Initiation and Spiritual Realization René Guénon, 2004-05 Initiation and Spiritual Realization is the closest thing to a work on spiritual direction Ren Gu non ever wrote touching as it does upon such vital topics as the transmission of initiatic grace the various types and functions of the spiritual master obstacles the aspirant is likely to encounter different modes of contemplation and the degrees of spiritual realization A companion volume to Perspectives on Initiation where Gu non had defined the nature of initiation and of the organizations qualified to transmit it Initiation and Spiritual Realization was the first thematic collection of Gu non's articles to appear after his death And one doctrine expressed in this book stands out as particularly timely that esoterism is not and cannot be a religion in itself since to take it as such is to reduce it to an alternative exoterism and a heterodox one at that Initiatic esoterism can only be legitimately and effectively practiced within the context of one of the established revealed religions *Tradition and Modernization in Japanese Culture* Donald H.
