Transforming: Updated and Expanded Edition with Study Guide Austen Hartke, 2023-03-21 In 2014 Time magazine announced that America had reached the transgender tipping point suggesting that transgender issues would become the next civil rights frontier Years later many people even many LGBTQIA allies still lack understanding of gender identity and the transgender experience Into this void trans biblical scholar Austen Hartke brings a biblically based educational and affirming resource to shed light and wisdom on gender expansiveness and Christian theology This new edition offers updated terminology and statistics plus new materials for congregational study preaching and pastoral care Transforming deftly weaves ancient and modern stories that will change the way readers think about gender the Bible and the faith to which Jesus calls us Hartke helps readers visualize a more inclusive Christianity equipping them with the language understanding confidence and tools to change both the church and the world

Transparently Lisa Salazar, 2011-06 It wasn't always clear to Santiago Salazar that somewhere inside him was a Lisa that would someday a long time into the future show herself to the world Born in Colombia Santiago grew up in California and moved to Vancouver in the early 1970s to start a successful career as a graphic designer and photographer After living the first forty eight years of life as Santiago a married heterosexual man and father of three children and devout Christian Santiago was diagnosed with gender dysphoria a term that describes the challenges and opportunities that some have with sexual identity But it would take almost ten more years to reconcile this diagnosis with her Christian faith before she could decide to transition to womanhood For someone who had been a husband and a father it was the beginning an amazing new life Having recently completed her medical and surgical transformation Lisa shares the story of her journey as a transwoman and Christian written with tenderness humility sensitivity and complete transparency A must read for anyone who struggles to understand their own gender identity or a friend's or loved one's especially when faith is central in their life Transparently is an engaging story told by a brave woman who made the call to accept what she knew she was and had always been For more information visit <http://www.transparently.ca> To contact Lisa by email contact at transparently@transparently.ca

support and reconcile with those gender questioning or conflicted be they children adolescents or adults **Sex, God, and the Brain** Andrew Newberg,2024-08-06 For the modern world it seems as if sexuality and spirituality have always been at odds But what if the two are actually deeply connected And what if science could prove this connection From neuroscientist Andrew Newberg Sex God and the Brain argues that our religious and spiritual experiences derive directly from our sexual being While others have speculated on a connection between religion and sex Newberg is the first to demonstrate with groundbreaking brain scan research gained through Orgasmic Meditation studies that the underlying biological mechanism of religious spiritual and sexual experiences are identical With research technical enough for academics but explained simply enough for the everyday reader Sex God and the Brain will reframe our understanding of the link between spirituality and sexuality **God and the Gay Christian** Matthew Vines,2014 Reinterpretations of key Bible texts related to sexual orientation written by a Harvard student present an accessible case for a modern Christian conservative acceptance of sexual diversity **Transgender Identity** Joseph W. Tietge,2002 Declaring the American Cold War rhetoric of scientific advancement as the new opiate of the masses Tietge writing Monmouth U suggests that American political and cultural institutions used science as an ordering symbolism of hierarchy that expanded the freedom of policy makers and others to pursue their ideologies He examines the propaganda public service announcements training films news media and the popular literature and film of the era in an exploration of how science was projected and accepted as an intellectually untouchable mystical process of obtaining knowledge and truth and projecting ideological rectitude In essence he suggests the Cold War was manufactured as a way of continuing scientific research in general and nuclear arms development in particular Annotation copyrighted by Book News Inc Portland OR Foreign Missionary Jubilee Convention of the United Presbyterian Church of N.A. DIPLOMAT WHO HELPED SHAPE A POST COLONIAL INDIA K M Panikkar was a multifaceted man one of India's first public intellectuals as India won its independence His imprint is all over India's colonial and post colonial history from constitutional reform in the princely states where he was a strong advocate for India's current federal model to charting India's maritime policy as a free country He believed in an essential Hindu culture that held his land together yet he was a committed secularist He was Gandhi's emissary and the founder of the Hindustan Times He was independent India's first and most controversial ambassador to both Nationalist China and the People's Republic of China He was Nehru's man in Cairo and France and a member of the States Reorganisation Commission He had enemies in the CIA as well as in India's own Ministry of External Affairs He frustrated his admirers as much as he provoked their reluctant respect From the British Raj to the Constituent Assembly across two world wars and an ensuing Cold War K M Panikkar was India's go to man in all seasons Through it all he never stopped writing on Indian identity nationalism history and foreign policy material that remains as relevant today as it was seven decades ago Yet about the man himself strangely little is known In *A Man for All Seasons* Narayani Basu bridges that gap Drawing on Panikkar's formidable body of work as well as on archival material from India to England from Paris to China and from Israel to the United Nations as well as on first time interviews with Panikkar's family Basu presents a vivid irresistibly engaging portrait of this most enigmatic of India's founding fathers Featuring a formidable cast of characters from Jawaharlal Nehru Mahatma Gandhi and Sardar Patel to Zhou Enlai Chairman Mao and Gamal Abdel Nasser *A Man for All Seasons* is as much a sweeping history of a young India finding its place in the world as it is the story of a man who was impossible to ignore then and remains so now
