

not, at least
 long ways! There is
 nothing around. It was not far here,
 and after some thinking he made
 up his mind.

The elephant went to the monkey and
 said, "Hello, monkey! Would
 you like to be my friend?" The monkey said, "Yes, but first try
 to make like me, or I won't be your friend."

The elephant then went to a rabbit and asked the same
 question. The rabbit said, "Yes, but first try to be as
 small, or I won't be your friend." The elephant then went to
 the frog and the goose and asked the same question. The frog
 replied, "Yes, but first try to jump as high as me, or I won't
 be your friend."

The elephant was really sad because the rabbit, monkey,
 friends. Then, one day, she saw all the animals running after
 her like horses, and she asked a lion what the lion was about.
 The lion said, "The lion is not the lion — they are running
 after him to have something." The elephant went up to the
 lion and said, "Please don't hurt those innocent people."

Please don't hurt them!" The lion roared and asked the
 elephant to move aside. Then, the elephant got angry and
 pushed the lion with all her might, hurting him. All the other
 animals came out slowly and started to speak about the lion's
 death. They went to the elephant and said to her, "You are
 just the right size to be our friend!"

End of the story: A person's size does not determine their
 worth.
