Transnational Lives And The Media Re Imagining Diasporas:

Transnational Lives and the Media O. Bailey, M. Georgiou, R. Harindranath, 2007-07-31 This collection offers a comprehensive account of the relation between diaspora and media cultures It analyses the politics of transnational communication the consumption of media by diasporic communities and the views of non governmental organizations on issues of the participation and representation of ethnic minorities in the media **Transnational Audiences** Adrian Athique, 2017-09-05 In an interactive and densely connected world transnational communication has become a central feature of everyday life Taking account of a variety of media formats and different regions of the world Adrian Athique provides a much needed critical exploration of conceptual approaches to media reception on a global scale Engaging both the historical foundations and contemporary concerns of audience research Athique prompts us to reconsider our contemporary media experience within a transnational frame In the process he provides valuable insights on culture and belonging power and imagination Beautifully written and strongly argued *Transnational Audiences Media Reception on a Global Scale* will be essential reading for students and teachers of global media culture and communications Diasporas Professor Kim Knott, Doctor Sean McLoughlin, 2013-04-04 Featuring essays by world renowned scholars *Diasporas* charts the various ways in which global population movements and associated social political and cultural issues have been seen through the lens of diaspora Wide ranging and interdisciplinary this collection considers critical concepts shaping the field such as migration ethnicity post colonialism and cosmopolitanism It also examines key intersecting agendas and themes including political economy security race gender and material and electronic culture Original case studies of contemporary as well as classical diasporas are featured mapping new directions in research and testing the usefulness of diaspora for analyzing the complexity of transnational lives today *Diasporas* is an essential text for anyone studying working or interested in this increasingly vital subject **Migration, Diaspora and Information Technology in Global Societies** Leopoldina Fortunati, Raul Perterra, Jane Vincent, 2013-03-01 Migrants and diaspora communities are shaped by their use of information and communication technologies This book explores the multifaceted role played by new media in the re location of these groups of people assisting them in their efforts to defeat nostalgia construct new communities and keep connected with their communities of origin Furthermore the book analyses the different ways in which migrants contribute along with natives in co constructing contemporary societies a process in which the cultures of both groups are considered Drawing on contributions from a range of disciplines including sociology anthropology psychology and linguistics it offers a more profound understanding of one of the most significant phenomena of contemporary international societies the migration of nearly a billion people worldwide and the relationship between technology and society *Fluctuating Transnationalism* Astghik Chaloyan, 2017-06-28 This book concerns various modes of being transnational among a diasporic population Armenians in Germany by drawing parallels between the first and second generation migrants It puts forth the questions as

to whether or not and which kind of transactional activity ties practices survive over generations and to what extent transnational engagements influence self identification and the sense of belonging It also examines how various modes of transnationalism in turn impact the sense of belonging The book fleshes out new perspectives and interpretations of transnationalism by revealing specific aspects of border spanning ties and by showing that connections to the country of origin do not necessarily need to be sustained or intensive in order to survive They can instead fluctuate depending on various factors but still have the right to be called transnational *Diasporic Media beyond the Diaspora* Sherry S.

Yu,2018-04-23 Media for diasporic communities have emerged in major cities such as Vancouver and Los Angeles and reflect a multicultural multiethnic and multilingual reality But do these media serve their respective communities exclusively or are they available and accessible to members of greater society at large *Diasporic Media beyond the Diaspora* explores structural and institutional challenges and opportunities for these media and suggests policy directions with the aim of fostering broader intercultural dialogue Using case studies of Korean media in Vancouver and Los Angeles Sherry Yu examines the potential of an intercultural media system for culturally ethnically and linguistically diverse societies This is the first book to explore the potential of diasporic communicative spaces as being open to people outside of specific diasporic communities and their further potential to establish an infrastructure that facilitates conversation and contributes to building an interculturally engaging and inclusive media system *Rebuilding Sustainable Communities for Children and their Families after Disasters* Adenrele Awotona,2009-12-14 Disasters impose enormous misery on children the most vulnerable members of the community Records show that two million children have died as a direct consequence of armed conflict over the past decade Globally millions more have suffered death disease and dislocation as a result of such natural disasters as earthquakes droughts and floods And even when emergency relief is available permanent human damage remains all too often families fall apart women are assaulted and degraded and children are left to take care of themselves In November 2008 the Center for Rebuilding Sustainable Communities after Disasters at the University of Massachusetts Boston USA hosted an international conference to examine how to reconstruct sustainable communities that would be safe and secure for children and their families after disasters This volume collects some of the papers that were presented at the conference It is remarkable for the sheer assortment of topics covered These include the role of gender equality in alleviating poverty and assisting children their families and their communities after disasters war and child soldiers lessons from Hurricane Katrina and the Tsunami the nature of psychosocial resilience and its significance for managing mass emergencies disasters and terrorism and the promotion of human dignity in the creation of sustainable environments that empower families in the aftermath of disasters *Mediating Cultural Diversity in a Globalised Public Space* I. Rigoni,E. Saitta,2012-11-13 Through enhancing reflection on the treatment of cultural diversity in contemporary Western societies this collection aims to move the debate beyond the opposition between ethnicity and citizenship and demonstrate ways to achieve equality in multicultural

and globalised societies **The Kobane Generation** Mari Toivanen, 2021-09-21 A small Kurdish city located in northern Syria Kobane became symbolically significant when ISIS laid siege to the city between September 2014 and January 2015 This pivotal moment in the fight against ISIS threw the international spotlight on the Kurds The Kobane Generation analyses how Kurdish diaspora communities mobilised in France after the breakout of the Syrian civil war and political unrest in Turkey and Iraq in the 2010s Tens of thousands of people mostly but not exclusively diaspora Kurds demonstrated in major European capitals expressed their solidarity with Kobane and engaged in transnational political activism towards Kurdistan In this book Mari Toivanen discusses a series of critical events that led to different forms of transnational participation towards Kurdistan The focus of this book is particularly on how diaspora mobilisations became visible among the second generation the descendants of Kurdish migrants The book addresses important questions such as why second generation members felt the need to mobilise and what kind of transnational participation this led to How did the transnational participation and political activism of the second generation differ from that of their parents and is such activism simply diasporic or also related to more global changes in political activism The Kobane Generation offers important insights on the generational dynamics of political mobilisations and their significance to understanding diaspora contributions More broadly it sheds light on second generation political activism beyond the diaspora context analysing it in relation to global transformations in political subjectivities *Asylum, migration and community* Maggie O'Neill, Amin Sharifi Isaloo, Egle Gusciute, 2015-07-01 Issues of asylum migration humanitarian protection and integration belonging are of growing interest beyond the disciplines of refugee studies migration and social policy Rooted in more than two decades of scholarship this book uses critical social theory and the participatory biographical and arts based methods used with asylum seekers refugees and emerging communities to explore the dynamics of the asylum migration community nexus It argues that interdisciplinary analysis is required to deal with the complexity of the issues involved and offers understanding as praxis purposeful knowledge drawing on innovative research that is participatory arts based performative and policy relevant
