Defy The Ravaged E M Raegan, 2020-09-18 My name is Willow His name is Jason He hated me I hated him while silently hiding how much all that hate hurt deep down inside me But all that was before Before everything changed Before I woke up to gunshots and screaming and death Now he still hates me along with his Uncle Paulie and their club brothers But I don't hate him I can't not after he came for me Not after he saved me Not now that the ravaged are here They come at you like you're nothing With their feral snarls and bloodshot eyes Their decaying mouths salivating for a bite of you They are hungry for life and we are their meal I didn't want to believe it I didn't want to accept it But I can't ignore them now that they're everywhere Now that the threat of them haunts us every waking moment With Jason standing between them and me I can't hate him anymore I don't want to Defy the Ravaged is a compilation of the four part romantic dystopian series originally published separately as novellas It includes Willow Thrive Hunted and Defend This story ends with an epilogue but is just the beginning of an epic dystopian series Warning For Readers 18 years and older Contains explicit sexual situations possible triggers dark themes language and violence Reviews Zombies blood death life love and a psychopath all make for a really great read Add a handsome Marine a motorcycle and his club and it is perfect Amazon Reviewer Loved this book Characters are well developed and it has a great story It is emotional raw and gripping I literally couldn't put it down Amazon Reviewer Really one of the best zombie books I've read in awhile Between her post apocalyptic and her sci fi books this author is becoming one of my favorites Amazon Reviewer There are so many twists and turns you never know what's going to happen next I was so involved in this book that when I was reading I paid attention to nothing else around me Amazon Reviewer I devoured it There's so much happening between the fall of civilization itself and the relationship between Willow and Jay I love how the romance never takes a back seat but the action is pretty much constant So much love this series Amazon Reviewer This book made me forget about time I totally lost a night reading this and not realizing its morning
