Trinity And Election In Contemporary Theology:

Trinity and Election in Contemporary Theology Michael T. Dempsey, 2011 A lively debate has been heating up among some of the foremost authorities on Karl Barth as they seek to answer a crucial point of contention Is the Trinity complete in itself from all eternity or is it constituted by the eternal decision of election Trinity and Election in Contemporary Theology offers a collection of essays that seek to address this question through rigorous and critical treatment of select topics in the theology of Karl Barth by contemporary interpreters from both Protestant and Roman Catholic perspectives **Jesus,**

History, and Revelation Mitchell D. Mallery, 2025-07-22 This is the first book to bring Karl Barth into dialogue with N T Wright Mallery clarifies the relationship between Jesus's humanity and the content of divine revelation explains the conditions whereby humans can discern this revelation and unpacks the implications of both for the limits of historical study for Christian theology **Trinitarian Theology after Barth** Myk Habets, Phillip Tolliday, 2012-05-31 Drawing together

scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes Barth's thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one It is this variety of responses to and interpretations of Barth's theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation Karl Barth's Analogy of Beauty Andrew Dunstan, 2021-12-30 This book provides the first

comprehensive examination of Karl Barth's view of beauty For over fifty years scholars have assumed Barth recovered traditional belief in God's beauty but refused to entertain any relationship between this and more familiar natural and artistic beauties Hans Urs von Balthasar was the first to offer this interpretation and his conclusion has been echoed ever since rendering Barth's view of beauty irrelevant to work in theological aesthetics This volume continues the late twentieth century revision of Balthasar's interpretation of Barth by arguing that this too is a significant misunderstanding of his theology

Andrew Dunstan demonstrates that through an encounter with fatalistic forms of Reformed theology Brunner's charges that his dogmatics were irrelevant and medieval thought Barth gradually developed an analogy of divine ecclesial and worldly beauty with all the theological christocentric and actualistic hallmarks of his previous forms of analogy This not only yields valuable new insight into Barth's view of analogy but also provides a much needed foundation for a distinctively Protestant and post-Barthian approach to theological aesthetics **Analytic Christology and the Theological Interpretation of the**

New Testament Thomas H. McCall, 2021 This study draws upon the resources of both contemporary analytic theology and the theological interpretation of the New Testament in order to investigate a set of important issues in Christology It is the first work in analytic Christology to draw upon both recent scholarship in biblical studies and recent contributions to analytic philosophy and theology Thomas H McCall explores the themes of union with Christ and the faith of Christ as these are developed by the apocalyptic and New Perspective interpreters of Pauline theology The volume offers a careful analysis of

recent dogmatic proposals about the identity of Christ and the doctrine of election and provides an examination of debates over the subordination of the Son in Hebrews It also probes the relationship of the incarnate Son to his Father in Johannine theology McCall presents an exegetically grounded theological engagement with recent work on the place of logic in the doctrine of the incarnation

Freedom, Necessity, and the Knowledge of God Paul D. Molnar, 2021-12-30 Paul D Molnar discusses issues related to the concepts of freedom and necessity in trinitarian doctrine He considers the implications of non conceptual knowledge of God by comparing the approaches of Karl Rahner and T F Torrance He also reconsiders T F Torrance s new natural theology and illustrates why Christology must be central when discussing liberation theology Further he explores Catholic and Protestant relations by comparing the views of Elizabeth Johnson Walter Kasper and Karl Barth as well as relations among Christians Jews and Muslims by considering whether it is appropriate to claim that all three religions should be understood to be united under the concept of monotheism Finally he probes the controversial issues of how to name God in a way that underscores the full equality of women and men and how to understand universalism by placing Torrance and David Bentley Hart into conversation on that subject

Freedom and Flourishing Robert Leigh, 2017-11-09 Freedom is vital both to Karl Barth s theology and to modern religion politics and culture Leigh describes how Barth s lifelong fascination by freedom culminated in a fresh daring engagement with it in his last completed book volume IV 3 of the massive Church Dogmatics which is probably the most important work of Christian theology in the twentieth century That volume builds on Barth s earlier work but also goes beyond it in ways that have not yet been appreciated Leigh shows how this mature theology of Barth not only responds profoundly to key questions about freedom both in philosophy and theology but also opens up a rich habitable understanding of Jesus Christ and of life in relationship with him that is prophetic for the twenty first century This involves a dynamic integration of knowing with being being with action truth with witness individual with community and divine initiative with human flourishing At the heart of this life with God is participation in the asymmetrical yet utterly reciprocal interaction between human beings and the God who loves them in freedom Leigh succeeds both in describing this participation convincingly and in demonstrating its provocative attractiveness

Missa Est! Eugene R. Schlesinger, 2016-12-15 The twenty first century church cannot afford to neglect mission When church and culture no longer share a common outlook the only way forward is mission Pope Francis recognizes this in his call for a missionary conversion of the church Responding to this invitation is a constructive work in ecclesiology addressing the relationship between liturgy and mission in the church s life It advances a notion of the church grounded in both liturgy and mission where neither is subordinated to nor collapsed into the other The church s liturgical rites disclose and enact the church s identity as a missionary community Close examination of the sources at the heart of traditional communion ecclesiology Trinitarian theology the sacraments of initiation and eucharistic theology yields an ecclesiology in which the church is constituted by both liturgy and mission These are two distinct ways of participating in the triune life of God which is revealed

in the paschal mystery The church's pilgrimage to God's kingdom takes it through the world in mission The church as the body of Christ is given away to God and to the world for the world's salvation The result is a contemporary restatement of traditional ecclesiology transposed into a missional key Irrevocable R. Kendall Soulen, 2022 Irrevocable focuses attention upon a crucial but often misunderstood feature of the Bible God's personal proper name Author R Kendall Soulen explores the implications of God's proper name for Christian faith and for Christianity's relationship to Judaism and Islam *Christ Is Time* Mark James Edwards, 2022-04-01 Christ Is Time The Gospel according to Karl Barth and the Red Hot Chili Peppers welcomes you to the jungle of Barth's head banging opus the Church Dogmatics with the beats rhythms and lyrics of Smashing Pumpkins Pearl Jam Metallica and more Based on lectures at Princeton Seminary Edwards distills Barth's treatment of key questions in philosophical and systematic theology offering a playlist of greatest hits on trinity Christology prayer and others With the care of a scholar and the energy of a stack of Peaveys Christ Is Time testifies that the eternal God gives it away as time through Jesus Christ Let's face it Karl's style is a bit Beastie And since Depeche Mode can say it best this just might be a match made in Nirvana Go gaga
