Transforming Leadership Jesus Way Of Creating Vision Shaping Values Empowering Change:

Transforming Leadership Leighton Ford,1991 Given our all too human feelings of inadequacy Leighton Ford writes how can Jesus be taken as our leadership model If he is unique if he is the Son of God does that not put him in a category which is light years beyond us And what relevance can a leader like that have for us In this inspiring book Ford recognizes the doubts and weaknesses of leaders as well as their strengths and confidences He does not saddle already overburdened leaders with another set of impossibly demanding tasks Instead he calls his readers to recognize the unique and refreshing vision of leadership modeled by Jesus Ford insists that Jesus model of leadership does not paralyze but empowers When I have false ideas of my strength Jesus Christ exposes my incompetence he writes When I feel totally beyond my depth he provides for me God s enabling power This is not another leadership how to manual It is a book for leaders who want to look anew and thoroughly at the powerful ministry of Jesus Only so will they become leaders who create vision shape values and empower change

Living in Tension, 2 Volume Set Douglas D. Webster, 2012-08-13 If you have picked up this book chances are you are a committed follower of Christ Like many searching Christians you are tired of religious busywork and showy piety You long for authentic worship and meaningful service You came to Christ with deep expectations of transformation and service but those passions have been starved by shallow theology and superficial relationships You are looking for something more You are ready to sink your mind into what the Bible says about the call of God the priesthood of all believers and what it means to live for Christ and his kingdom The two volume Living in Tension offers in depth spiritual direction on the crucial issues shaping a theology of ministry This is not a book for pastors only Webster intentionally blurs the distinction between pastor and congregation This book is for all believers who take God's call to salvation service sacrifice and simplicity seriously Living in Tension provides need to know insights for every congregation Pastors will find that this passionate and practical theology translates well into their own lives and into the life of the church [7 Lessons for New Pastors, Second Edition](#)

Matthew D. Kim, 2020-12-17 In 7 Lessons for New Pastors leading author Matthew D Kim gives seminarians and new pastors a behind the scenes look at the life of a pastor Drawing on his own experience as a senior pastor and the wisdom of seasoned pastors Kim seeks to prepare future ministers mentally emotionally physically relationally and spiritually for the first year so that it can be a solid foundation for a lifetime of effective ministry Both new and experienced pastors will profit from reading this book This second edition is revised and expanded including questions for personal or group reflection and two bonus mini lessons *Almost a Mormon* Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and you'll soon realize your own story is about to unfold before your very eyes You're about to meet and encounter the One True God [Ecclesial Leadership as Friendship](#)

Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will

be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry
