Transforming a University Angela Brew, Judyth Sachs, 2007-06-21 This unique collection shows what happens when one university takes on the challenge of developing the scholarship of teaching and learning with a view to enhancing students learning experiences Transforming Teaching and Learning in Higher Education Ruksana Osman, David J

Hornsby, 2017-06-09 Universities face the prospect of becoming redundant unless the way teaching and learning takes place changes This book explores the idea of transformation and pedagogy In particular it will highlight how universities are transformed through a set of pedagogical interventions and stances that integrate a sense of moral and ethical purpose to learning Actively integrating cultural pluralism in developing knowledge and understanding aspires to liberate the learner from existing power structures by fostering a desire to challenge and change the social system in which we live and connects the reality around us and its many problems to the knowledge generation process **International Perspectives on**

Teaching and Learning in Higher Education Norma Ryan, 2008 **The Scholarship of Teaching and Learning in Higher Education** Shirley Booth, Laurie Woollacott, 2015-12-31 This book makes a significant contribution to the literature on the Scholarship of Teaching and Learning SoTL It provides both theoretical and practical insights that should be of interest to many SoTL scholars and practitioners worldwide The theme of teaching and learning and SoTL as fundamentally communicative acts connects the entire volume and will be picked up by SoTL scholars elsewhere as a useful and critical frame for future scholarship The cases from South Africa and Sweden offer new perspectives on teaching learning and SoTL

Developing the Higher Education Curriculum Brent Carnell, Dilly Fung, 2017-11-13 A complementary volume to Dilly Fung's *A Connected Curriculum for Higher Education* 2017 this book explores research based education as applied in practice within the higher education sector A collection of 15 chapters followed by illustrative vignettes it showcases approaches to engaging students actively with research and enquiry across disciplines It begins with one institution's creative approach to research based education UCL's *Connected Curriculum* a conceptual framework for integrating research based education into all taught programmes of study and branches out to show how aspects of the framework can apply to practice across a variety of institutions in a range of national settings The 15 chapters are provided by a diverse range of authors who all explore research based education in their own way Some chapters are firmly based in a subject discipline including art history biochemistry education engineering fashion and design healthcare and veterinary sciences while others reach across geopolitical regions such as Australia Canada China England Scotland and South Africa The final chapter offers 12 short vignettes of practice to highlight how engaging students with research and enquiry can enrich their learning experiences preparing them not only for more advanced academic learning but also for professional roles in complex rapidly changing social contexts *The Scholarship of Teaching and Learning in Higher Education* William E. Becker, Moya L. Andrews, 2004 This anthology represents the best papers presented at three conferences held by the Scholarship of Teaching and Learning

programme at Indiana University *Applying the Scholarship of Teaching and Learning beyond the Individual Classroom* Jennifer C. Friberg, Kathleen McKinney, 2019-08-29 When the Scholarship of Teaching and Learning SoTL emerged it often concentrated on individual faculty practice in one classroom it is now however increasingly common to find work in SoTL focused more broadly SoTL studies may engage with a cluster of courses a program a particular population of students a pedagogical approach or a field all of which are represented in the essays collected here by authors from a diverse array of institutions and nations This volume features examples of SoTL research conducted in and applied to a variety of contexts and disciplines offering a theoretical framework for an expanded vision of SoTL one that moves beyond the individual classroom *The Scholarship of Teaching and Learning in Canada: Institutional Impact* Nicola Simmons, 2016-06-15

Develop effective models of practice and positively impact institutional teaching and learning quality This volume provides examples and evidence of the ways in which post secondary institutions in Canada have developed and sustained programs around the scholarship of teaching and learning SoTL that impact the institutional pedagogical climate Topics include the historical development of SoTL in Canada institutional SoTL practices including evidence of impact program design and case studies and continuing challenges with this work This is the 146th volume of this Jossey Bass higher education series It offers a comprehensive range of ideas and techniques for improving college teaching based on the experience of seasoned instructors and the latest findings of educational and psychological researchers
