One Year in Brittany Victoria Huang Song, 2015-03-16. Brittany isn't France; that's what Victoria, the modern big city Chinese girl who was raised up internationally, found out when she had arrived at her destination for her exchange year. The tiny town with nothing inside, the narrow minded people and the boring countryside life didn't appear acceptable for the ambitious girl. However, after struggling too hard that she had screwed up her relationship with her host family and her friends and her life in France was finally a mess and after her beautiful trips alone around Europe she had successfully learned about life. The book was not only a journal but also a deep communication of the Western and Eastern cultures. What's more, it can be a great travel guide for European countries.
