They Call Me Farang Scott Mallon, 2015-12-17 Weary from running his printing business in Southern California Scott Mallon hops on a jet bound for Thailand with three bags and 10 000 to his name Originally planned as a one year sabbatical his journey ends up as a twenty year stay In They Call Me Farang Mallon delivers a timeless collection of insightful compelling short stories in the only way he knows with dry humor and a straightforward no holds barred voice Learn what life is really like as an expatriate in Thailand there is action advice comedy love and of course plenty of commentary on Thailand s beautiful women Get all the gritty details in this semi autobiographical account of his two decades in the country

The Bangkok Asset John Burdett, 2015-08-04 Sonchai Jitpleecheep the brash and beguiling Royal Thai Police Force detective who has been our guide through John Burdett s five previous acclaimed Bangkok novels is back The former monk and devout Buddhist forever battling to protect his karma from the assaults of morally compromising cases is now faced with the most horrifying technological innovation to make its way to the streets of Bangkok and a conspiracy of almost unfathomable reach With Sonchai on this case is the young female inspector Krom Like Sonchai she s an outsider on the police force but unlike him she is socially savvy and a technological prodigy When they re called to a demonstration in the midst of a typhoon of the deadly superhuman strength of an American man who is seemingly controlled by a CIA operative they have no idea what they re actually witnessing or why Their reliably obtuse and unequivocally crooked boss Colonel Vikorn explains some of it but the most telling questions remain unanswered Could the Americans have figured out a way to create a physically and psychologically enhanced supersoldier Are they testing him or it on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye Searching for the answers to these questions Sonchai and Krom find themselves in a remote Cambodian jungle compound for aging American ex soldiers where they will discover just how far a government will go to protect its worst secrets both past and present But the case will also have much more personal repercussions for Sonchai shaking his world to its very foundation and perhaps finally forcing him to confront his long lost American father

Patpong Sisters Cleo Odzer, 1994 Cleo Odzer a young American anthropologist spent three years studying Bangkok's red light district Patpong an area of a few blocks teeming with bars and explicit sex shows Patpong is now world famous for its available and extremely attractive young women and men who cater mainly to farangs foreigners most of them men but some women who come from Europe Australia America and Japan Odzer got to know the bar girls the bar boys and their varied entourages She gained their confidence interviewed them at length lived among them and accompanied some of them home to visit their families whom they often supported in the isolated countryside where they were idolized She also got to know their customers usually men who had traveled for thousands of miles to immerse

themselves in the sensual world of Patpong some of them falling in love with even marrying their newfound Thai companions At times these liaisons complicated by language and culture barriers are truly hilarious but they can be poignant touching on the tragic O'Leary herself gained a deeper sympathy for these relationships when she became romantically involved with one of her male subjects Her affair with him mirroring the involvements in which many farangs found themselves with the bar girls imparts to her book a very personal meaning Her people are not simply dry statistics but real human beings
