Traditional Witchcraft And The Path To The Mysteries:

Traditional Witchcraft and the Path to the Mysteries Melusine Draco,2015-03-27 Traditional Witchcraft and the Path to the Mysteries the sixth and last in the Traditional Witchcraft series is a voyage of discovery and as with every journey it is essential that we understand where we are now and where we want to be We need proper direction unlike that popular old Irish saying If I wanted to be going there I wouldn't be starting from here So let us make our preparations put our house in order and begin our journey of exploration and self discovery As with all stages of Life there are friends and acquaintances to consider the essence of some we will take with us the rest we will leave behind But as the genii from Where the Rainbow Ends says Time is short and we have far to travel [Pagan Portals - Sexual Dynamics in the Circle](#) Melusine

Draco,2021-03-26 One of the most significant social changes in the 20th century was the wedge driven between the males and females of Craft as a result of social media and political feminism From a purely magical point of view the battle of the sexes has been one of the most negative crusades in the history of mankind since everything in the entire Universe is made up from a balance or harmony of opposite energies Men and women are different as night and day but still part of the same homo sapiens coin regardless of their individual sexuality **Pagan Portals - The Inner-City Path** Melusine

Draco,2020-10-01 Pagan Portals The Inner City Path A Simple Pagan Guide to Well Being and Awareness was inspired by Chet Raymo's book of similar title that chronicled his own daily urban walk to work and his observing the seasonal changes with a scientist's curiosity The Inner City Path is written from a pagan perspective for those times when we take to our local urban paths as part of our daily fitness regime or dog walk It is based on several urban walks that have merged together over the years to make up a book of the seasons and offers a glimpse into the pagan mind set that can find mystery under every leaf and rock along the way A simple guide to achieving a sense of well being and awareness **Pagan Portals - Western**

Animism Melusine Draco,2019-07-26 A Zen approach to the World the Universe and Everything Many of today's disenfranchised pagans in the West appear to be seeking a spiritual connection to life without feeling the need to become a witch a Wiccan a shaman Heathen or a Druid Here the Shinto approach fulfils the basic need for a belief system based on what we would define as simple animism and ancestor worship in accord with the world's other authentic animistic traditions such as the Australian Aboriginal and Native American way of life while Zen provides the intellectual stimulation rising from the simplicity of basic folk belief to elevate the soul to a higher level of mysticism **Traditional Witchcraft and the**

Pagan Revival Suzanne Ruthven,2013-08-30 Traditional Witchcraft and the Pagan Revival takes us on a journey into the past along the highways and byways of our pagan heritage to discover when the different aspects of magical influence entered traditional witchcraft It will appeal to everyone with an interest in magic witchcraft and paganism from grass roots to the more advanced levels of Wicca who wish to learn more about the different traditions and their antecedents **Pagan**
