide a holistic view of society An Online Learning Centre accompanies this book offering a range of lecturer support materials as well as resources and tests for students

Disability, Sport and Society Nigel Thomas, Andy Smith, 2008-12-05 Disability sport is a relatively recent phenomenon yet it is also one that particularly in the context of social inclusion is attracting increasing political and academic interest The purpose of this important new text the first of its kind is to introduce the reader to key concepts in disability and disability sport and to examine the complex relationships between modern sport disability and other aspects of wider society Drawing upon original data from interviews surveys and policy documents the book examines how disability sport has developed and is currently organised and explores key themes issues and concepts including disability theory and policy the emergence and development of disability sport disability sport development in local authorities mainstreaming disability sport disability physical education and school sport elite disability sport and the Paralympic Games disability sport and the media Including chapter summaries seminar questions and lists of key websites and further reading throughout Sport Disability and Society provides both an easy to follow introduction and a critical exploration of the key issues surrounding disability sport in the twenty first century This book is an invaluable resource for all students researchers and professionals working in sport studies disability studies physical education sociology and social policy Nigel Thomas is Head of Sport and Exercise at Staffordshire University UK where his research focuses on the history mainstreaming and media coverage of disability sport He previously worked for ten years with young disabled people as a sports development officer in local authorities and national governing bodies Andy Smith is Lecturer in the Sociology of Sport and Exercise at the University of Chester UK He is a co editor of the International Journal of Sport Policy and a co author of Sport Policy and Development A Sociological Introduction and An Introduction to Drugs in Sport Addicted to Winning Both books are published by Routledge 2009

Intersections of Sport and Society in Creative Writing Lee McGowan, Kasey Symons, 2023-11-18 This edited collection is positioned at the nexus of sports society and creative writing In its explorations of the intersections of sports writing analysis of literary contributions and examinations of craft it offers rare consideration of a rich diversity of form in narratives that occur in and as creative practice Included in the collection are dynamic academic investigations into football

writing and poetry focused on community sporting activities in Afghanistan to those addressing the intersections of writing and boxing in the reflexive reclamation of the post trauma self the absence of women in the rodeo and who and what is represented in our sports shelves This book breaks new ground in approaches to sport s role in creative writing and what creative writing can provide in furthering our understanding of sport in society The works in this edited book draw on a diverse range of methods to interrogate the processes concepts and liminal spaces through an intersectional array of voices offering analysis and insight into the application of creative writing knowledge and practice in relation to sport and its impact on wider discipline discussion and research It is relevant to students and scholars studying and researching creative writing sports writing sports studies cultural studies and sports media studies **Sport, Culture and Society** John W. Loy,1971

Public Sociology John Germov, Marilyn Poole, 2020-07-22 From the future of work to the nature of our closest relationships how do we understand the links between our personal troubles and wider public issues in society today Now into its fourth edition *Public Sociology* continues to highlight the relevance of a grounded sociological perspective to Australian social life as well as encouraging students to apply a sociological gaze to their own lives and the communities in which they live *Public Sociology* presents a wide range of topics in a user friendly and accessible way introducing key theories and research methods and exploring core themes including youth families and intimate relationships class and inequality and race and ethnic relations All chapters have been extensively revised to bring them up to date in a fast changing social world reflecting the latest sociological debates in response to changing lifestyles and evolving political landscapes In addition to updated statistics and research findings an expanded glossary and the latest citations to the scholarly literature the text features a completely new chapter on gender and sexualities with expanded discussion of LGBTIQ This new edition also explores contemporary issues ranging from the MeToo movement to marriage equality fake news and alt facts This is the essential sociological reference to help students make sense of a complex and challenging world NEW TO THE FOURTH EDITION A new chapter on gender and sexualities and expanded discussion of intersectionality Exploration of the latest social issues including MeToo rising inequality and the post truth age All chapters thoroughly revised and updated with the latest research Updated book website with extra readings YouTube clips and case studies A new feature Visual Sociology helps the reader analyse the power of visual messaging With a firm base in the richest traditions of the discipline and with a remarkably approachable format this book offers an excellent introduction to a wide array of sociology s concerns making it suitable for all Australian social science undergraduates Gary Wickham Emeritus Professor of Sociology Murdoch University A sophisticated yet accessible introduction to social identities differences and inequalities and social transformations Jo Lindsay Professor in Sociology Monash University Sweeping and lucid communicates with ease and simplicity Toni Makkai Emeritus Professor College of Arts and Social Sciences Australian National University A Sport-loving Society J. A. Mangan, 2006 A selection of essays exploring the role of social institutions

and political economic and technological change in shaping the sport of middle class Victorians and Edwardians **Media, Sports, and Society** Lawrence A. Wenner, 1989-08 Media Sports and Society provides a foundation for research on the communication of sports The volume is framed by a seminal article outlining the parameters of the communication of sports and pointing to major issues that need to be addressed in the relationship between sports and media Contributors examine the theoretical cultural and historical issues the production of media sports programming its content and its audience Individual chapters include a discussion of the spectacle of media sports a comparison of Super Bowl Football and World Cup Soccer a consideration of the spectators enjoyment of sports violence the rhetoric of winning and the American dream and a fascinating examination of gender harmony and sports in **Sport, Politics and Society in the Land of Israel** Yair Galily, Amir Ben-Porat, 2013-10-31 The state of Israel is a home for a widely diverse population from many different ethnic religious cultural and social backgrounds a new society with ancient roots which is still coalescing and developing today Israeli sport maybe more than any other cultural phenomenon has changed radically since the establishment of the state of Israel in 1948 Over the past six decades Israeli sport has evolved from an amateur hobby of a few sports freaks to a passion of the masses The transformation to a major cultural phenomenon is the result of general developments in Israeli and international society The aim of the book is to shed light on those processes that shaped the Israeli sport arena Following the steps of numerous research perspectives that considers sports as text within a socio historical context this book deals with the development of Israeli sports in Palestine and later the State of Israel as a text or a narrative which was contingent on the socio historical context In seeking to comprehend these processes this book is divided into three parts The Palestine period the early stage of statehood and the matured period which began in and around the early 1980s Each period is narrated by the major participants and the major political economical parameters which as it is argued shaped Israeli sport This book was published as a special issue of the Israeli Affairs
