Real Vampires, Night Stalkers and Creatures from the Darkside Brad Steiger, 2009-09-01 Not only do vampires exist but they walk among us Paranormal researcher extraordinaire and author of hundreds of books on the mysterious and unknown Brad Steiger reveals that real vampires are not immortal do not have fangs or sleep in coffins and have no fear of sunlight or crucifixes A chilling chronicle of the often ignored history of vampirism Real Vampires Night Stalkers and Creatures from the Darkside is a shocking account of occultist rituals and the inhuman forces that influence these immortal beasts From spine tingling classic tales Vlad the Impaler the Countess of Blood to stories of famous mass murderers and their shocking cannibalistic and vampire like behavior Jack the Ripper the Zodiac Killer Jeffrey Dahmer to hair raising testimony from ordinary people who ve encountered vampires and finally to interviews with modern vampires themselves this frightening collection covers them all Not for the faint of heart you ll encounter 163 terrifying tales of the hideous wraiths and creatures that lurk in shadow including the Mexican prostitute who mesmerized an entire village convincing them she was an Incan goddess who required human sacrifice for her magic the three teenagers who left a trail across the South as they conducted blood drinking rituals with animals the mysterious Lady in Black who draws psychic energy from men who dare approach her as she wanders through city streets and parks the young bride to be possessed by an evil spirit pretending to be her recently deceased uncle the college student who thought that he had gotten lucky when he was invited to a party by a gorgeous woman until he found out that the other partygoers seemed to want blood

Vampire-Attack Survivor - Nightfall Andre Michael Pietroschek,2019-02-20 Inspired due the 20th anniversary edition of Vampire the Masquerade I had returned to write a handful of shortstories Mostly to reconsider the storyteller position which I discarded ago becoming a part of my social life cough again Dorkness and roleplaying unholy bedfellows This one was spun as clich and then I was inspired nothing to do with baseball bats and assisted opening knives in illegal length to write a second version wherein poor lil gay Pascal becomes the dark protagonist instead *East Central Europe in the Middle Ages, 1000-1500* Jean W Sedlar,1994 Topics covered include early migrations state formation monarchies classes nobles landholders peasants herders serfs and slaves towns religion war governments laws and justice commerce and money foreign affairs ethnicity and nationalism languages and literature and education and literacy **Transylvania Chronicles** Brian Campbell,Nicky Rea,Jackie Cassada,2000-04 Dark Ages Vampire takes you to the nights before the Camarilla when kine truly had reason to be afraid of the dark The vampires of this bygone age ride the dark as lords play their games with the crowned heads of Europe and travel to the mysterious lands of the East as they wage their ages old war The diablerie of saulot the waking of Mithras the destruction of Michael the patriarch the return of the Dracon it all means the time of reflection is over The Inquisition stirs and the time to act is now Across Europe monarchs of the night set princes and barons at each other s undying throats Young vampires take to the field ready to claim their domain and become powerful lords in their own right Blood calls to blood The conclusion to the epic that takes vampires from the Dark Ages to the modern world

The Mammoth Book of Vampire Stories by Women Stephen Jones,2012-03-01 Collected here for the first time are 34 strange and erotic tales of vampires created by some of supernatural fiction s greatest mistresses of the macabre From the classic stories of Edith Nesbit Mary E Wilkins Freeman and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z Brite Nancy Kilpatrick Tanith Lee Caitlin R Kiernan and Pat Cadigan these blood drinkers and soul stealers range from the sexual to the sanguinary from the tormented good to the unspeakably evil Among these children of the night you will encounter Chelsea Quinn Yarbro s Byronic vampire Saint Germain Nancy A Collins undead heroine Sonja Blue Tanya Huff s vampiric detective Vicki Nelson and Freda Warrington s age old lovers Karl and Charlotte Featuring the

only vampire short story written by Anne Rice the undisputed queen of vampire literature and boasting an autobiographical introduction and original tale by Ingrid Pitt the star of Hammer Films The Vampire Lovers and Countess Dracula this is one anthology from which every vampire fan will want to drink deeply *Just a Bite* Istvan Pivarcsi, 2012-10-23 Mustering his extensive experience on the scene of the world's richest source of vampire lore Transylvania historian and author Istvan Pivarcsi seeks to peel away the effects of popular culture and set the record straight addressing essential questions in dozens of bite size chapters How did vampire legends emerge in the Balkans Romania and Transylvania How did other monsters eventually coalesce as what we know as vampires Who was the real Vlad the Impaler and how did he come to personify the classic vampire How did vampire related oral traditions evolve over the centuries and then explode with unprecedented force in both literature and popular culture from the mid nineteenth century on The ideal short reference for anyone with at least a passing interest in the undead *Just a Bite* includes an extensive two part appendix comprising a comprehensive glossary of vampire terms as well as a chronology of human beings fascination and interaction with vampires through history From the Trade Paperback edition [The Vampire](#) Thomas M. Bohn, 2019-09-01 Even before Bram Stoker immortalized Transylvania as the homeland of his fictional Count Dracula the figure of the vampire was inextricably tied to Eastern Europe in the popular imagination Drawing on a wealth of previously neglected sources this book offers a fascinating account of how vampires whose various incarnations originally emerged from folk traditions from all over the world became so strongly identified with Eastern Europe It demonstrates that the modern conception of the vampire was born in the crucible of the Enlightenment embodying a mysterious Eastern otherness that stood opposed to Western rationality From the Prologue From Original Sin to Eternal Life For a broad contemporary public the vampire has become a star a media sensation from Hollywood Bestselling authors such as Bram Stoker Anne Rice and Stephenie Meyer continue to fire the imaginations of young and old alike and bloodsuckers have achieved immortality through films like Dracula Interview with a Vampire and Twilight It is no wonder that in the teenage bedrooms of our globalized world vampires even steal the show from Harry Potter They have long since been assigned individual personalities and treated with sympathy They may possess superhuman powers but they are also burdened by their immortality and have to learn to come to terms with their craving for blood Whereas the Southeast European vampire discovered in the 1730s underwent an Americanization and domestication in the media landscape of the twentieth century the creole zombies that first became known through the cheap novels and horror films of the 1920s still continue to serve as brainless horror figures Do bloodsuckers really exist and should we really be afraid of the dead These are the questions that I seek to tackle following the wishes of my daughter who was ten when I started this project
