

End Time Q&A Is the Day of the Lord the Tribulation?

Tribulation Prophecy

Roy W. Anderberg

Tribulation Prophecy:

Tribulation Prophecy John Stoudenmire, 2010-03 In this day and age there are many theories when it comes to the return of the Lord Author John Stoudermire shares personal prophecies that have been revealed to him Not only does he present thoughtful research for his theory but he provides scripture references that help aide his findings Are you prepared for you future Be entirely sure with a Tribulation Prophecy Great Joy in Great Tribulation Jim Searcy, 1995 **The Church in the Coming Great Tribulation** Steve Urick, 2013-06 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as revealed by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being taught by modern day prophecy teachers this timely work sheds light on the subject and will help clear up any confusion you might have *The Church in End-Time Prophecy* Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through *The Sign of the End of the Age* Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In *The Sign of the End of the Age* What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the

Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

Post Tribulation Rapture Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy

The End of Times Roy Burger, Julia Burger, 2019-03-08 The interpretation of end time prophecy is not an easy venture To make matters worse most of the authors who have interpreted the metaphors have in fact added their opinions instead of studying the revelations as the Lord intended So how do we catch the message of the Lord instead of being misled by our own interpretations The End of Times can help us to interpret the will of God since his revelations are written throughout the Word and we need to humbly understand his thoughts Authors Roy and Julia Burger invite believers to join them in a search through the Bible to uncover the intentions of God behind the symbolism thus gaining the knowledge of God They also provide other views that may have gone astray of the Word comparing scriptures and letting the Word speak for itself Colossians 1:10 NASB reads so that you will walk in a manner worthy of the Lord to please Him in all respects bearing fruit in every good work and increasing in the knowledge of God Because the end times are approaching now is the time to heed this divine wisdom and listen to God directly

The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful

examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief. Once a pretribulationist himself, he found that his in-depth study of the Bible quickly revealed the errors of this position. With spiritual, biblical, and intellectual insight, *The Day of the Lord: The Key to Understanding End Time Prophecy* challenges the very foundation of pretribulation theology. Dr. Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy.

9 Wars of the End Times David Reagan, 2023-05-10. Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon. But do you know Bible prophecy also reveals eight other wars? Arm yourself with the truth of what God's prophetic Word says about the end times and make sure you're ready for Jesus' return. Some topics addressed in this timely book are: Is Psalm 83 a prophecy about an end time war? What is likely to be the timing of the War of Gog Magog? What end time war could be characterized as World War III? Is there any evidence that nuclear weapons will be used in any of the end time wars? Which war of the end times will be supernatural in nature? What wars of the end times will focus on the Jewish people? Why is The Battle of Armageddon a misnomer? Why will the Millennial reign of Jesus end with a war? Is there any hope of a world of eternal peace?

The Complete Idiot's Guide to the Last Days Richard H. Perry, 2006-11-07. Get ready for Judgment Day. For centuries, humans have dreaded and anticipated the end of the world. These fears, fueled by natural disasters, famines, world wars, and the writings of people like Nostradamus and Jeane Dixon, have left us with more questions than answers. In *The Complete Idiot's Guide to the Last Days*, Richard H. Perry goes to the definitive source on the subject: the Bible itself. While the book is as exciting as an action-adventure novel, the author's primary source is the Bible, and he guides his readers to an understanding of the Last Days by using related Scripture. Covers Bible basics and the Signs of the Times. Includes timelines of every stage leading up to the Last Days and after.
