Billionaire's Child Bride Mi MiZhiYin,2020-04-26 i have an ancestral treasure to give you huh he was the president of the abstinence department and he was extremely proud of her and turned a blind eye to her she had been separated from her mother and brought back to be his potential donor and fated wife but she was unwilling to be manipulated the two people who looked at each other in the wrong were playing conquering he had picked up a girl and hung her up she had made him go berserk in just a few minutes can t understand i want to have a baby with you a certain man with an evil smile a certain woman said in a coquettish tone you re annoying *The Hypocrisy Trap* Michael Hallsworth,2025-10-14 How our desire to stamp out hypocrisy is backfiring and how learning to target our criticisms better can improve our politics business and personal relationships In our increasingly distrusting and polarized nations accusations of hypocrisy are everywhere But the strange truth is that our attempts to stamp out hypocrisy often backfire creating what Michael Hallsworth calls The Hypocrisy Trap In this groundbreaking book he shows how our relentless drive to expose inconsistency between words and deeds can actually breed more hypocrisy or worse cynicism that corrodes democracy itself Through engaging stories and original research Hallsworth shows that not all hypocrisy is equal While some forms genuinely destroy trust and create harm others reflect the inevitable compromises of human nature and complex societies The Hypocrisy Trap offers practical solutions ways to increase our own consistency navigate accusations wisely and change how we judge others actions

Hallsworth shows vividly that we can improve our politics businesses and personal relationships if we rethink hypocrisy soon

The Meritocracy Trap Daniel Markovits, 2019-09-10 A revolutionary new argument from eminent Yale Law professor Daniel Markovits attacking the false promise of meritocracy It is an axiom of American life that advantage should be earned through ability and effort Even as the country divides itself at every turn the meritocratic ideal that social and economic rewards should follow achievement rather than breeding reigns supreme Both Democrats and Republicans insistently repeat meritocratic notions Meritocracy cuts to the heart of who we are It sustains the American dream But what if both up and down the social ladder meritocracy is a sham Today meritocracy has become exactly what it was conceived to resist a mechanism for the concentration and dynastic transmission of wealth and privilege across generations Upward mobility has become a fantasy and the embattled middle classes are now more likely to sink into the working poor than to rise into the professional elite At the same time meritocracy now ensnares even those who manage to claw their way to the top requiring rich adults to work with crushing intensity exploiting their expensive educations in order to extract a return All this is not the result of deviations or retreats from meritocracy but rather stems directly from meritocracy's successes This is the radical argument that Daniel Markovits prosecutes with rare force Markovits is well placed to expose the sham of meritocracy Having spent his life at elite universities he knows from the inside the corrosive system we are trapped within Markovits also knows that if we understand that meritocratic inequality produces near universal harm we can cure it When *The Meritocracy Trap* reveals the inner workings of the meritocratic machine it also illuminates the first steps outward towards a new world that might once again afford dignity and prosperity to the American people
