Trailblazers Featuring David Livingstone And Other Christian Heroes Trailblazer S:

Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 *David Livingstone* Catherine MacKenzie, 2008-11
Read to me 4 5 years Read myself 6 7 years David Livingstone s extraordinary journey Part of the popular Little Lights series

David Livingstone Renee Meloche, 2004 As a young boy David Livingstone 1813 1873 read every science book he could find and dreamed of exploring unknown lands Later he followed his dreams becoming a missionary doctor in Africa There he ventured bravely into places no other white man had been healing people s bodies with his medical skills and reaching their hearts with the gospel **Livingstone, Trail Blazer for God** Leslie Morrill, Madge Haines, 1959 David Livingstone Sam Wellman, 2012-12-01 For challenge and encouragement in your Christian life read the life stories of the Heroes of the Faith The novelized biographies of this series are inspiring and easy to read ideal for Christians of any age or background In David Livingstone you ll get to know the Scottish explorer who carried the gospel to the heart of nineteenth century Africa and gained worldwide fame as the man who introduced Victoria Falls to the outside world Appropriate for readers from junior high through adult helpful for believers of any background these biographies encourage greater Christian commitment through the example of heroes like David Livingstone David Livingstone John Waters, 1996 **David Livingstone** Ben Alex, 1998-07-01 A collection of 7 modern day missionaries whose lives will captivate and inspire young Christians With great full color illustrations and thorough information this series is excellent for ages 10 16 and is great for homeschool groups

David Livingstone Sam Wellman, 1995 Contains a narrative biography of David Livingstone discussing his formative years in Scotland his training as a missionary and his expeditions to Africa including information on the discoveries he made there surviving exhaustion illness and wild animals **David Livingstone** Sam Wellman, 1995-10-01 Scottish missionary and doctor David Livingstone carried the message of the Christian gospel as he trekked more than 40 000 miles from Cape Town through central Africa **David Livingstone** Charles Silvester Horne, 1999 His dream was to end the slave trade in Africa and establish Christianity and lawful commerce on the continent a dream that was finally realized after his death Explore the inspiring life of this courageous Scottish missionary and doctor who believed that the salvation of men ought to be the chief desire and aim of every Christian Grades 8 to 12 **David Livingstone** Charles Silvester Horne, 1914 On March 19th 1913 a hundred years will have passed since David Livingstone was born It is only forty years since his body was carried by faithful hands from the centre of Africa to the coast that he might be buried among his peers in Westminster Abbey Nothing that has happened since has diminished by a single laurel the wreath he won and will wear for ever With every decade his fame greatens and whatever our views on African problems might be we may all agree that her white population may well pray for a double portion of his spirit The present biography aspires to present his life to those in our busy century who ask for short measure and a clear simple narrative of facts The author has not aimed so much at telling the story as at allowing the story to tell itself It may be added that in the belief of the writer Livingstone is greatest not as a scientist nor an explorer but as a

man and a missionary Preface **David Livingstone** Basil Mathews,2000 *David Livingstone* C. Silvester

Horne,2022-05-29 In *David Livingstone* C Silvester Horne crafts a meticulously detailed portrait of the renowned Scottish physician missionary and explorer a man whose endeavors left indelible marks on the African continent and on Victorian Britain s imagination The narrative extends beyond the conventional hagiography revealing Livingstone s multifaceted roles as an ardent abolitionist an innovative researcher and a tireless scientist Horne s literary style is both analytical and engaging placing the biography in the broader context of 19th century exploration literature while providing insightful perspectives on Livingstone through a blend of primary sources and personal reflections The biography thus serves as a lens not only into Livingstone s life but also the era s societal undercurrents embodied in the complex interplay between colonialism science and evangelical Christianity C Silvester Horne s dedication to presenting an unconventional account of David Livingstone stems from his own multifaceted career as a British historian and parliamentarian Horne s intimate knowledge of both historical milieu and the political landscape of his time lends authenticity to his exploration of Livingstone s lasting impact on British imperial policy and his fervent opposition to the slave trade This biographical endeavor is informed by Horne s understanding of the importance of complex historical figures and their ability to influence public policy and perception long after their passing David Livingstone comes highly recommended for readers interested in expanding their knowledge of one of the 19th century s most compelling figures This biography will particularly resonate with those who appreciate a deep dive into the lesser known aspects of historical personalities offering a nuanced and comprehensive understanding of their lives Scholars and lay readers alike will find in Horne s biography a work that is as educational as it is inspiring challenging the conventional narrative with rigorous scholarship and a passionate recounting of a truly extraordinary life

David Livingstone Vance Christie,2023-07-11 David Livingstone was one of the most consequential individuals who lived in the nineteenth century An unpretentious Scottish missionary doctor explorer and abolitionist he opened the door for Christianity in southern Africa Vance Christie s biography is the most comprehensive and accurate ever written about Livingstone During his lifetime he was a hero in Britain and beyond and gained a degree of respect trust appreciation and even affection with many African people He was a man who overcame many deprivations and discouragements and displayed the utmost measure of courage self control faith wisdom and ingenuity Christie takes a balanced look at Livingstone s amazing achievements but also at his very real flaws This gripping in depth biography is a must read insight into a fascinating man

The Life of David Livingstone Blaikie, W. Garden,2015-02-05 The life of David Livingstone by W Garden Blaikie is mostly from his unpublished journals and correspondence in the possession of his family and contains over 40 illustrations The purpose of this work was to make the world better acquainted with the character of Livingstone His discoveries and researches have been given to the public in his own books but his modesty led him to say little in these of himself and those who knew him best feel that little is known of the strength of his affections the depth and

purity of his devotion or the intensity of his aspirations as a Christian missionary The growth of his character and the providential shaping of his career are also matters of remarkable interest of which not much has yet been made known An attempt has been made in this volume likewise to present a more complete history of his life than has yet appeared Many chapters of it are opened up of which the public have hitherto known little or nothing It has not been deemed necessary to dwell on events recorded in his published Travels except for the purpose of connecting the narrative and making it complete Even on these however it has been found that not a little new light and color may be thrown from his correspondence with his friends and his unpublished Journals Much pains was taken to show the unity and symmetry of his character As a man a Christian a missionary a philanthropist and a scientist Livingstone ranks with the greatest of men and shows the minimum of infirmity in connection with the maximum of goodness Nothing can be more telling than his life as an evidence of the truth and power of Christianity as a plea for Christian Missions and civilization or as a demonstration of the true connection between religion and science The recovery of an important private journal of Dr Livingstone which had been lost at the time when the Missionary Travels was published has thrown much new light on the part of his life immediately preceding his first great journey A Map has been specially prepared in which the geographical references in the volume are shown which will enable the reader to follow Livingstone's movements from place to place With so much material it would have been easier to write a life in two volumes than in one but for obvious reasons it has been deemed desirable to restrict it to the present limits W Garden Blaikie wrote one if not the fullest and most lively account of the personal life and ministry of Dr Livingstone that has ever been put out He gives the reader a real feel for the struggles and the joy that Dr Livingstone experienced as well as a true atmosphere of the ages in which he lived By the end of the book not only is the reader fully acquainted with Dr Livingstone but one feels as though you know him

David Livingstone Ben Alex, **David Livingstone** Barbour Publishing, Sam Wellman, 2004-07 People need inspiration like never before and here it is Barbour's Heroes of the Faith series is back in a new format at a new lower price Adults and adolescents will be inspired by the bravery commitment perseverance and wisdom of this great Christian leaders finding compelling easy to read biographies of missionaries evangelists hymn writers and others who made their mark for Christ beyond the walls of the church Heroes of the Faith the name says it all

David Livingstone Charles Silvester Horne, 1924 **David Livingstone** Louise Seymour Houghton, 1882 *David Livingstone* Dan Larsen, 2008 This is the biography of Dr David Livingstone nineteenth century Scottish missionary and explorer who pioneered Christian missions in much of interior Africa
