Tranceformers Shamans Of The 21st Century:

Tranceformers John Jay Harper, 2006-01 *Tranceformers Shamans of the 21st Century* opens with the circumstances of this author's contact with a dead optics physicist colleague that set him adrift on the ocean of other people's opinions not facts concerning life after death. Desperately searching for scientific answers to his myriad spiritual questions, Harper finally landed on solid intellectual ground only after he paradoxically anchored himself to the Rosetta stone of trance that unified the purpose of religion and science into one truth. Indeed, he learned that we are all becoming fifth-dimensional beings of light with third-eye open psychic solar powers. Once again, Harper saw that what astronomers define as Solar Cycle 24 between the Venus transits in 2004 and 2012, astrologers had symbolically portrayed as the Eternal Return of the Sun of God. This is an easy-to-read book offering words of wisdom as we enter into the Age of Aquarius. The Water Bearer of cataclysmic Earth changes.

Tranceformers Shamans of the 21st Century John Jay Harper, 2009 *Tranceformers Shamans of the 21st Century* is the true story of this author's contact with a dead optics physicist colleague and the telepathic communication that sent him searching for scientific answers to his spiritual questions. Harper draws from this deep well of wisdom, astrology, biology, near-death experiences, paranormal psychology, quantum physics, as well as Egyptian and Mayan cosmology. Overall, he does an excellent job of synthesizing massive amounts of information, making this shift of the ages comprehensible to the general reader. Clearly, this is a necessary primer to understand the coming apocalypse of biblical proportions in consciousness, climate, culture, and civilization. However, the theme of this book is that by learning to use trance, the techniques employed by mystics, prophets, and shamans, one can unlock the mysteries of existence for themselves. Indeed, this is the big idea behind the Eternal Return of the Sun of God in 2012. *Self Empowerment 9 Life Altering Lessons* Kala Ambrose, 2007-08. For thousands of years, a select few attended ancient mystery schools and temples around the world. These schools taught the nature and destiny of mankind, the magical universe in which we reside, and revealed powerful secrets regarding universal natural laws. In *9 Life Altering Lessons*, Secrets of the mystery schools unveiled, esoteric teacher Kala Ambrose brings some of the most important and relevant lessons to the modern world. Kala discusses many of the ancient mystery school topics which are designed to stir the soul, awaken the mind, and reveal long forgotten memories of past lives in these schools, as well as inspire you to explore the magnificence of who you really are.

Doc and the Judge Gary M. Granger, 2008-12. Friendship with the Judge came at a pivotal time in Doc's life; he quickly became the closest, truest, most generous brother Doc ever knew. They were a chemical reaction when they came together with a thought, an idea, or a plan to pull off another coup. As the saying goes, there's synergy creating energy that's stronger than the sum of its parts. That was Doc and the Judge. The Judge was fire, Doc was water. The Judge was all reaction, and Doc was all control. Doc and the Judge redefined business as usual. They didn't just break on through to the other side as Jim Morrison urged in his hypnotic sixties reverie; they crashed and crashed on through. They made tons of money for the grey suits that supported and funded them.

and a tidy pile of cash for themselves along the way Though it was truly not about the money for them it was about being dudes They defined themselves daring the world to defy their ability to turn cultural trends into big money returns for the true believers who backed them They never compromised never shrank from a battle and never feared losing it all Their business acumen and inherent credibility was inextricably linked to their integrity and musical and business authenticity Doc watched over the Judge for his own good and the Judge knew and respected his faith The Judge was a searing shooting star flashing blindingly across the night sky and defiantly demanding acceptance on his own terms The Doc executed the business and kept it real They took on the world bought and sold it many times over laughing ALL THE WAY TO THE BANK They were inseparable during the decade of the 70 s Butch and the Kid many called them The Judge always swore he ruled his court Doc smiles at these memories suspecting that even now he s hanging out with God and is slipping a wickedly powerful toke or perhaps a St Pauli s girl to the Apostles when the big G isn t looking

An End to All Disease Lt. Lawrence F. Frego, 2006-07-19 We are at the crossroads of world health On the one hand we face the possibility of a world wide pandemic the likes of which has never been seen before We are likewise on the threshold of discovering natural cures for nearly every disease As choosing wisely may mean the difference between life and death this book is designed to help the reader choose alternative options that are seldom if ever in the news Jared Diamond in his groundbreaking work Collapse How Societies Choose to Fail or Succeed addresses the fact that only civilizations that recognize the threats against their existence and deal with the threat effectively survive Civilizations with their heads in the sand become extinct or are conquered by more vigorous nations The robber barons of the last century were able to create a monopoly for oil and the automobile by ruthlessly and systematically destroying all competition They tore up cable car lines and public transportation so the public would have no other alternative except their oil Today the drug monopolies owned by the descendants of these same robber barons are nearly complete in their plot to eradicate all natural low cost remedies for disease prevention and treatment In the state of Florida naturopathic physicians were de licensed unless they also had a conventional medical license The powers that be want to create a drug induced society at an enormous financial and emotional cost to the public at large They are even trying to outlaw vitamins via European health treaties and side step the American constitution and the public The ever escalating cost of medical care created by lack of natural alternative options can only lead to the eventual total collapse of the entire medical system It is exceedingly difficult finding the truth about alternative medicine as the system has a vested interest in making profits and keeping the truth from you A few thousand deaths is an acceptable loss if a few billion dollars can be made And it will be a cold day in hell before a drug company puts itself out of business by telling you about a low cost natural cure that their product can manage The guardians of public health know which side their toast is buttered on also The career politicians and beltway bandits at the FDA know where the money is and they don't get it from you or providers of natural cures The drug monopolies pay the big bucks There have been no checks and balances Corruption has become so pronounced that the US House of Representatives is seeking to pass the Consumers Access to Health Information Act H R 2352 to ensure that accurate health claims ARE NOT SUPPRESSED Consumers would be given TRUTHFUL AND COMPLETE information about the curative mitigation treatment and prevention effects of foods and dietary supplements on disease or health related conditions The time to exercise your God given right to the health care of your choice is now www.lef.org

America has the finest emergency health care in the world Bar none However that is not the nature of the coming threat American baby boomers will soon be retiring in the tens of millions Their health care needs will be staggering and costly However 92% of American health care providers are trained in emergency medicine and only 8% in long term preventative medicine As it takes a minimum of 6 7 years to obtain a medical degree America is unprepared for a crisis that is inevitable

Oakford,2007-07 David Oakford's story is true real and utterly profound Although street drugs were clearly the initial for this NDE what happened next was a full blown ascended state of consciousness that is well documented in the spiritual and scientific literature This book is once again revealing that NDE's are not magic nor do they produce saints And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening Because ultimately there emerged a transformed man who knew positively knew that there is more to life and death than we are taught in our religious organizations and more to God's greater plan for us than we can imagine today
