are being herded into prison camps On the high seas a furious British Navy is seizing American cargo ships bound for Europe And on the Thames a new weapon of unparalleled destructive force is sailing toward an impregnable city spearheaded by a daring act of espionage For U S president Abraham Lincoln Britain s Queen Victoria Lord Palmerston and a loyal opposition a day of reckoning is at hand and so is history s most astounding battle Harry Harrison s series of alternate history based on the U S Civil War stands as a provocative work of imagination drama and brilliant historical insight Now in the thrilling finale Harrison tells a stunning action packed story of America s rapidly growing military might being locked loaded and aimed at the heart of England itself For the two countries that share a language and a heritage the conflict began at the dawn of the U S Civil War Just as America was about to tear itself to pieces Britain itself committed an act of war by seizing a U S packet ship In retaliation the Confederate States rejoined the Union and took up arms against England Repulsing a British invasion and defeating her majesty s army first in Canada then in Mexico then in Ireland American pride and power swelled Britain like a wounded lion howled in shame and anger Now Queen Victoria s empire is more dangerous than ever before turning against the Irish on her own soil flexing her naval might and all but forcing a weary President Lincoln to authorize the next step in a headlong journey toward war A tale of daring and strategy Stars and Stripes Triumphant explores how arrogance turns superpowers into victims how regional conflicts can explode into world wars and how the personalities of a few men and women can change the course of history itself for better or for worse **Stars & Stripes Forever** Harry Harrison, 2007-12-18 On November 8 1861 a U S navy warship stopped a British packet and seized two Confederate
