Trench Buddies Overcoming Life's Battles Together:

Trench Buddies Sandi Michon, 2014-12-22 *Trench Buddies* is a combined book and small group study guide that provides a provocative look at spiritual warfare using creative thought provoking military parallels. We can easily predict what happens to an untrained soldier in war yet can't so easily explain why we suffer so many defeats in our own life particularly as we seek to live the victorious Christian experience. In a life buffeted by battles, what would happen if we began fighting for each other rather than with each other? *Trench Buddies* encourages us to battle for each other at a deeper level, at a soul level, with courage, compassion, and wisdom. Sandi Michon is a battle veteran with 28 years Air Force service and more than 38 years as a follower of Jesus Christ. She draws from both backgrounds to provide a unique training tool to help recognize the reality of spiritual warfare, defuse the things that explode in life, provide better protection against the enemy, avoid capture as a prisoner of war, unleash the power of the Word of God in your battles, walk boldly in your identity and mission. If you are tired of just surviving, learn how to thrive using the key principles presented in *Trench Buddies*. *Fierce Faith* Alli

Worthington, 2018-01-23 *Stop the Cycle Of Worry and Stress* Podcaster and bestselling author of *The Year of Living Happy* Alli Worthington knows all about the ways a woman can be hard on herself. She shares her own fear struggles with humor and honesty, real strategies, biblical truths, and woman to woman encouragement for coping with life's big fears and little everyday worries. Sometimes Jesus's call to fear not seems like the hardest instruction to follow. Some days you faultlessly juggle everything that is your life: kids, husband, house, job, church, friendships, school, pets, appointments, and on and on. Other days the very thought of which ball you're going to drop makes your anxiety level unmanageable. You're afraid you're forgetting something. And you are. God's advice to fear not. Alli uses biblical wisdom and practical insight to help you identify fear-based thinking, overcome the big and little worries in life, learn a simple trick to stop the anxiety spiral, live a more confident, less worried life. Grab a cup of coffee and sit down for some encouragement from a friend. Alli's no-nonsense wise advice will lighten your heart and help you cut through the daily clutter of fear and worry to reconnect with your own fierce faith. **The Seasons of Trouble** Rohini Mohan, 2015-10-20

For three decades Sri Lanka's civil war tore communities apart. In 2009 the Sri Lankan army finally defeated the separatist Tamil Tigers guerrillas in a fierce battle that swept up about 300,000 civilians and killed more than 40,000. More than a million had been displaced by the conflict, and the resilient among them still dared to hope. But the next five years changed everything. Rohini Mohan's searing account of three lives caught up in the devastation looks beyond the heroism of wartime survival to reveal the creeping violence of the everyday. When city-bred Sarva is dragged off the streets by state forces, his middle-aged mother Indra searches for him through the labyrinthine Sri Lankan bureaucracy. Meanwhile Mugil, a former child soldier, deserts the Tigers in the thick of war to protect her family. Having survived, they struggle to live as the Sri Lankan state continues to attack minority Tamils and Muslims, frittering away the era of peace. Sarva flees the country, losing his way and almost his life in a bid for asylum. Mugil stays, breaking out of the

refugee camp to rebuild her family and an ordinary life in the village she left as a girl But in her tumultuous world desires plans and people can be snatched away in a moment The Seasons of Trouble is a startling brutal yet beautifully written debut from a prize winning journalist It is a classic piece of reportage five years in the making and a trenchant compassionate examination of the corrosive effect of conflict on a people
