Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work *Transform Your Church with Ministry Teams* outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization

The Innovative Church Merton P. Strommen, 1984 Many pastors and lay leaders see that congregations need to change in order to carry out their mission yet often attempts at change are resisted and blocked

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to

the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

The Art of Kubernesis (1 Corinthians 12:28) Larry J. Perkins, 2019-03-04 Those who chair church boards deserve our prayers and respect Often with little preparation or experience they step up to lead the primary spiritual leadership team within a local congregation When they need help they have to search long and hard to find resources that respond to their specific questions and concerns The Art of Kubernesis 1 Corinthians 12 28 Leading as the Church Board Chairperson fills this gap It takes the best ideas about chairing nonprofit boards being discussed today and carefully evaluates them Those ideas that are compatible with biblical values and the unique nature of a church congregation contribute to this map for church board chairpersons Although its primary frame of reference is congregational polity the principles discussed can help anyone who chairs a faith based nonprofit board
