Así hablamos los Argentos Hugo Funtanillas, 2023-01-31 Para los aficionados a los temas lingüísticos los de comunicación en general y la interpersonal en particular siempre habrá un sinnúmero de temas atractivos para ser estudiados o analizados desde puntos distintos Así hablamos los argentinos es uno de esos casos El objetivo de la obra ha sido recoger y presentar vocablos y expresiones de uso habitual que por su repetición oral o escrita configuran locuciones y modismos incorporados a la comunicación coloquial cotidiana donde ese carácter particular a nuestra forma de hablar tanto que podríamos calificarla como forma argentina pero que no se restringe al uso de los calificados como argentinismos ya que en muchos casos alcanzan el ámbito rioplatense y latinoamericano La pretensión de exponer la amplia gama de modalidades coloquiales brinda la posibilidad de abordaje por distintas vías lo que permite a su vez un formato de agrupación para ser más ameno su acceso y lectura El dinámico juego expresivo de los modismos en la mayoría de los casos la comunicación no se compromete sino que hace que esta adquiera una forma peculiar usada en todo el territorio del país a la que se añaden los regionalismos y provincialismos Además es notable ver cómo en vocablos de grafías idénticas la diferencia de sentido se transmite a través del lenguaje paraverbal o no verbal La atracción en este caso ha llevado al autor a sondear no solamente en los posibles orígenes geográficos culturales y etimológicos de esas locuciones y modismos sino en el armado de las frases incidencia de la moda o imitación herencia generacional comparaciones modificaciones de donde gráfica o semántica algunas curiosidades idiomáticas etc todo ello motivado e impulsado siempre y de modo constante por estos interrogantes ¿Qué nos lleva a armar o usar una frase de determinada forma Por qué decimos lo que decimos De dónde provienen las locuciones que usamos ¿Cómo o cuándo las adoptamos Nos han llegado modificadas o las modificamos nosotros Por qué causa Tenemos formas propias ¿cómo surgen Son reemplazadas a través del tiempo ¿Cómo inciden en la comunicación cotidiana Un registro de estas características exige atención permanente durante mucho tiempo a todo tipo de manifestación coloquial oral o escrita charlas de familia amigos reuniones formales e informales el lenguaje de la calle los medios de comunicación etc es decir todos los ámbitos de prevalencia de lo coloquial donde las vulgaridades también están Es un conjunto de modalidades que incluye armado particular de frases expresiones que tomamos de distintos deportes asignación de nombres propios para cosas o situaciones el recurso de la ambigüedad y polisemia aplicadas al humor con mucha creatividad vocablos y verbos que inventamos eufemismos disfemismos y muletillas o latiguillo tropos y metáforas palabras comodines atajos que alteran frases usamos una gran cantidad de dichos refranes y locuciones que conforman la fraseología popular autóctona y regional o la heredada de las

generaciones que nos precedieron por influjo de la conquista la inmigración etc Esa fraseología se la usa y repite desconociendo en general su origen o significado real más a n por el uso suele modificarse la forma y hasta d rsele un sentido distinto En definitiva esta obra pretende resaltar la riqueza de la modalidad coloquial que obviamente se mezcla con lo vulgar lo que ha quedado plasmado en más de tres mil registros y que permite que podamos decir As hablamos los argentinos ¿Y si...? Sandra Ovies Fernández, 2023-06-29 Una deliciosa novela sobre la condición humana cargada de optimismo alegría ganas de vivir y humor todo ello en el idílico escenario de Asturias Es un canto a las segundas oportunidades Nunca es tarde para perseguir los sueños y un recordar que no hay mayor fracaso que no intentar las cosas Trata fundamentalmente sobre el miedo La aprensión que acompaña al ser humano cuando siente cuando sufre cuando se enfrenta a los cambios También trata del amor y de los límites que le acompañan La protagonista principal es Salma alrededor de ella se construye la trama de la novela por un lado Alicia y Tristán profundamente enamorados pero temerosos hacia el futuro Por otro lado Tomás y Manuela separados por el recelo de enfrentar el amor que sentían en la juventud y que con el paso de los años no ha cambiado y sigue tan intacto como el primer día Y por último Flavia y Sergio un matrimonio ejemplar enamorados que ven cómo la vida les pone a prueba Has sentido miedo alguna vez Te has enamorado Has albergado esperanzas que no se han cumplido Has cometido errores por ser impaciente Si la respuesta es sí querido lector entonces comprenderás por qué he querido que el Tiempo el Amor y la Paciencia fueran personajes más de esta novela que en un diálogo irreal y metafórico se mezclan en la vida del resto de personajes y se relacionan con ellos
