Tracing Ansky Jewish Collections From The Ethnographic Museum In St Petersburg:

Tracing An-Sky Gosudarstvennyi muzei étnografii narodov SSSR.,1992 Catalogus bij een tentoonstelling van de joodse collectie van het Nationaal Volkenkundig Museum te St Petersburg **Inventing Jewish Ritual** Vanessa L. Ochs,2010-01-01 A celebration of innovation and creativity in Jewish ritual **Hasidic Art and the Kabbalah** Batsheva Goldman-Ida,2017-10-10 Hasidic Art and the Kabbalah presents eight case studies of manuscripts ritual objects and folk art developed by Hasidic masters in the mid eighteenth to late nineteenth centuries whose form and decoration relate to sources in the Zohar German Pietism and Safed Kabbalah Examined at the delicate and difficult to define interface between seemingly simple folk art and complex ideological and conceptual outlooks which contain deep abstract symbols the study touches on aspects of object history intellectual history the decorative arts and the history of religion Based on original texts the focus of this volume is on the subjective experience of the user at the moment of ritual applying tenets of process philosophy and literary theory Wolfgang Iser Gaston Bachelard and Walter Benjamin to the analysis of objects **The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **The Jewish Dark Continent** Nathaniel Deutsch,S An-Sky,2011-11-29 The Jews of the Pale of Settlement created a distinctive way of life little known beyond its borders Just before World War I a socialist revolutionary named An sky and his team collected jokes recorded songs took thousands of photographs and created a revealing questionnaire in Yiddish translated here in its entirety for the first time *1915 Diary of S. An-sky* S. A. An-Sky,2016-03-28 The WWI diary of the Russian Jewish activist and author of *The Dybbuk* presents an unforgettable portrait of life culture and destruction Eugene Avrutin author of *Jews and the Imperial State* By the outbreak of World War I S An sky was a well known writer a longtime revolutionary and an ethnographer who pioneered the collection of Jewish folklore in Russia s Pale of Settlement In 1915 An sky took on the assignment of providing aid and relief to Jewish civilians trapped under Russian military occupation in Galicia As he made his way through the shtetls there close to the Austrian frontlines he kept a diary of his encounters and impressions In his diary An sky describes conversations with wounded soldiers in hospitals fellow Russian and Jewish aid workers and Jewish civilians living on the Eastern Front He recorded the brutality and violence

against the civilian population the complexities of interethnic relations the practices and limitations of philanthropy and medical care Russification policies and antisemitism In the late 1910s An sky used his diaries as raw material for a lengthy memoir in Yiddish published under the title *The Destruction of Galicia* Although most of An sky s original diaries were lost two fragments are preserved in the Russian State Archive of Literature and Art Translated and annotated here by Polly Zavadviker these fragments convey An sky s vivid perceptions and enlightening insights *Gilded Lions and Jeweled Horses* Murray Zimiles, Vivian B. Mann, American Folk Art Museum, Fenimore Art Museum (Cooperstown, N.Y.), Farmers' Museum (Cooperstown, N.Y.), 2007 A richly illustrated volume celebrating Jewish carving traditions from the Old World to the New

YIVO and the Making of Modern Jewish Culture Cecile Esther Kuznitz, 2014-04-21 This book is the first history of YIVO the original center for Yiddish scholarship Founded by a group of Eastern European intellectuals after World War I YIVO became both the apex of secular Yiddish culture and the premier institution of Diaspora Nationalism which fought for Jewish rights throughout the world at a time of rising anti-Semitism From its headquarters in Vilna Lithuania YIVO tried to balance scholarly objectivity with its commitment to the Jewish masses Using newly recovered documents that were believed destroyed by Hitler and Stalin Cecile Esther Kuznitz tells for the first time the compelling story of how these scholars built a world renowned institution despite dire poverty and anti-Semitism She raises new questions about the relationship between Jewish cultural and political work and analyzes how nationalism arises outside of state power **The Maiden of Ludmir** Nathaniel Deutsch, 2003-10-06 Hannah Rochel Verbermacher a Hasidic holy woman known as the Maiden of Ludmir was born in early nineteenth century Russia and became famous as the only woman in the three hundred year history of Hasidism to function as a rebbe or charismatic leader in her own right Nathaniel Deutsch follows the traces left by the Maiden in both history and legend to fully explore her fascinating story for the first time The Maiden of Ludmir offers powerful insights into the Jewish mystical tradition into the Maiden s place within it and into the remarkable Jewish community of Ludmir Her biography ultimately becomes a provocative meditation on the complex relationships between history and memory Judaism and modernity History first finds the Maiden in the eastern European town of Ludmir venerated by her followers as a master of the Kabbalah teacher and visionary and accused by her detractors of being possessed by a dybbuk or evil spirit Deutsch traces the Maiden s steps from Ludmir to Ottoman Palestine where she eventually immigrated and re established herself as a holy woman While the Maiden s story including her adamant refusal to marry recalls the lives of holy women in other traditions it also brings to light the largely unwritten history of early modern Jewish women To this day her transgressive behavior a challenge to traditional Jewish views of gender and sexuality continues to inspire debate and sometimes censorship within the Jewish community **Studia Judaica** , 2006 *Jewishness* Simon J. Bronner, 2008-04-24 The idea of Jewishness is examined in this volume with provocative interpretations of Jewish experience and fresh approaches to the understanding of Jewish cultural expressions **The Pakn Treger** , 1999 *Going to the People* Jeffrey

Veidlinger, 2016-02-22 A remarkable achievement demonstrating the vitality of Jewish folklore and ethnographic studies a hundred years after An sky s pioneering expedition Folklore Taking S An sky s expeditions to the Pale of Jewish Settlement as its point of departure the volume explores the dynamic and many sided nature of ethnographic knowledge and the long and complex history of the production and consumption of Jewish folk traditions These essays by historians anthropologists musicologists and folklorists showcase some of the finest research in the field They reveal how the collection analysis and preservation of ethnography intersect with questions about the construction and delineation of community the preservation of Jewishness the meaning of belief the significance of retrieving cultural heritage the politics of accessing and memorializing lost cultures and the problem of narration among other topics Going to the People proves itself a useful addition to scholarship on Jewish folklore and ethnography by introducing major issues in these fields as well as the historical figures and contemporary scholars who have shaped and continue to shape their development Western Folklore This book s essays portray the various threads and trends in Jewish ethnography in Poland and Soviet Russia the US the new Jewish State of Israel and eventually in postcommunist societies The endurance and evolution of Jewish folk culture is analyzed using techniques applicable to all groups and communities Recommended Choice I read through this collection with pleasure and fascination These are valuable voices that should be heard Gabriella Safran Stanford University This volume brings together some of the most innovative research in the field Eugene Avrutin author of Photographing the Jewish Nation Pictures from S An sky s Ethnographic Expeditions Women and Men in Love Luisa Passerini, 2012-07 It has often been assumed that Europeans invented and had the exclusive monopoly over courtly and romantic love commonly considered to be the highest form of relations between men and women This view was particularly prevalent between 1770 and the mid twentieth century but was challenged in the 1960s when romantic love came to be seen as a universal sentiment that can be found in all cultures in the world However there remains the historical problem that the Europeans used this concept of love as a fundamental part of their self image over a long period traces of it still remain and it became very much caught up in the concept of marriage This book challenges the underlying Eurocentrism of this notion while exploring in a more general sense the connection between identity and emotions Women and Men in Love Anthony Edward Waine, 2007 It has often been assumed that Europeans invented and had the exclusive monopoly over courtly and romantic love commonly considered to be the highest form of relations between men and women This view was particularly prevalent between 1770 and the mid twentieth century but was challenged in the 1960s when romantic love came to be seen as a universal sentiment that can be found in all cultures in the world However there remains the historical problem that the Europeans used this concept of love as a fundamental part of their self image over a long period traces of it still remain and it became very much caught up in the concept of marriage This book challenges the underlying Eurocentrism of this notion while exploring in a more general sense the connection between identity and emotions Klezmer Zev Feldman, 2016 Klezmer is the first comprehensive study of

the musical structure and social history of klezmer music the music of Jewish musicians guild of Eastern Europe Author Walter Zev Feldman includes major written sources as well as interviews with European born klezmerim conducted over a period of more than thirty years Including musical analysis Feldman draws upon the foundational collections of the late Tsarist and early Soviet periods plus rare klezmer and cantorial manuscripts **The Jewish Quarterly** ,1995 *Film als Midrasch* Klaus S. Davidowicz,2016-12-05 The book explores the conscious usage of Jewish mystical themes and motifs in popular as well as arthouse cinema from the silent film era to the present This historical as well as geographic arc spanning from Paul Wegener s Golem 1920 to films such as David Goyer s The Unborn 2009 Ang Lee s Life of Pi 2012 or David Aronofsky s Noah 2014 is held together by a tightly argued and detailed discussion of both the kabbalist elements themselves and their presence in film and television Organized in four interrelated parts the study focuses on mystical secrets of the Hebrew alphabet where each letter is attributed a numerical value and each number has a hidden meaning the idea of the Dybbuk as an exiled soul looking for a bodily home the Lurianic concepts of Tzimtzum contraction and Tikkun olam repair of the world and finally the legend of the Golem whose Prague origins have been reworked not only in numerous movies but also in popular US television shows including the X Files and The Simpsons **Альбом еврейской художественной старины Семена Ан-ского** A. S. Kant[с]edikas,Irina Sergeeva,2001 Tracing An-sky Joods Historisch Museum (Amsterdam),State Ethnographic Museum (St Petersburg),1992
