Transforming The Co Dependent Woman:

Transforming the Co-dependent Woman Sandy Bierig, 1991 *The Transformation of Intimacy* Anthony Giddens, 2013-04-23 The sexual revolution an evocative term but what meaning can be given to it today How does sexuality come into being and what connections does it have with the changes that have affected personal life on a more general plane In answering these questions Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture The emergence of what the author calls plastic sexuality sexuality freed from its intrinsic relation to reproduction is analysed in terms of the long term development of the modern social order and social influences of the last few decades Giddens argues that the transformation of intimacy in which women have played the major part holds out the possibility of a radical democratization of the personal sphere This book will appeal to a large general audience as well as being essential reading for students and professionals **Women, Anger & Depression** Lois Frankel, 2010-01-01 Women can empower themselves to fulfill their needs and aspirations without being strapped down by feelings that society has taught them to ignore Finding the source of your anger can help you lose your depression **Loving Him without Losing You** Beverly Engel, 2001-06-01 Are you a Disappearing Woman Beverly Engel has identified a widespread problem and provided women with wise guidelines for bursting through it She writes with compassion and insight If you think you are a Disappearing Woman you will drink in this book as if it were a health giving elixir It is Susan Page author of How One of You Can Bring the Two of You Together and If I m So Wonderful Why Am I Still Single This remarkably helpful book offers new insights into why so many women surrender their individuality in relationships Don t wait until your hair is on fire to read it Maxine Schnall founder and Executive Director of Wives Self Help A book of depth and power I highly recommend it not only to women who lose themselves in their relationships with men but to the parents of adolescent girls who need to be taught how to view themselves as valuable beings separate from their relationships with men and boys Michael Gurian author of The Good Son and A Fine Young Man Do you frequently find yourself putting your lover s needs ahead of your own Do you tend to lose yourself in your romantic relationships Have you ever neglected your career your friends or even your health while in the midst of a love affair Now in this landmark book Beverly Engel examines the intricate reasons why so many women submerge themselves in their relationships with men and offers a straightforward empowering program that you can use to free yourself from the powerful grip of this all too common problem and rediscover yourself as a Woman of Substance
